5.1 Restructuring Transactions.

On or before the Effective Date or as soon as reasonably practicable thereafter, the Debtors may take all actions consistent with this Plan as may be necessary or appropriate to effect any transaction described in, approved by, contemplated by or necessary to effectuate the Restructuring Transactions under and in connection with this Plan, including (a) the execution and delivery of all appropriate agreements or other documents of merger, consolidation, sale, restructuring, conversion, disposition, transfer, dissolution or liquidation containing terms that are consistent with the Plan; (b) the execution and delivery of appropriate instruments of transfer, assignment, assumption or delegation of any Asset, property, interest, right, liability, debt or obligation on terms consistent with the Plan; (c) the filing of appropriate certificates or articles of organization, limited partnership, incorporation, reincorporation, merger, consolidation, conversion or dissolution pursuant to applicable law; (d) the execution, delivery, filing, recordation and issuance of any other documents, instruments or agreements in connection with the Restructuring Transactions and (e) any transactions described in the Restructuring Steps Memorandum.

5.2 Plan Settlements.

(a) As further described in the Disclosure Statement, the provisions of this Plan (including the provisions contained in Section 5.8 of the Plan and the release and injunctive provisions contained in Article X of the Plan) and the other Plan Documents constitute a good faith compromise and settlement of Claims and controversies among the Debtors, the Supporting Claimants, the Shareholder Payment Parties, certain other participants in the Mediation and other parties in interest reached in connection with the Mediation and otherwise, which such compromise and settlement is necessary and integral to the Plan and the Plan Documents and the success of these Chapter 11 Cases. The Debtors, the Supporting Claimants and the Shareholder Payment Parties believe the treatment provided in respect of Claims against and Interests in the Debtors and the treatment of competing Classes of Claims is fair and appropriate only when combined with the distribution scheme, including without limitation all Distributions to be made under the Plan, and the release, injunction and all other provisions contained in the

Plan, all of which are material aspects of the Plan. More than 614,000 Proofs of Claim alleging liability arising out of or in connection with Opioid-Related Activities were filed against the Debtors by the General Bar Date. Approximately 10% of the submitted Proofs of Claim allege a specific amount of liability. The aggregate alleged liability associated with these Proofs of Claim is more than \$40 trillion (exclusive of one personal injury claim that asserted \$100 trillion in alleged liability). Approximately 90% of Claims alleging liability arising out of or in connection with Opioid-Related Activities do not allege a specific amount of liability. The Debtors believe that any reasonable estimate, projection or valuation of their total liability and obligation to pay for Claims in Classes 3, 4, 5, 6, 7, 8, 9, 10(a) and 10(b), if they had the ability to pay those Claims outside of these Chapter 11 Cases, exceeds by many multiples the total value of all assets of their Estates, including but not limited to contributions from third parties and the full face value of all of Purdue's insurance. The Debtors have structured the Plan on the basis of this understanding, and the Confirmation Order shall include a finding consistent with this understanding.

(b) The Plan, including the explanation set forth in the Disclosure Statement, and the Plan Documents shall be deemed a motion to approve the Plan Settlements and the good faith full and final comprehensive compromise and settlement of all of the Claims, Interests and controversies described in the foregoing Section 5.2(a) pursuant to Bankruptcy Rule 9019, and entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the Plan Settlements under section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, as well as a finding by the Bankruptcy Court that the Plan Settlements are fair, equitable, reasonable and in the best interests of the Debtors and their Estates.

(c) The Plan, the Plan Settlement, the Plan Documents and the Confirmation Order constitute a good faith full and final comprehensive compromise and settlement of all Claims, Interests and controversies described in the Plan based upon the unique circumstances of these Chapter 11 Cases (such as the total distributable value available, the unique facts and circumstances relating to these Debtors and the need for an accelerated resolution without additional avoidable litigation) such that (i) none of the foregoing documents (including the provisions contained in Section 5.8 of the Plan), nor any materials used in furtherance of Plan confirmation (including, but not limited to, the Disclosure Statement, and any notes related to, and drafts of, such documents and materials), may be offered into evidence, deemed an admission, used as precedent or used by any party or Person in any context whatsoever beyond the purposes of this Plan, in any other litigation or proceeding, except as necessary, and as admissible in such context, to enforce their terms and to evidence the terms of the Plan and the Plan Documents before the Bankruptcy Court or any other court of competent jurisdiction and (ii) any obligation by any party, in furtherance of such compromise and settlement, to not exercise rights that might be otherwise available to such party shall be understood to be an obligation solely in connection with this specific compromise and settlement and to be inapplicable in the absence of such compromise and settlement. The Plan, the Plan Settlement, the Plan Documents and the Confirmation Order will be binding as to the matters and issues described therein, but will not be binding with respect to similar matters or issues that might arise in any other litigation or proceeding in which none of the Debtors or any other Protected Party is a party; *provided* that such litigation or proceeding is not to enforce or evidence the terms of the Plan, the Plan Settlement, the Plan Documents or the Confirmation Order. Any Person's support of, or position or action taken in connection with, this Plan, the Plan Settlement, the Plan Documents and the Confirmation Order may differ from such Person's position or testimony in any other litigation or proceeding not in connection with these Chapter 11 Cases. Further, and, as all parties to the Mediation agreed, this Plan Settlement is not intended to serve as an example for, or represent the parties' respective positions or views concerning, any other chapter 11 cases relating to opioids, nor shall it be used as precedent by any Person or party in any other such chapter 11 cases or in any other proceeding, situation or litigation.

- (i) The Master Disbursement Trust shall make payments of the MDT Private Claims on each MDT Distribution Date in the amount then due and owing to each Private Creditor Trust. The MDT Private Claims shall be payable by the Master Disbursement Trust in installments in the amounts and on the MDT Distribution Dates set forth below, which installments shall, to the extent applicable, be reduced as a result of prepayments in accordance with Section 5.2(d)(iv) of the Plan:
 - (A) The MDT Hospital Claim shall be payable in the following installments: (I) \$35 million on the first Scheduled MDT Distribution Date, (II) \$45 million on July 31, 2023, (III) \$45 million on July 31, 2024, (IV) \$50 million on July 31, 2025 and (V) \$50 million on July 31, 2026.

In addition, in the event the aggregate MDT Bermuda-Form Insurance Proceeds (whether received before, on or after July 31, 2026) exceed \$400 million, the PI Trust shall be entitled to an incremental payment in the amount of the lesser of (x) the aggregate amount of the MDT Bermuda-Form Insurance Proceeds in excess of \$400 million and (y) \$50 million (which shall be in addition to, and not in reduction or substitution of, any of the installment payments set forth in the previous sentence), payable within thirty (30) days of receipt of any such MDT Bermuda-Form Insurance Proceeds, in accordance with Section 5.2(d)(iv)(A) of the Plan.
- (ii) Upon the commencement of an MDT Reserve Period, the MDT Trustees shall provide notice thereof to NewCo, TopCo and each Creditor Trust and shall establish and fund the MDT Claims Reserve in an amount equal to the MDT Claims Reserve Funding Amount. For so long as such MDT Reserve Period is continuing, the MDT Claims Reserve shall remain in place and no TopCo

Distributions or Public Creditor Trust Distributions, nor any repayments by the Master Disbursement Trust to NewCo or TopCo, shall be made until the MDT Operating Reserve and the MDT Claims Reserve are fully funded in the amounts required at such time. For the avoidance of doubt, notwithstanding the occurrence and continuation of an MDT Reserve Period, so long as the MDT Operating Reserve and the MDT Claims Reserve are fully funded, the Master Disbursement Trust and TopCo shall continue to make Public Creditor Trust Distributions and NewCo shall continue to make TopCo Distributions, in each case, solely in accordance with Section 5.2(e) of the Plan.

The amounts required to be paid by NewCo to the Master Disbursement Trust under this Section 5.2(d)(iii)(A) shall be limited to the extent of NewCo Available Cash; *provided that*, in the event there is a deficiency of funding in the MDT Claims Reserve for a period of eighteen (18) months during the continuation of an MDT Reserve Period, the Master Disbursement Trust shall be entitled to accelerate its claims under the NewCo Credit Support Agreement and exercise remedies.
 - (B) Irrespective of whether there is an MDT Reserve Period in effect, until the payment in full in Cash of the MDT Claims, TopCo and NewCo shall pay to the Master Disbursement Trust an amount equal to 100% of the MDT Distributable Sale Proceeds within five (5) Business Days after the receipt thereof; *provided that* (I) MDT Distributable Sale Proceeds of less than \$10 million (in the aggregate for TopCo and NewCo) shall be carried forward and accumulated and no distributions to the Master Disbursement Trust on account thereof shall be required until the aggregate amount of the accumulated MDT Distributable Sale Proceeds so received following the Effective Date equals

or exceeds such amount and (II) the amounts payable to the Master Disbursement Trust under this Section 5.2(d)(iii)(B) shall not exceed the aggregate outstanding amount owed on account of the MDT Claims (regardless of whether some amounts have yet fallen due). Any non-Cash proceeds in respect of the sale of any Asset of TopCo or any of its Subsidiaries shall be held and not distributed by TopCo or such Subsidiary, as applicable, until the payment in full of the MDT Claims or the disposition of such non-Cash proceeds for Cash; *provided* that the MDT Distributable Sale Proceeds of such non-Cash proceeds shall be subject to this Section 5.2(d)(iii)(B). The Master Disbursement Trust shall apply all amounts received under this Section 5.2(d)(iii)(B) in accordance with Section 5.2(d)(iv)(B) of the Plan.

(iv) The Master Disbursement Trust shall make prepayments of the MDT Claims from the amounts and in the manner set forth below.

(A) MDT Bermuda-Form Insurance Proceeds shall be applied toward the prepayment of remaining installments on the MDT PI Claim (as set forth in Section 5.2(d)(i)(D)(I)-(III)) in chronological order by installment payment maturity date until the MDT PI Claim is paid in full, and, if any amounts remain, to pay the incremental amounts due to the PI Trust under clauses (x) and (y) of Section 5.2(d)(i)(D), in each case, in the following manner: (I) for the MDT Bermuda-Form Insurance Proceeds received by the Debtors or the Master Disbursement Trust on or prior to the Effective Date, the Debtors or the Master Disbursement Trust shall pay on the Effective Date 100% of such MDT Bermuda-Form Insurance Proceeds to the PI Trust as part of the Initial PI Trust Distribution, subject to Section 5.2(h) of the Plan, and (II) for any MDT Bermuda-Form Insurance Proceeds received by the Master Disbursement Trust after the Effective Date, the Master Disbursement Trust shall pay to the PI Trust, subject to Section 5.2(h) of the Plan, 100% of such MDT Bermuda-Form Insurance Proceeds not later than thirty (30) days after the date of receipt thereof by the Master Disbursement Trust (or, if an Escrow Period is then in effect, the next Business Day following the termination thereof).

(B) If on any date the Master Disbursement Trust receives MDT Distributable Sale Proceeds, then such MDT Distributable Sale Proceeds shall be applied not later than ten (10) Business Days after such date (or, if an Escrow Period is then in effect, the next Business Day following the termination thereof) to prepay any remaining

installments of the MDT Claims until paid in full. Such prepayments shall be (I) allocated according to the MDT Distribution Date on which remaining installments of the MDT Claims are due in chronological order of maturity (such that all remaining installments of the MDT Claims due on a particular Scheduled MDT Distribution Date shall be paid in full before any amounts are allocated to installments of the MDT Claims due on any subsequent Scheduled MDT Distribution Date) and (II) applied to the remaining installments of the MDT Claims due on a particular MDT Distribution Date on a pro rata basis according to the proportion that the outstanding amount due on each MDT Claim on such MDT Distribution Date bears to the aggregate outstanding amount due on all MDT Claims on such MDT Distribution Date.

- (C) If on any date the Master Disbursement Trust receives a Shareholder Prepayment, then each Net Prepaid Settlement Amount shall be applied not later than ten (10) Business Days after such date to prepay the remaining installments of the MDT Claims due on the Scheduled MDT Distribution Date that immediately follows the scheduled SSA Payment Date of such Net Prepaid Settlement Amount according to each MDT Claim's Proportionate Settlement Prepayment Share of such Net Prepaid Settlement Amount.

(e) **Non-Federal Public Entity Settlements.** On the Effective Date, NOAT and the Tribe Trust shall receive their respective Initial Public Creditor Trust Distributions (other than the Public Schools' Special Education Initiative Contribution, which shall be paid to the Public Schools' Special Education Initiative), MDT Interests and TopCo Interests. The MDT Interests and the TopCo Interests shall entitle NOAT and the Tribe Trust to the payments and other benefits set forth below.

For the avoidance of doubt, in no event shall (A) the stated amount of the Initial PI Trust Distribution or the stated amount of the MDT PI Claim be altered in a manner that would reduce the aggregate amount to be paid to the United States pursuant to this Section 5.2(h)(i) of the Plan, (B) the aggregate amount paid to the United States pursuant to this Section 5.2(h)(i) of the Plan exceed \$26 million, or (C) the United States' claim against the Master Disbursement Trust arising from the assignment described in this Section 5.2(h)(i) of

- (ii) Notwithstanding Section 10.19 of the Plan, as of the Effective Date, for good and valuable consideration, the adequacy of which is hereby confirmed, the PI Trust, each Holder of a PI Claim and, in respect of each of the PI Trust and each Holder of a PI Claim, its respective agents, representatives, heirs, successors and assigns, in their respective capacities as such, shall, without any further action by the Bankruptcy Court, be conclusively, absolutely, unconditionally, irrevocably, fully, finally, forever and permanently released by each Holder of a United States-PI Claimant Medical Expense Claim of all United States-PI Claimant Medical Expense Claims and all Causes of Action based on or relating to, or in any manner arising from, in whole or in part, the United States-PI Claimant Medical Expense Claim Settlement (other than a Cause of Action to enforce the United States-PI Claimant Medical Expense Claim Settlement, including, but not limited to, the release set forth in Section 5.2(h)(iii) of the Plan) that each Holder of a United States-PI Claimant Medical Expense Claim has asserted or could assert on its own behalf or on behalf of another Person or party, notwithstanding section 1542 of the California Civil Code or any law of any jurisdiction that is similar, comparable or equivalent thereto (which shall conclusively be deemed waived), against the PI Trust, a Holder of a PI Claim, Distributions to Holders of PI Claims pursuant to the PI TDP or under the Plan and, in respect of each of the PI Trust and each Holder of a PI Claim, its respective agents, representatives, heirs, successors and assigns, in their respective capacities as such; *provided, however*, that, if a Holder of a PI Claim commences a legal action against a Holder of a United States-PI Claimant Medical Expense Claim challenging all or any portion of the United States-PI Claimant Medical Expense Claim Settlement, then, from and after the commencement of such legal action, the United States-PI Claimant Medical Expense Claim Release shall be *void ab initio* solely with respect to such Holder of a PI Claim, and the heirs, successors and assigns of such Holder of a PI Claim, in their capacities as such, and not with respect to any other Person or party, including, but not limited to, the PI

Nothing in this Section 5.2(h)(ii) creates any rights of a Holder of a PI Claim to sue the United States or any of its agencies, including a Holder of a United States-PI Claimant Medical Expense Claim, and the United States and its agencies reserve all rights and defenses in that regard; and nothing in this paragraph is or shall be deemed a waiver of any applicable sovereign immunity with respect to any legal action against the United States or any of its agencies challenging all or any portion of the United States-PI Claimant Medical Expense Claim Settlement brought by a Holder of a PI Claim or the heirs, successors or assigns of such Holder of a PI Claim, in their capacities as such.

- (iii) As of the Effective Date, for good and valuable consideration, the adequacy of which is hereby confirmed, each Holder of a United States-PI Claimant Medical Expense Claim shall, without any further action by the Bankruptcy Court, be conclusively, absolutely, unconditionally, irrevocably, fully, finally, forever and permanently released by the PI Trust and its agents, representatives, successors and assigns, in their respective capacities as such, of all Causes of Action based on or relating to, or in any manner arising from, in whole or in part, the United States-PI Claimant Medical Expense Claim Settlement (other than a Cause of Action to enforce the United States-PI Claimant Medical Expense Claim Settlement, including, but not limited to, any United States-PI Claimant Medical Expense Claim Release) that the PI Trust has asserted or could assert on its own behalf or on behalf of another Person or party, notwithstanding section 1542 of the California Civil Code or any law of any jurisdiction that is similar, comparable or equivalent thereto (which shall conclusively be deemed waived), against a Holder of a United States-PI Claimant Medical Expense Claim and, in respect of each Holder of a United States-PI Claimant Medical Expense Claim, its respective agents, representatives, successors and assigns, in their respective capacities as such.

Such prepayment shall be borne equitably by such Holders of PI Claims in the form of a reduction in the Distributions otherwise payable to such Holders of PI Claims pursuant to the PI TDP.

- (v) The United States Department of Defense, Defense Health Agency (in respect of the TRICARE Program) submits to the jurisdiction of the Bankruptcy Court for purposes of the United States-PI Claimant Medical Expense Claim Settlement, including, but not limited to, the United States-PI Claimant Medical Expense Claim Releases.

(g) **Assumption of Channeled Claims and Master TDP.** As of the Effective Date, any and all liability of the Debtors and the other Protected Parties for any and all Channeled Claims shall automatically, and without further act, deed or court order, be channeled to and assumed by the Master

Disbursement Trust solely for the purpose of effectuating the Master TDP, pursuant to which each Channeled Claim shall either be automatically channeled to and assumed exclusively by a Creditor Trust or otherwise Disallowed and released in full. All Channeled Claims channeled to a Creditor Trust in accordance with the Master TDP shall be administered and resolved solely pursuant to, and solely to the extent provided in, the applicable Creditor Trust TDP for such Creditor Trust. Distributions, in accordance with the applicable Creditor Trust TDP, from the Creditor Trust to which a Channeled Claim is channeled, in accordance with the Master TDP, shall be the sole source of recovery, if any, in respect of such Channeled Claim, and the Holder of such Channeled Claim shall have no other or further recourse to the Protected Parties, including the Master Disbursement Trust. All Channeled Claims that are Disallowed and released and not channeled to a Creditor Trust in accordance with the Master TDP shall have no recourse to any Protected Party, including the Master Disbursement Trust. For the avoidance of doubt, in no event shall any Channeled Claim have any recourse to the Assets of the Master Disbursement Trust. In furtherance of the foregoing, the Master Disbursement Trust, subject to and only to the extent provided in the MDT Documents, shall have all defenses, cross-claims, offsets and recoupments regarding the Channeled Claims that the Debtors, the Released Parties and the Shareholder Released Parties, as applicable, have, or would have had, under applicable law, but solely to the extent consistent with the MDT Documents and the Plan; *provided* that no such Claims, defenses or rights may be asserted against any Protected Party; and *provided further* that all such defenses, cross-claims, offsets and recoupments regarding any Channeled Claim that is channeled to a Creditor Trust in accordance with the Master TDP shall be transferred to such Creditor Trust with such Channeled Claim, at which point, the Master Disbursement Trust shall no longer have such defenses, cross-claims, offsets and recoupments regarding such Channeled Claim. For the avoidance of doubt, nothing in this Section 5.6(g) shall limit or affect the transfer of the MDT Insurance Rights.

(h) **MDT Operating Expenses.** On the Effective Date, the Debtors shall establish and fund the MDT Operating Reserve, which shall vest in the Master Disbursement Trust in accordance with Section 5.6(b) of the Plan and be held and maintained by the MDT Trustees. Periodically, until the dissolution of the Master Disbursement Trust, the MDT Trustees will replenish the MDT Operating Reserve from Cash held or received by the Master Disbursement Trust to the extent deemed necessary by the MDT Trustees to satisfy and pay estimated future MDT Operating Expenses. The MDT Trustees shall create and maintain an annual budget of MDT Operating Expenses, which shall be reviewed by the MDT Beneficiaries and reasonably acceptable to the MDT Beneficiaries. All MDT Operating Expenses shall be satisfied and paid from the MDT Operating Reserve. The MDT Trustees and the MDT Executive Director shall be entitled to reasonable compensation and to retain and reasonably compensate counsel and other professionals to assist in the duties of the Master Disbursement Trust on such terms as the MDT Trustees and the MDT Executive Director deem appropriate without Bankruptcy Court approval, subject to the provisions of the MDT Agreement. The initial compensation of the MDT Trustees and the MDT Executive Director shall be reasonably acceptable to the Debtors, the Creditors' Committee and the Governmental Consent Parties, and thereafter shall be subject to the annual budgets prepared by the MDT Trustees.

(i) **Transfer of the MDT Insurance Rights.** In furtherance of the transfer of the MDT Transferred Assets to the Master Disbursement Trust and in accordance with the MDT Agreement, on the Effective Date, the Debtors shall irrevocably transfer, grant and assign to the Master Disbursement Trust, and the Master Disbursement Trust shall receive and accept, any and all of the MDT Causes of Action and MDT Insurance Rights. To the extent any Insurance Company would be obligated in respect of any MDT Insurance Policy to pay any Channeled Claim on behalf of one or more of the Debtors, the Debtors shall transfer and assign to the Master Disbursement Trust the right to enforce such Insurance Company's obligation. The foregoing transfer shall be (i) free and clear of all encumbrances and Causes of Action of any nature whatsoever, (ii) made to the maximum extent possible under applicable law, (iii) absolute and without requirement of any further action by the Debtors, the Liquidating Debtors, the Plan Administration Trust, the Master Disbursement Trust, the Bankruptcy Court or any other Person, and

(iv) governed by, and construed in accordance with, the Bankruptcy Code and the other applicable laws governing the applicable MDT Insurance Policies. Notwithstanding the foregoing, the Master Disbursement Trust shall become and remain liable in full for and shall satisfy, to the extent required under applicable law, any prospective premiums, deductibles, self-insured retentions and any other amounts or obligations arising in any way out of the receipt of payment from an Insurance Company in respect of the MDT Insurance Rights; *provided* that, for the avoidance of doubt, the Master Disbursement Trust will not be required to pay premiums or any other amounts for Purdue Insurance Policies that are not MDT Insurance Policies. The transfer of the MDT Insurance Rights contemplated in this Section 5.6(i) is not an assignment of any insurance policy itself. The Confirmation Order shall contain findings reasonably acceptable to the Creditors' Committee and the Governmental Consent Parties related to or necessary to preserve all MDT Insurance Rights.

(j) **Transfer of MDT Shareholder Insurance Rights.** On the Effective Date, in consideration of the Shareholder Releases, the Shareholder Released Parties shall irrevocably transfer, grant, and assign to the Master Disbursement Trust, and the Master Disbursement Trust shall receive and accept, any and all MDT Shareholder Insurance Rights. Each Shareholder Released Party shall be deemed to have irrevocably transferred, granted, and assigned to the Master Disbursement Trust any and all MDT Shareholder Insurance Rights without further action and without further consideration to such Shareholder Released Party. Pursuant to the Plan, the foregoing transfer shall be (i) free and clear of all encumbrances and Causes of Action of any nature whatsoever, (ii) made to the maximum extent possible under applicable law, (iii) absolute and without requirement of any further action by the Shareholder Released Parties, the Debtors, the Liquidating Debtors, the Plan Administration Trust, the Master Disbursement Trust, the Bankruptcy Court or any other Person, and (iv) governed by, and construed in accordance with, the Bankruptcy Code and the other applicable laws governing the MDT Shareholder Insurance Rights. The transfer of the MDT Shareholder Insurance Rights is not an assignment of any insurance policy itself. For the avoidance of doubt, the transfer of the MDT Shareholder Insurance Rights is in addition to the other obligations of the Shareholder Released Parties set forth herein. The Shareholder Released Parties will make best efforts to provide the Master Disbursement Trust access to information and copies of documents that are reasonably necessary to preserve, secure, or obtain the benefit of the MDT Shareholder Insurance Rights, and will comply in all respects with the Plan to preserve, secure, or obtain the benefit of the MDT Shareholder Insurance Rights, including but not limited to the obligations set forth in Section 8.8(b). The Confirmation Order shall contain findings reasonably acceptable to the Creditors' Committee and the Governmental Consent Parties related to or necessary to preserve all MDT Shareholder Insurance Rights. Notwithstanding the foregoing in this paragraph, to the extent that (y) a Shareholder Released Party has, prior to the Effective Date or January 11, 2022 (whichever occurs later), provided notice of a Claim under a Reserved MDT Insurance Policy under which a Shareholder Released Party is covered and (z) such Claim is not one for which such Shareholder Released Party receives the benefit of the Shareholder Releases (a "***Retained Shareholder Insurance Claim***"), such Shareholder Released Party shall not be deemed to have irrevocably transferred, granted, and assigned to the Master Disbursement Trust the Retained Shareholder Insurance Claim, and such Shareholder Released Party shall be entitled to pursue any such Retained Shareholder Insurance Claim prior to and after the Effective Date, *provided* that, notwithstanding the foregoing, with respect to the Retained Shareholder Insurance Claims, each Shareholder Released Party, in consideration of the Shareholder Releases, (A) will confer and fully cooperate with the Master Disbursement Trust in connection with the settlement of all claims or rights under such MDT Insurance Policy, including the Retained Shareholder Insurance Claims, and including but not limited to as set forth in Section 8.8(b)(i) of the Plan, and (B) in the event the Master Disbursement Trust has obtained settlement terms that it deems acceptable in its sole discretion, and such settlement terms include a settlement of any Retained Shareholder Insurance Claim, each Shareholder Released Party with rights under such Retained Shareholder Insurance Claim shall be deemed to consent to the release of any claims or rights held by such Shareholder Released Party against and under such MDT Insurance Policy, with the same effect as if such Shareholder Released Party had executed such settlement agreement, and

without further consideration to such Shareholder Released Party from the insurance settlement proceeds or otherwise in respect of such settlement. After the Effective Date or January 11, 2022 (whichever occurs later), no Shareholder Released Party shall be entitled to submit a claim under any MDT Insurance Policy (with the exception of a current or former director, officer, manager, authorized agent or employee that is not a Sackler Family Member, but solely to the extent such individual has a right to submit a claim after the Effective Date pursuant to Section 8.8(b)(ii) of the Plan).

(k) **Shareholder Insurance Release.** On the Effective Date, in consideration of the Shareholder Releases, all Sackler Family Members shall irrevocably, fully and forever release and discharge any obligation to indemnify and/or to defend the Sackler Family Members under the Isosceles Insurance Ltd. policy number PPLP-01/2019 for any Claim or loss of any type or nature whatsoever, whether known or unknown. The Sackler Family Members hereby surrender all rights, interest in and Claim to any benefit under the Isosceles Insurance Ltd. policy number PPLP-01/2019, and acknowledge that (i) all rights, interest in and Claim to any benefit they may have under the Isosceles Insurance Ltd. policy number PPLP-01/2019 are fully terminated on the Effective Date; and (ii) after the Effective Date, the Sackler Family Members will not receive and cannot claim any further benefits under the Isosceles Insurance Ltd. policy number PPLP-01/2019 for any time period and shall have no rights whatsoever under or relating to the Isosceles Insurance Ltd. policy number PPLP-01/2019.

(l) **Institution and Maintenance of Legal and Other Proceedings.** As of the date upon which the Master Disbursement Trust is established, the Master Disbursement Trust shall be empowered to initiate, prosecute, defend and resolve all legal actions and other proceedings related to any Asset, liability or responsibility of the Master Disbursement Trust, including in respect of the MDT Causes of Action, the MDT Insurance Rights and the MDT Shareholder Rights. Such legal actions and other proceedings shall be limited solely to those required for the purposes of satisfying the responsibilities of the Master Disbursement Trust, including in respect of the MDT Causes of Action, the MDT Insurance Rights and the MDT Shareholder Rights. The Master Disbursement Trust shall be empowered to initiate, prosecute, defend and resolve all such actions in the name of the Debtors or their Estates, in each case if deemed necessary or appropriate by the MDT Trustees. The Master Disbursement Trust shall be responsible for the payment of all damages, awards, judgments, settlements, expenses, costs, fees and other charges incurred subsequent to the date upon which the Master Disbursement Trust is established arising from, or associated with, any legal action or other proceeding brought pursuant to the foregoing.

(m) **U.S. Federal Income Tax Matters Relating to the Master Disbursement Trust.** The Master Disbursement Trust is intended to be treated, and shall be reported, as a “qualified settlement fund” for U.S. federal income tax purposes and shall be treated consistently for state and local tax purposes, to the extent applicable. All parties (including, without limitation, Holders of Claims against or Interests in the Debtors, the Related Parties of such Holders, the Debtors, the Master Disbursement Trust, the MDT Trustees and the Creditor Trusts) shall report consistently with the foregoing. An MDT Trustee or the MDT Executive Director, as determined in accordance with the MDT Agreement, shall be the “administrator,” within the meaning of Treasury Regulations section 1.468B-2(k)(3), of the Master Disbursement Trust. The administrator of the Master Disbursement Trust shall be responsible for filing all tax returns of the Master Disbursement Trust and the payment, out of the Assets of the Master Disbursement Trust, of any taxes due by or imposed on the Master Disbursement Trust. The MDT Trustees may request an expedited determination under section 505(b) of the Bankruptcy Code for all tax returns filed by or on behalf of the Master Disbursement Trust for all taxable periods through the dissolution of the Master Disbursement Trust. Nothing in this Section 5.6(l) shall be deemed to determine, expand or contract the jurisdiction of the Bankruptcy Court under section 505 of the Bankruptcy Code.

(n) **Distributions from the Master Disbursement Trust Free and Clear.**

All distributions made by the Master Disbursement Trust to the MDT Beneficiaries shall be made on no less than ten (10) Business Days' notice to all MDT Beneficiaries, and thereafter shall become the property of such MDT Beneficiary, free and clear of all Claims, Liens or other recourse or encumbrances, and shall not be subject to attachment, disgorgement or recoupment by any Person. Such distributions to each Creditor Trust shall become the property of such Creditor Trust, and shall be used for the administration (including the payment of Creditor Trust Operating Expenses) of such Creditor Trust, to make Distributions on account of Channeled Claims channeled to such Creditor Trust in accordance with the applicable Creditor Trust TDP and for such other purposes as may be specifically set forth in the applicable Creditor Trust Documents; *provided* that such ten (10) Business Days' notice period shall not be required for the Initial Private Creditor Trust Distributions or the Initial Public Creditor Trust Distributions.

(o) **Dissolution, Release of Reserves and Residual Value.**

The Master Disbursement Trust shall be dissolved and the MDT Trustees and the MDT Executive Director shall be discharged from their respective duties with respect to the Master Disbursement Trust upon completion of their duties as set forth in this Plan and the MDT Agreement, which, for the avoidance of doubt, shall be no earlier than the date on which (i) all Assets held by the Master Disbursement Trust, including the MDT Transferred Assets, have been liquidated and (ii) all payments and other distributions required to be made from the Master Disbursement Trust under the Plan and the MDT Agreement have been made, including payment in full in Cash of all MDT Claims, unless dissolution on an earlier date is authorized pursuant to a Final Order of the Bankruptcy Court. Upon dissolution of the Master Disbursement Trust, any Cash remaining in the MDT Operating Reserve or otherwise held by the Master Disbursement Trust shall be distributed in accordance with the MDT Priority Waterfall and the MDT Agreement; *provided* that, in the event the Master Disbursement Trust is dissolved prior to the payment in full in Cash of all MDT Claims, all outstanding amounts under such MDT Claims shall be deemed due and payable for purposes of the distribution of such remaining Cash pursuant to the MDT Priority Waterfall. Subject to the foregoing sentences, the Master Disbursement Trust shall be dissolved at such time as the MDT Trustees determine that the administration of any remaining assets of the Master Disbursement Trust is not likely to yield sufficient additional proceeds to justify further pursuit.

(p) **Exculpation and Indemnification of the MDT Trustees and MDT**

Executive Director. To the maximum extent permitted by applicable law, each of the MDT Trustees and the MDT Executive Director shall not have or incur any liability for actions taken or omitted in his or her capacity as an MDT Trustee or the MDT Executive Director, or on behalf of the Master Disbursement Trust, except those acts found by Final Order to be arising out of his or her willful misconduct, bad faith, gross negligence or fraud, and shall be entitled to indemnification, advancement and reimbursement for reasonable fees and expenses in defending any and all of his or her actions or inactions in his or her capacity as an MDT Trustee or the MDT Executive Director, or on behalf of the Master Disbursement Trust, and for any other liabilities, losses, damages, claims, costs and expenses arising out of or due to the implementation or administration of the Plan or the MDT Agreement, in each case, except for any actions or inactions found by Final Order to be arising out of his or her willful misconduct, bad faith, gross negligence or fraud. Any valid indemnification claim of the MDT Trustees or the MDT Executive Director shall be satisfied from the MDT Operating Reserve.

5.7 Creditor Trusts.

(a) **Establishment and Purpose of the Creditor Trusts.**

The Confirmation Order shall endorse and direct the establishment of the Creditor Trusts on or prior to the Effective Date in accordance with the terms of the respective Creditor Trust Documents. The Creditor Trusts shall be independent from the Holders of Claims against the Debtors, and shall be subject to the exclusive jurisdiction of the Bankruptcy Court (other than as specifically set forth in the Creditor Trust Documents).

The Creditor Trusts shall be established for the purposes described in this Plan and any other purposes more fully described in the Creditor Trust Documents. Each Creditor Trust shall, in each case, in accordance with the Plan, the Confirmation Order and the applicable Creditor Trust Documents:

- (i) hold, manage and invest all funds and other Assets received by such Creditor Trust from the Debtors, the Master Disbursement Trust and TopCo, as applicable (including, with respect to the Tribe Trust and NOAT, the TopCo Interests and the MDT Interests), in each case, for the benefit of the beneficiaries of such Creditor Trust;
- (ii) hold and maintain the Creditor Trust Operating Reserve of such Creditor Trust; and
- (iii) administer, process, resolve and liquidate Channeled Claims channeled to such Creditor Trust, in each case as provided in the applicable Creditor Trust Documents.

(b) **Role of the Creditor Trustees.** In furtherance of and consistent with the purposes of the Creditor Trusts and the Plan, the Creditor Trustees shall have the power and authority to perform all functions on behalf of the respective Creditor Trusts, subject to the Creditor Trust Documents for such Creditor Trusts. The Creditor Trustees shall undertake all administrative responsibilities as are provided in the Plan and the applicable Creditor Trust Documents. The Creditor Trustees shall be responsible for all decisions and duties with respect to the respective Creditor Trusts, subject to the Creditor Trust Documents for such Creditor Trusts. In all circumstances, each Creditor Trustee shall be independent and disinterested and, in its capacity as a Creditor Trustee, shall act in the best interests of the beneficiaries of such Creditor Trust, in furtherance of the purpose of such Creditor Trust and in accordance with this Plan and the applicable Creditor Trust Documents. In accordance with the Creditor Trust Documents, each Creditor Trustee shall serve in such capacity through the earlier of (x) the date that the applicable Creditor Trust is dissolved in accordance with the applicable Creditor Trust Documents and (y) the date such Creditor Trustee resigns, is terminated or is otherwise unable to serve for any reason.

(c) **Appointment of the Creditor Trustees and Creditor Trust Overseers.** In furtherance of and consistent with the purposes of the Creditor Trusts and the Plan, the Creditor Trust Documents for each of the Creditor Trusts shall provide for the appointment of the Creditor Trustees and, if applicable, Creditor Trust Overseers for each of the Creditor Trusts. The identity of the initial Creditor Trustees and the initial Creditor Trust Overseers shall be as disclosed in the Plan Supplement as of the date hereof, or shall otherwise be:

- (i) with respect to NOAT, selected by the Governmental Consent Parties, in consultation with the Debtors and pursuant to a selection process reasonably acceptable to the Debtors; *provided* that the DOJ shall have the right, in its discretion, to observe such selection process;
- (ii) with respect to the Tribe Trust, selected by the Native American Tribe Group with the consent of the Debtors (which consent shall not be unreasonably withheld, delayed or denied); and
- (iii) with respect to each of the following Private Creditor Trusts, selected as follows: (A) with respect to the TPP Trust, by the Third-Party Payor Group, (B) with respect to the NAS Monitoring

Trust, by the NAS Committee, (C) with respect to the Hospital Trust, by the Ad Hoc Group of Hospitals, (D) with respect to the PI Trust, by the Ad Hoc Group of Individual Victims; and (E) with respect to the PI Futures Trust, by the Creditors' Committee, in each case, with the consent of the Debtors (which consent shall not be unreasonably withheld, delayed or denied).

(d) **Abatement Distributions.** Each Abatement Trust shall, in accordance with the Plan, the Confirmation Order and the applicable Creditor Trust TDP for such Abatement Trust, make Abatement Distributions to Authorized Recipients for Authorized Abatement Purposes. The Creditor Trust TDP for each Abatement Trust shall provide that decisions concerning Abatement Distributions made by Abatement Trusts will consider the need to ensure that underserved urban and rural areas, as well as minority communities, receive equitable access to the funds. Any Domestic Governmental Entity entitled to an Abatement Distribution from NOAT that has reached a Statewide Abatement Agreement (as defined in the NOAT TDP) may elect to have such Abatement Distribution, or any portion thereof, paid to the Public Document Repository to the extent (x) set forth in the NOAT TDP and (y) consistent with such Statewide Abatement Agreement.

(e) **PI Trust Distributions.** The PI Trust shall, in accordance with the Plan, the Confirmation Order and the PI Trust Documents, make Distributions on account of Allowed PI Channeled Claims to Holders of such Allowed PI Channeled Claims, subject to the PI Trust Deductions and Holdbacks. The PI Trust shall establish the PI Trust NAS Fund and the PI Trust Non-NAS Fund, and shall deposit the NAS PI Portion into the PI Trust NAS Fund and the Non-NAS PI Portion into the PI Trust Non-NAS Fund, in each case, periodically as funds are received by the PI Trust. The PI Trust shall make Distributions on account of Allowed NAS PI Channeled Claims solely from the PI Trust NAS Fund in accordance with the NAS PI TDP, and shall make Distributions on account of Allowed Non-NAS PI Channeled Claims solely from the PI Trust Non-NAS Fund in accordance with the Non-NAS PI TDP, in each case, subject to the PI Trust Deductions and Holdbacks.

(f) **PI Futures Trust Distributions.** For so long as the PI Futures Trust has assets available to make Distributions to Holders of Allowed Future PI Channeled Claims, the PI Futures Trust shall, in accordance with the Plan, the Confirmation Order and the PI Futures Trust Documents, make Distributions on account of Allowed Future PI Channeled Claims to Holders of such Allowed Future PI Channeled Claims. Any amounts remaining in the PI Futures Trust upon the resolution of all Future PI Channeled Claims asserted against the PI Futures Trust on or before the sixth (6th) anniversary of the Effective Date and the payment of all Creditor Trust Operating Expenses of the PI Futures Trust shall be distributed pursuant to the Confirmation Order and in accordance with the PI Futures Trust Documents. **For the avoidance of doubt, no Future PI Channeled Claim shall be channeled to, attach to, be payable or otherwise compensable from, be eligible to receive a Distribution from, or have any recourse to, the PI Trust or the Assets of the PI Trust, including, but not limited to, the Initial PI Trust Distribution, the MDT PI Claim, any MDT Bermuda-Form Insurance Proceeds, the Creditor Trust Operating Reserve of the PI Trust or any entitlement to, or products, proceeds or profits of, any of the foregoing, prior to the establishment of, during the existence of or following the dissolution of, the PI Futures Trust or at any other time.** The Creditor Trust Operating Expenses of the PI Futures Trust shall be paid solely from the PI Futures Trust. Creditor Trust Operating Expenses of the PI Futures Trust, including any amounts due to or on behalf of the Creditor Trustee of the PI Futures Trust in respect of indemnification, advancement and reimbursement of amounts as described in Section 5.7(m) of the Plan, shall be paid on an ongoing basis with first priority before any Distributions are made from the PI Futures Trust to Holders of Allowed Future PI Channeled Claims. The Confirmation Order shall provide for the foregoing.

(g) **Rights of the Creditor Trustee for the TPP Trust under the LRP Agreement.** Pursuant to and in accordance with the LRP Agreement, the Creditor Trustee for the TPP Trust shall have the right (i) to inquire periodically with the Creditor Trustee for the PI Trust, the claims administrator appointed in respect of the PI Trust and the escrow agent for the TPP LRP Escrow Account as to whether the TPP LRP Escrow Account has been properly funded and payments therefrom are being made to the LRP Participating TPPs as required under the LRP Agreement, and to request evidence of the same and (ii) to seek entry of an order by the Bankruptcy Court enforcing the LRP Agreement, including the obligations to provide such information and evidence, in the event the Creditor Trustee for the TPP Trust reasonably believes that the TPP LRP Escrow Account has not been properly funded as required by the LRP Agreement, payments have not been made to LRP Participating TPPs as required by the LRP Agreement, and/or any of the Creditor Trustee for the PI Trust, the claims administrator appointed in respect of the PI Trust and the escrow agent for the TPP LRP Escrow Account is not responding to reasonable requests by the Creditor Trustee for the TPP Trust for such information and evidence.

(h) **Abatement Trust Monitoring and Reporting Obligations.** Each Abatement Trust shall (i) monitor the use of funds received by Abatement Distribution recipients in accordance with Authorized Abatement Purposes and (ii) prepare and deliver to the Master Disbursement Trust for publication annual reports on the disbursement and use of Abatement Distributions from such Abatement Trust and the compliance by Abatement Distribution recipients with the Authorized Abatement Purposes set forth in the applicable Abatement Trust Documents. In addition, NOAT shall (x) ensure that the Master Disbursement Trust and TopCo comply with their respective obligations to NOAT, including the enforcement of rights and agreements for the benefit of NOAT, (y) monitor the financial and other reports received from TopCo, NewCo, the Master Disbursement Trust and the States, and publish such reports on a publicly available website, as appropriate in the reasonable discretion of the Creditor Trustees of NOAT, and (z) prepare or direct the preparation of annual audited financial reports of NOAT to be filed with the Bankruptcy Court, delivered to the States and published on a publicly available website. For the avoidance of doubt, NOAT shall not be required to duplicate any reporting performed by the Master Disbursement Trust.

(i) **Assumption of Obligations and Liabilities.** In furtherance of the purposes of the Plan and the Creditor Trusts, pursuant to the Master TDP and subject to the applicable Creditor Trust Documents, each Creditor Trust shall (i) expressly assume sole and exclusive responsibility and liability for (A) the Channeled Claims channeled to such Creditor Trust in accordance with the Master TDP and (B) all Creditor Trust Operating Expenses of such Creditor Trust and (ii) have (A) the rights provided to such Creditor Trust in accordance with the Private Entity Settlements and Public Entity Settlements and (B) all defenses, cross-claims, offsets and recoupments regarding such Channeled Claims that the Debtors, the Released Parties and the Shareholder Released Parties, as applicable, have, or would have had, under applicable law, but solely to the extent consistent with the applicable Creditor Trust Documents and this Plan; *provided* that no such Claims, defenses or rights may be asserted against any Protected Party.

(j) **Administration of Channeled Claims and Creditor Trust TDPs.** Pursuant to the Master TDP, (i) all Non-Federal Domestic Governmental Channeled Claims will be administered by NOAT and resolved in accordance with, and to the extent provided in, the NOAT TDP, (ii) all Tribe Channeled Claims will be administered by the Tribe Trust and resolved in accordance with, and to the extent provided in, the Tribe TDP, (iii) all Third-Party Payor Channeled Claims will be administered by the TPP Trust and resolved in accordance with, and to the extent provided in, the TPP TDP, (iv) all Hospital Channeled Claims will be administered by the Hospital Trust and resolved in accordance with, and to the extent provided in, the Hospital TDP, (v) all NAS Monitoring Channeled Claims will be administered by the NAS Monitoring Trust and resolved in accordance with, and to the extent provided in, the NAS Monitoring TDP, (vi) all PI Channeled Claims will be administered by the PI Trust and resolved in

accordance with, and to the extent provided in, the PI TDP and (vii) all Future PI Channeled Claims will be administered by the PI Futures Trust and resolved in accordance with, and to the extent provided in, the PI Futures TDP. Each of the Creditor Trusts shall be funded in accordance with the Public Entity Settlements and the Private Entity Settlements, as applicable. The Creditor Trustees shall, in accordance with, and to the extent provided in, the applicable Creditor Trust TDPs, (y) determine the eligibility, amount and Allowance (if applicable) of such Channeled Claims; *provided* that, pursuant to the PI TDP and PI Futures TDP, personal injury or wrongful death claims against the Debtors held by claimants who “opt out” of the liquidation procedures of the PI TDP or the PI Futures TDP, as applicable, shall, in accordance with and subject to the terms of the PI TDP or the PI Futures TDP, as applicable, be liquidated in the tort system; and (z) make all determinations with respect to Distributions to be made by the respective Creditor Trusts. The foregoing determinations by the Creditor Trustees shall be final and binding, and shall not be subject to any challenge or review of any kind, by any court or other Person, except as set forth in the Creditor Trust TDPs. Distributions by the Creditor Trusts shall be the sole source of recovery, if any, in respect of Channeled Claims, and Holders of Channeled Claims shall have no other or further recourse to the Protected Parties; *provided* that the foregoing shall not diminish, or otherwise alter, the rights of LRP Participating TPPs under the LRP Agreement. Distributions made by each Abatement Trust shall be exclusively in the form of Abatement Distributions to Authorized Recipients for Authorized Abatement Purposes solely as permitted pursuant to the Creditor Trust TDP for such Abatement Trust.

(k) **Institution and Maintenance of Legal and Other Proceedings.** As of the date upon which each Creditor Trust is established, such Creditor Trust shall be empowered to initiate, prosecute, defend and resolve all legal actions and other proceedings related to any Asset, liability or responsibility of such Creditor Trust. Such legal actions and other proceedings shall be limited solely to those required for purposes of reconciling, administering or defending against the Channeled Claims channeled to such Creditor Trust and for enforcing the rights of such Creditor Trust under the Plan and the Plan Documents (including the rights of the Creditor Trustee for the TPP Trust specifically enumerated in the LRP Agreement). Each Creditor Trust shall be empowered to initiate, prosecute, defend and resolve all such actions in the name of the Debtors or their Estates, in each case if deemed necessary by the applicable Creditor Trustee to fulfill the purposes for which such Creditor Trust was created. Each Creditor Trust shall be responsible for the payment of all damages, awards, judgments, settlements, expenses, costs, fees and other charges incurred subsequent to the date upon which such Creditor Trust is established arising from, or associated with, any legal action or other proceeding brought pursuant to the foregoing. For the avoidance of doubt, each Creditor Trust, pursuant to section 1123(b)(3)(B) of the Bankruptcy Code and applicable state corporate law, is appointed as the successor-in-interest to, and representative of, the Debtors and their Estates for the retention, enforcement, settlement or adjustment of the applicable Channeled Claims channeled to such Creditor Trust.

(l) **Foundations.** On or before the Effective Date, the Continuing Foundation Members shall be appointed as the sole continuing members of each of the Foundations (for the avoidance of doubt, in accordance with the laws of its state of incorporation), without any other Persons having the right to become members or (except in the case of a court of competent jurisdiction) remove a Continuing Foundation Member without such Continuing Foundation Member’s consent and with the Continuing Foundation Members having full power and authority in accordance with the laws of such Foundation’s jurisdiction of incorporation to (y) remove and replace directors of each Foundation and (z) in conjunction with the directors of each Foundation, (recognizing that both members and directors for the avoidance of doubt shall remain subject to all relevant fiduciary duties in the administration of each Foundation), amend and restate the certificates of incorporation and by-laws of the Foundations in a manner consistent with applicable law and their continued recognition as organizations exempt from taxation under Section 501(c)(3) of the IRC. As a condition to appointment as members of the Foundations (unless otherwise agreed by the Debtors, the Governmental Consent Parties and counsel to the Newly Consenting States), the Continuing Foundation Members shall be required to: (i) submit to the concurrent jurisdiction

of the Bankruptcy Court with respect to the implementation of the Plan, (ii) confirm in writing that each Foundation and the Continuing Foundation Members' involvement with the same continues to be subject to the laws, and the jurisdiction of the courts, of its state of incorporation and (iii) agree to promptly amend (A) the purposes of the Foundations set forth in the certificates of incorporation of the Foundations (in accordance with the rules of the respective states of incorporation and which, in the case of the RBS Foundation, requires the approval of either (I) the Attorney General of the State of New York or (II) a justice of the Supreme Court of the New York judicial district in which the office of the Foundation is located), to be limited to purposes consistent with philanthropic and charitable efforts to ameliorate the opioid crisis, and (B) each Foundation's by-laws to require such Foundation's directors to coordinate its activities with the opioid abatement activities of the Public Creditor Trusts, unless the Public Creditor Trusts should, for any reason, determine that such coordination is not necessary or advisable.

(m) **Creditor Trust Operating Expenses.** The Creditor Trustees shall be entitled to reasonable compensation and to retain and reasonably compensate counsel and other professionals to assist in their duties without Bankruptcy Court approval, subject to the provisions of the applicable Creditor Trust Documents. Creditor Trust Operating Expenses of each Creditor Trust shall be satisfied and paid from such Creditor Trust's Creditor Trust Operating Reserve in accordance with the applicable Creditor Trust Documents. Periodically, until the dissolution of a Creditor Trust, the applicable Creditor Trustee will replenish the Creditor Trust Operating Reserve from Cash held or received by such Creditor Trust to the extent deemed necessary by such Creditor Trustee to satisfy and pay estimated future Creditor Trust Operating Expenses in accordance with the Creditor Trust Documents.

(n) **U.S. Federal Income Tax Matters Relating to the Creditor Trusts.** Each Creditor Trust (other than any Tribe Trust entity that is formed as a legal entity other than a trust) is intended to be treated, and shall be reported, as a "qualified settlement fund" for U.S. federal income tax purposes and shall be treated consistently for state and local tax purposes to the extent applicable. All parties (including, without limitation, Holders of Claims against or Interests in the Debtors, the Related Parties of such Holders, the Debtors, the Creditor Trustees, TopCo and the Master Disbursement Trust) will be required to report consistently with the foregoing for all applicable tax reporting purposes. A Creditor Trustee from each relevant Creditor Trust shall be the "administrator" within the meaning of Treasury Regulations section 1.468B-2(k)(3) of the applicable Creditor Trust. The administrator of each such Creditor Trust shall be responsible for filing all tax returns of the applicable Creditor Trust and the payment, out of the assets of such Creditor Trust, of any taxes due by or imposed on such Creditor Trust. Each Creditor Trustee may request an expedited determination of taxes under section 505(b) of the Bankruptcy Code for all tax returns filed by or on behalf of the applicable Creditor Trust for all taxable periods through the dissolution of such Creditor Trust. Nothing in this Section 5.7(n) shall be deemed to determine, expand or contract the jurisdiction of the Bankruptcy Court under section 505 of the Bankruptcy Code. Subject to guidance from the IRS, it is intended that NOAT's income shall be treated as exempt from U.S. federal income tax pursuant to IRC section 115, and shall be treated consistently for state and local tax purposes to the extent applicable.

(o) **Exculpation and Indemnification of the Creditor Trustees and the Creditor Trust Overseers.** To the maximum extent permitted by applicable law, each of the Creditor Trustees and Creditor Trust Overseers shall not have or incur any liability for actions taken or omitted in his or her capacity as a Creditor Trustee or Creditor Trust Overseer, or on behalf of the applicable Creditor Trust, except those acts found by Final Order to be arising out of his or her willful misconduct, bad faith, gross negligence or fraud, and shall be entitled to indemnification, advancement and reimbursement for reasonable fees and expenses in defending any and all of his or her actions or inactions in his or her capacity as a Creditor Trustee or Creditor Trust Overseer, or on behalf of the applicable Creditor Trusts, and for any other liabilities, losses, damages, claims, costs and expenses arising out of or due to the implementation or administration of the Plan or the applicable Creditor Trust Agreement, in each case, except for any actions

or inactions found by Final Order to be arising out of his or her willful misconduct, bad faith, gross negligence or fraud. Any valid indemnification claim of any of the Creditor Trustees or Creditor Trust Overseers shall be satisfied from the respective Creditor Trusts.

(p) **Dissolution of the Creditor Trusts.** Each Creditor Trust shall be dissolved and the applicable Creditor Trustee shall be discharged from its duties with respect to such Creditor Trust upon completion of its duties and the satisfaction of the purposes of the Creditor Trust as set forth in this Plan and the applicable Creditor Trust Documents; provided, however, that the PI Futures Trust shall be dissolved and the Creditor Trustee of the PI Futures Trust shall be discharged of his or her duties with respect to the PI Futures Trust reasonably promptly following the earlier of (i) the distribution of all monies from the PI Futures Trust and (ii) the resolution of all Future PI Channeled Claims asserted against the PI Futures Trust on or before the sixth (6th) anniversary of the Effective Date and the payment of all Creditor Trust Operating Expenses of the PI Futures Trust.

5.8 Attorneys' Fees and Costs.

(a) **Local Government and Tribe Costs and Expenses.** On the Effective Date, the Local Government and Tribe Costs and Expenses Fund shall be established for the payment of costs and expenses (including attorneys' fees) of Holders of Non-Federal Domestic Governmental Channeled Claims (other than States) and Holders of Tribe Channeled Claims (including any ad hoc group consisting of any of the foregoing), other than amounts paid pursuant to the AHC Reimbursement Agreement Assumption Order and MSGE Group Reimbursement Order. The Local Government and Tribe Costs and Expenses Fund shall be funded in an aggregate amount not to exceed \$275 million from periodic distributions of 5.5% of each Public Creditor Trust Distribution. Payments from the Local Government and Tribe Costs and Expenses Fund shall be the exclusive means of payment from the Creditor Trusts for costs and expenses (including attorneys' fees) of any Holder of a Non-Federal Domestic Governmental Channeled Claim (other than a State) or a Holder of a Tribe Channeled Claim (or any ad hoc group consisting of any of the foregoing) or any attorney therefor, other than amounts paid in accordance with the order of the MDL Court establishing the Common Benefit Fund. Except as otherwise agreed in writing by the MSGE Group and the MDL Plaintiffs' Executive Committee the MSGE Fee Allocation Agreement shall be and remain fully enforceable and shall apply to the Local Government and Tribe Costs and Expenses Fund; *provided* that the costs associated with the arbitration process contemplated under the MSGE Fee Allocation Agreement shall not be paid by the Debtors, their Estates or any Creditor Trust. All modifications of the Local Government and Tribe Costs and Expenses Fund that directly impacts reimbursement of costs and expenses of Holders of Tribe Channeled Claims shall be reasonably acceptable to the Native American Tribe Group.

(b) **State Costs and Expenses.** On the Effective Date, the State Costs and Expenses Fund shall be established for the payment of costs and expenses (including attorneys' fees) of the States (including any ad hoc group thereof), other than amounts paid pursuant to the AHC Reimbursement Agreement Assumption Order. The State Costs and Expenses Fund shall be funded in an aggregate amount not to exceed \$225 million from periodic distributions of 4.5% of each Public Creditor Trust Distribution. Payments from the State Costs and Expenses Fund shall be the exclusive means of payment from the Creditor Trusts for costs and expenses (including attorneys' fees) of any State (or any ad hoc group thereof) or any attorney therefor, other than amounts paid in accordance with the order of the MDL Court establishing the Common Benefit Fund.

(c) **Common Benefit Fund Assessments.** On the Effective Date, a Common Benefit Escrow shall be established and funded by assessments of (i) 5% of each Distribution made by the Private Creditor Trusts (other than the NAS Monitoring Trust), (ii) 5% of each distribution made by the Master Disbursement Trust to the NAS Monitoring Trust, (iii) 5% of the Public Schools' Special Education

Initiative Contribution (after deducting the amounts dedicated for out-of-pocket litigation expenses as described in Section 5.8(h)(i)) and (iv) 5% of the Truth Initiative Contribution. Such assessments will be paid to the Common Benefit Escrow and then, upon its establishment, directly to the Common Benefit Fund established by the MDL Court. Assessments from the Private Creditor Trusts shall be paid on periodic schedules for each Private Creditor Trust acceptable to the Governmental Consent Parties, the Ad Hoc Group of Hospitals, the Third-Party Payor Group, the NAS Committee and the Ad Hoc Group of Individual Victims, as applicable. The assessments payable by the Public Schools' Special Education Initiative shall be deducted from and paid at the time of the fee award described in Section 5.8(h)(ii). The amounts in the Common Benefit Escrow shall be held in escrow until an order is entered by the MDL Court establishing a Common Benefit Fund, at which time the amounts held by the Common Benefit Escrow and all subsequent assessments of 5% of each Distribution made by the Private Creditor Trusts shall be transferred to and distributed in accordance with the order of the MDL Court establishing the Common Benefit Fund. To the extent a Holder of a Hospital Channeled Claim, a Third-Party Payor Channeled Claim, an NAS Monitoring Channeled Claim, an NAS PI Channeled Claim or a Non-NAS PI Channeled Claim (or any ad hoc group consisting of Holders of any of the foregoing) has retained counsel through a contingency fee arrangement, any contingency fees owed to such contingency counsel payable from Distributions under the Plan shall be reduced by the full amount payable under this Section 5.8(c).⁴ However, the applicable Holder and its counsel, in their sole discretion, may agree that an amount up to but not exceeding 40% of the amount payable under this Section 5.8(c) may be applied to the reimbursement of actual costs and expenses incurred by such Holder's counsel, in which case such agreed cost-reimbursement amount shall not reduce the contingency fee amounts payable to such counsel. For the avoidance of doubt, if the Debtors, the Ad Hoc Committee or the MSGE Group agrees to any reduced or less restrictive terms concerning the 5% Common Benefit Fund assessment (or its implementation) provided under any portion of this Section 5.8(c) (or any portion of Section 5.8) for any of the Ad Hoc Group of Hospitals, the Third-Party Payor Group, the NAS Committee or the Ad Hoc Group of Individual Victims, then such modification shall apply to each of such groups, *mutatis mutandis*.

(d) **Hospital Costs and Expenses.** On the Effective Date, the Hospital Attorney Fee Fund shall be established for the payment of attorneys' fees and costs of the Ad Hoc Group of Hospitals with respect to Hospital Channeled Claims. The Hospital Attorney Fee Fund shall be funded with (i) 20% of each Abatement Distribution made by the Hospital Trust to Holders of Hospital Channeled Claims that have not retained (or are not part of an ad hoc group that has retained), on or before the General Bar Date as reflected in a timely filed Proof of Claim or representation to the Hospital Trust in accordance with the Hospital TDP, separate counsel through an individual contingency fee arrangement *less* (ii) the amount of such Distributions payable to the Common Benefit Escrow and the Common Benefit Fund under Section 5.8(c). The Hospital Attorney Fee Fund shall be administered by the Hospital Trust on terms acceptable to the Ad Hoc Group of Hospitals.

(e) **NAS Monitoring Claimant Costs and Expenses.** On the Effective Date, the NAS Monitoring Attorney Fee Fund shall be established for the payment of attorneys' fees and costs of the NAS Committee with respect to NAS Monitoring Channeled Claims. The NAS Monitoring Attorney Fee Fund shall be funded with (i) 20% of each distribution made by the Master Disbursement Trust to the NAS Monitoring Trust *less* (ii) the amount of such Distributions payable to the Common Benefit Escrow and the Common Benefit Fund under Section 5.8(c). Reasonable expert costs incurred by the NAS Committee in the formation of the abatement plan for the NAS Monitoring Trust shall also be paid by the

⁴ For the avoidance of doubt, any amount payable to counsel to the Ad Hoc Group of Individual Victims on an hourly basis (including incremental amounts in consideration of deferring payment of hourly fees) shall not constitute a "contingency fee," and the agreement in respect thereof shall not constitute a "contingency fee arrangement," in each case for purposes of Section 5.8 of the Plan.

NAS Monitoring Trust, and, for the avoidance of doubt, (x) there shall be no amounts payable to the Common Benefit Escrow or the Common Benefit Fund on account of such cost reimbursements and (y) the 20% limitation on attorneys' fees shall not apply to the foregoing reasonable expert costs. The NAS Monitoring Attorney Fee Fund shall be administered by the NAS Monitoring Trust on terms acceptable to the NAS Committee.

(f) **Ratepayer Costs and Expenses.** On the Effective Date, the attorneys' fees of the Ratepayer Mediation Participants shall be paid from (i) 20% of the Truth Initiative Contribution *less* (ii) the amount of the Truth Initiative Contribution payable to the Common Benefit Escrow under Section 5.8(c).

(g) **PI Claimant Costs and Expenses.** The Creditor Trustee of the PI Trust shall pay or reimburse, as applicable, the compensation, costs and fees of professionals that represented or advised the Ad Hoc Group of Individual Victims and the NAS Committee in connection with the Chapter 11 Cases, as and to the extent provided in the PI Trust Agreement and subject to Bankruptcy Court approval of such compensation, costs and fees as provided in the Confirmation Order. Such compensation, costs and fees paid or reimbursed, as applicable, by the PI Trust shall be deducted from Distributions from (i) the PI Trust NAS Fund to Holders of Allowed NAS PI Channeled Claims and (ii) the PI Trust Non-NAS Fund to Holders of Allowed Non-NAS PI Channeled Claims, in each case pursuant to the PI Trust Documents. Nothing in this Section 5.8 shall impair or otherwise affect any fee contract that is not a contingency fee contract between the Ad Hoc Group of Individual Victims and its professionals, or between the NAS Committee and its professionals.

(h) **Public Schools' Costs and Expenses.** From the Public Schools' Special Education Initiative Contribution, the Public Schools' Special Education Initiative shall:

- (i) dedicate an amount of \$500,000 for payment or reimbursement, as applicable, of the out-of-pocket litigation expenses, such as for special bankruptcy counsel and expert fees and expenses, of professionals that represented or advised the Public School District Claimants to be computed based upon reasonable hourly rates and costs incurred, and not to include any premium to reasonable hourly rates, and subject to Bankruptcy Court approval of such litigation expenses as provided in the Confirmation Order; and
- (ii) pay or reimburse, as applicable, the reasonable attorneys' fees and litigation costs of the Public School District Claimants' putative class counsel in an amount determined by mediator Layn Phillips or Ken Feinberg in accordance with the terms of the term sheet attached to the *Notice of Filing of Special Education Initiative Term Sheet* [D.I. 3120], in an amount not to exceed such class counsel's contractual contingency fee of 25% of the Public Schools' Special Education Initiative Contribution, and subject to Bankruptcy Court approval of such litigation expenses as provided in the Confirmation Order, *less* the amount payable to the Common Benefit Escrow under Section 5.8(c).

(i) **No Impairment of Contingency Fee Contracts; No Further Assessment.** Except as expressly set forth in this Section 5.8, nothing in the Plan shall impair or otherwise affect any contingency fee contract between any Holder of a Claim (or any ad hoc group of Holders of Claims) and such Holder's (or ad hoc group's) counsel. In this regard, the payment of the assessments

described in this Section 5.8 shall be the only payment that such Holders (or their counsel) shall ever have to make to the Common Benefit Fund with respect to amounts distributed under this Plan, and shall not be subject to any further or other common benefit or similar assessments with respect to amounts distributed pursuant to the Plan or payments to attorneys in respect thereof.

5.9 Transferability of Distribution Rights.

Any right to receive a Distribution or other payment from the Plan Administration Trust (including any PAT Distribution Account or PAT Reserve), a Creditor Trust or the Master Disbursement Trust (including the MDT Claims Reserve) shall not be evidenced by any certificate, security, receipt or in any other form or manner whatsoever, except on the books and records of the Plan Administration Trust (as maintained by the Plan Administration Trustee), the applicable Creditor Trust (as maintained by the applicable Creditor Trustees) or the Master Disbursement Trust (as maintained by the MDT Trustees), as applicable. Further, any right to receive a Distribution or other payment from the Plan Administration Trust (including any PAT Distribution Account or PAT Reserve), a Creditor Trust or the Master Disbursement Trust (including the MDT Claims Reserve) shall be nontransferable and nonassignable except by will, intestate, succession or operation of law or as otherwise provided in the Plan, the applicable Creditor Trust Documents or the MDT Agreement. Any rights to receive a Distribution or other payment from the Plan Administration Trust (including any PAT Distribution Account or PAT Reserve), a Creditor Trust or the Master Disbursement Trust (including the MDT Claims Reserve) shall not constitute “securities” and shall not be registered pursuant to the Securities Act. If it is determined that such rights constitute “securities,” the exemption provisions of section 1145(a)(1) of the Bankruptcy Code would be satisfied and such securities would be exempt from registration.

5.10 Insurance Neutrality.

Nothing in the Plan, the Plan Documents or the Confirmation Order shall alter, supplement, change, decrease or modify the terms (including conditions, limitations and/or exclusions) of the Purdue Insurance Policies, including the MDT Insurance Policies; *provided* that, notwithstanding anything in the foregoing to the contrary, the enforceability and applicability of the terms (including conditions, limitations and/or exclusions) of the Purdue Insurance Policies, including the MDT Insurance Policies, and thus the rights or obligations of any of the Insurance Companies, the Debtors and the applicable post-Effective Date Entities, including the Master Disbursement Trust, arising out of or under any Purdue Insurance Policy, including any MDT Insurance Policy, whether before or after the Effective Date, are subject to the Bankruptcy Code and applicable law (including any actions or obligations of the Debtors thereunder), the terms of the Plan and the Plan Documents, the Confirmation Order (including the findings contained therein or issued in conjunction therewith, including but not limited to any findings pursuant to Sections 5.2 and 5.6(i) of the Plan) and, to the extent the Insurance Companies have or had adequate notice from any source, any other ruling made or order entered by the Bankruptcy Court whether prior to or after the Confirmation Date. For the avoidance of doubt, nothing contained in the Plan, the Plan Documents or the Confirmation Order shall operate to require any Insurance Company to pay under any Purdue Insurance Policy the liability of any Person that was not an insured prior to the Petition Date.

5.11 Transfer of Books and Records; Cooperation; Privilege.

(a) **Transfer of Books and Records to NewCo and the Plan Administration Trust.** Except with respect to Excluded Assets, all documents, books and records of the Debtors shall be transferred and assigned to NewCo on or prior to the Effective Date pursuant to the NewCo Transfer Agreement; *provided* that, from and after the date of such transfer, the Plan Administration Trustee shall have the right to retain copies of all transferred documents, books and records and NewCo shall permit the Plan Administration Trustee and its counsel and representatives to have full access to such transferred documents, books and records. All documents, books and records of the Debtors that are

Excluded Assets shall be transferred and assigned to the Plan Administration Trust; *provided* that, except for the Excluded Privileged Materials, NewCo shall receive copies of all documents, books and records of the Debtors that are Excluded Assets. Any documents transferred under this Section 5.11(a) that are documents that were produced to the Debtors by Shareholder Released Parties in connection with Purdue Legal Matters shall continue to remain subject to the terms of the Protective Order and any order of the Bankruptcy Court or provision of this Plan affording confidentiality protections to such documents, unless such documents are included in the Public Document Repository in accordance with the Plan and the Shareholder Settlement Agreement.

(b) **Cooperation with the Master Disbursement Trust and the Creditor Trusts.** On the Effective Date or as soon as reasonably practicable thereafter, the Debtors shall transfer and assign, or cause to be transferred and assigned, (i) to the MDT Trustees, (A) copies of all MDT Insurance Policies, (B) information and copies of documents, including books and records of the Debtors that reasonably relate to (I) any Claims previously noticed, tendered or submitted or paid by any Insurance Company under the MDT Insurance Policies and (II) any MDT Causes of Action, and (C) other information and copies of all other documents, including books and records of the Debtors that are reasonably necessary to preserve, secure or obtain the benefit of the MDT Insurance Rights, pursue the MDT Causes of Action or liquidate any other MDT Transferred Assets and (ii) to each Creditor Trust, a copy of the Proofs of Claims for Channeled Claims channeled to such Creditor Trust. Subject to Section 5.11(c) of the Plan, the materials to be provided pursuant to this Section 5.11(b) include those in the possession of the Debtors' current and former insurance coverage counsel. On and after the Effective Date, the Plan Administration Trustee and NewCo may maintain their respective documents, books and records in accordance with their respective document retention policies set forth in the PAT Agreement and the NewCo Operating Agreement, respectively. Prior to the Effective Date, the Debtors shall use reasonable best efforts to provide the Creditors' Committee and the Governmental Consent Parties reasonable access to current employees and professionals of the Debtors (including insurance brokers) with knowledge concerning the information and documents to be provided to the Master Disbursement Trust under this Section 5.11(b), and, after the Effective Date, NewCo shall use best efforts to provide the Master Disbursement Trust reasonable access to employees and professionals of NewCo with knowledge concerning such information and documents and to facilitate access to former employees and professionals of the Debtors (including insurance brokers). The Plan Administration Trustee and NewCo shall respond to reasonable requests of (x) the MDT Trustees for information and documents related to the MDT Insurance Rights, the MDT Causes of Action or otherwise, in each case to the extent reasonably necessary for the administration of the Master Disbursement Trust, and (y) each Creditor Trustee for information and documents relating to the applicable Channeled Claims or otherwise, in each case to the extent reasonably necessary for the administration of the applicable Creditor Trust. In the event of any dispute between the MDT Trustees and NewCo regarding the delivery of information or documents requested pursuant to clause (x) of the foregoing sentence, the MDT Trustees shall have the right to request intervention by the TopCo Managers to resolve any such dispute.

(c) **Privilege.** The transfer or assignment of information and copies of documents, including books and records, in accordance with this Section 5.11, shall not result in the destruction or waiver of any applicable Privileges. On the Effective Date, all Privileges in connection with the information or documents transferred in accordance with this Section 5.11 shall be transferred to, and vest exclusively in, NewCo, the MDT Trustees, the Plan Administration Trustee and the Creditor Trustees in accordance herewith. Further, with respect to the transfer of Privileges to the MDT Trustees and the Creditor Trustees, such Privileges shall (i) be transferred to such MDT Trustees and Creditor Trustees for the purpose of enabling such Persons to perform their respective duties as set forth in the Plan or in the MDT Agreement or the applicable Creditor Trust Documents and for no other reason, (ii) vest solely in the MDT Trustees and the Creditor Trustees and not in the Master Disbursement Trust or the Creditor Trusts, or any other committee or subcomponent of the Master Disbursement Trust or the Creditor Trusts, or any

other Person (including counsel and other professionals) who is (or has been engaged by, represents or has represented) any Holder of a Claim against or Interest in the Debtors or any Person that alleges or may allege a Claim, directly or indirectly, relating to or arising out of the Debtors' Products or operations and (iii) be preserved and not waived as a result of such transfer. For the avoidance of doubt, any such transfer shall have no effect on any right, Claim or Privilege of any Person other than the Debtors. No information subject to a Privilege shall be disclosed or communicated by the MDT Trustees or the Creditor Trustees (x) to any Person not entitled to receive such information, including for the avoidance of doubt any Person (including counsel and other professionals) who is (or has been engaged by, represents or has represented) any Holder of a Claim against or Interest in the Debtors or any Person that alleges or may allege a Claim, directly or indirectly, relating to or arising out of the Debtors' Products or operations or (y) for any reason or in any manner other than as necessary for such Persons to perform their respective duties as set forth in the Plan or in the MDT Documents or the applicable Creditor Trust Documents. Notwithstanding the foregoing, nothing herein shall preclude the MDT Trustees from providing information or documents received pursuant to this Section 5.11 to any Insurance Company as necessary to preserve, secure or obtain the benefit of the MDT Insurance Rights.

5.12 Public Document Repository.

(a) **Summary.** The document disclosure program provided in this Plan will lead to the public disclosure of the most significant documents about Purdue, the Sackler family and the opioid crisis, including video depositions and millions of documents that Purdue produced in investigations and litigation over the past two decades. In addition, it will lead to the public disclosure of millions of documents not previously available to the public, including documents not previously produced in any investigation or litigation and certain privileged documents from the years when Purdue developed and promoted OxyContin, as identified below. The document disclosure program and Public Document Repository will be conducted in a way to maximize public confidence and public access and will set a new standard for transparency.

(b) **DOJ Repository Obligation.** The Debtors bear sole responsibility for complying with the DOJ document repository obligation set forth in the Plea Agreement ("**DOJ Repository Obligation**"), and the DOJ Repository Obligation is not modified by this Plan. Similarly, the Debtors' satisfaction of the DOJ Repository Obligation shall not diminish the additional commitment to disclosure provided by this Plan. Instead, the public shall receive the full benefit of both, and the Public Document Repository shall contain the full set of documents that the Debtors have agreed to host under the DOJ Repository Obligation.

(c) **Disclosure Oversight Board.** As described further below, the disclosure program provided in this Plan shall be overseen by the DOB created on the Confirmation Date, consisting of up to three (3) representatives appointed by each of the Ad Hoc Committee, the Non-Consenting States Group, the Creditors' Committee and the MSGE Group and one (1) representative appointed by the Native American Tribe Group. No current or former director, officer, employee or attorney of the Debtors shall serve on the DOB or oversee the disclosure program.

(d) **Purdue Legal Matters.** As described further below, important material for the disclosure program is contained in documents that the Debtors preserved, collected, logged and produced in connection with investigations and litigation about Purdue's opioid business. Many non-privileged documents were produced in those matters, and many privileged documents were identified and logged. This Section 5.12 provides for the disclosure of many documents from the Purdue Legal Matters, which is a broad set of investigations and litigation defined in the Plan.

(e) **Disclosure Program Budget.** As described further below, the disclosure program is designed to avoid unnecessary expense, including by employing an unpaid volunteer oversight

board and by using negotiated agreements to avoid the need for litigation. The disclosure program shall be funded in an aggregate amount of \$44 million, which shall be paid in the following installments: (i) \$2 million on the Effective Date, (ii) \$11 million on the first Scheduled MDT Distribution Date, (iii) \$11 million on the second Scheduled MDT Distribution Date, (iv) \$10 million on the third Scheduled MDT Distribution Date and (v) \$10 million on the fourth Scheduled MDT Distribution Date (collectively, the “**Disclosure Program Budget**”). The Disclosure Program Budget shall be spent at the direction of the DOB. In addition, as provided in the Plan, Domestic Governmental Entities may elect (but are not required) to direct portions of their distributions to the Public Document Repository under terms provided in the Plan. Moreover, the DOB shall be permitted, but not required, to coordinate its work on this disclosure program with the work of state Attorneys General on related disclosures in the opioid industry, in a manner that reduces the costs and increases the benefits of this disclosure program. Finally, to make efficient use of the knowledge and expertise of the Debtors and their professionals, the Plan provides for significant materials to be collected by the Effective Date, or as soon as reasonably practicable thereafter, as described further below. For the avoidance of doubt, the Public Document Repository shall not be owned, held, administered or operated by the DOB, the Master Disbursement Trust or any Creditor Trust; the role of the DOB is to develop and oversee a temporary program to set up the appropriate Public Document Repository and achieve the goals of the disclosure program.

(f) **Access Materials.** On the Effective Date, or as soon as reasonably practicable thereafter, the DOB shall be provided access to a set of non-privileged materials for the purpose of accomplishing the Public Document Repository (collectively, the “**Access Materials**”). These Access Materials shall include:

- (i) all transcripts and audio or video recordings of depositions taken in the Purdue Legal Matters, together with the exhibits to those depositions;
- (ii) all documents produced by the Debtors in the Purdue Legal Matters (which comprise more than thirteen million documents and more than one hundred million pages);
- (iii) the non-privileged documents from the Relativity Database (as defined below) (which are estimated to comprise more than twenty million additional documents beyond those produced in the Purdue Legal Matters);
- (iv) all privilege logs regarding documents withheld by the Debtors in the Purdue Legal Matters; and
- (v) documents obtained during the Chapter 11 Cases by the NAS Committee regarding clinical and pre-clinical studies conducted by the Debtors or other companies associated with the Sackler Family Members.

(g) **Debtors’ Relativity Database.** In the course of the Purdue Legal Matters, the Debtors collected a significant set of documents that are stored in a Relativity database (the “**Relativity Database**”). This collection includes files from more than two hundred custodians who played important roles at Purdue, including every Sackler Family Member who sat on the board or worked at the company. It also includes non-custodial documents, such as collections from electronic drives and paper archives. The custodial and non-custodial documents collected for the Relativity Database are from files that Purdue has preserved pursuant to broad document preservation policies in place for over twenty years, including from an email archive containing emails dating to the 1990s. Pursuant to the terms

provided in this Section 5.12, materials from the Relativity Database created before February 2018 will be available for the disclosure program as described above.

(h) **Additional Collections.** On or before the Effective Date, the DOB will identify to the Debtors the additional custodians whose documents should be collected, to the extent possible, from the email archive and other preserved files, and the Debtors will load those files into the Relativity Database for inclusion as Access Materials or Sequestered Materials, as applicable.

(i) **Sequestered Materials.** On the Effective Date, or as soon as reasonably practicable thereafter, the Debtors shall provide the Plan Administration Trust with certain Privileged documents, described below, collected by the Debtors during the course of the Purdue Legal Matters and stored in the Relativity Database (“*Sequestered Materials*”), to be preserved for access by the DOB. The provision of the Sequestered Materials to the Plan Administration Trust shall not constitute a waiver of any applicable privileges, and, for clarity, no waiver of any applicable Privilege shall occur prior to the Sequestration Date (as defined below). The Sequestered Materials are estimated to include hundreds of thousands of documents. To leverage efficiencies, the Debtors’ current document review teams with experience reviewing Purdue’s documents for privilege will screen and review, as necessary, all documents currently in the Relativity Database for Privilege, attorney work product, confidentiality, the Health Insurance Portability and Accountability Act or similar state or federal statute and critical business information before turning over documents as Access Materials or as Sequestered Materials. The DOB will aid the Debtors’ document review team in setting parameters and search terms to effectuate accurate screening and review. The DOB may, confidentially and subject to privilege, request and be provided with information, and, as necessary, an appropriate, expert-aided statistically valid sampling of the relevant documents or other methodologies to aid in the foregoing review under an appropriate protective order and non-waiver agreement.

(i) Subject to the Sequestration Date, the Debtors agree to waive attorney client and work product privilege over documents created before May 1, 2014 (“*Cutoff Date*”) that fall within the following categories:

(A) Marketing materials, promotional materials and sales strategies. This will include, for example, legal advice on: marketing and promotional materials as part of the medical, regulatory, legal review process and other reviews of statements in promotional and marketing materials to ensure consistency with a product’s labeling and legal requirements; sales training materials (such as how to instruct the sales team on what they can and cannot say about the products); review of all call notes and whether statements on sales calls were appropriate; call planning; and sales bulletins. For the avoidance of doubt, “sales strategies” in this paragraph includes documents related to (I) medical liaisons, (II) continuing medical education, (III) the evolve to excellence program, (IV) Purdue’s interactions with medical advocacy groups, and (V) legal advice regarding the performance, selection, retention, management and compensation of personnel in sales and marketing;

- (B) Materials reflecting legal advice on submissions to the FDA and compliance with FDA regulations. This will include, for example, advice on the decision to reformulate OxyContin, advice on interactions and communications with FDA and advice on FDA requirements;
 - (C) Legal advice regarding distributions to or for the benefit of the Sackler Family Members;
 - (D) Legal advice regarding the organization or function of the board of directors;
 - (E) Legal advice regarding grants, gifts and other payments with respect to naming rights of Purdue and its shareholders;
 - (F) Legal advice regarding the performance, selection, retention, management and compensation of the CEO of Purdue Pharma;
 - (G) Legal advice regarding Purdue's interactions with state licensing boards and the federation of state medical boards;
 - (H) Legal advice regarding Purdue's interactions with key opinion leaders, advisory boards and treatment guidance;
 - (I) Legal advice regarding advocacy before the United States Congress or a state legislative branch with respect to OxyContin;
 - (J) Employment records and files created before the Cutoff Date pertaining to employment terminations or disciplinary actions related to opioid sales and marketing, including documents created before the Cutoff Date pertaining to internal investigations of personnel related to marketing of opioids, in all cases subject to applicable federal and state privacy and similar laws with respect to employees and with any redactions necessary to comply therewith; and
 - (K) To the extent provided during the time period while the corporate integrity agreement was in effect, legal advice regarding compliance with the corporate integrity agreement entered into between Purdue and the DOJ.
- (ii) Subject to the Sequestration Date, below, the Debtors agree to waive attorney client and work product privilege over the following categories of documents:

- (A) Documents reflecting law department reviews of, and decisions regarding, health care providers and pharmacies pursuant to Purdue's abuse and diversion detection, order monitoring system and suspicious order monitoring programs, which will have been or will be provided to the DOJ under a June 2019 non-waiver agreement;
 - (B) Documents created before February 2018 reflecting legal review, analysis and advice with respect to advice received from McKinsey & Company related to the sale and marketing of opioids; and
 - (C) Documents created before June 30, 2017 reflecting legal review, analysis and advice with respect to Practice Fusion.
- (iii) To the extent documents subject to any of the foregoing waivers were previously logged on a privilege log in a Purdue Legal Matter, the Debtors shall provide the DOB with amended privilege logs that indicate the entries being produced pursuant to these waivers. For the avoidance of doubt, Privileged communications (during the applicable time periods set forth in Section 5.12(i)(i) and (ii)) about interactions with the media with respect to subject matters that are otherwise waived herein are included in such waivers.
- (iv) Nothing herein shall waive any third-party privilege or other rights, whether arising from a joint defense agreement, common interest privilege or otherwise, to which any document described in Section 5.12(i)(i) and (ii) is subject and which the Debtors do not have authority to waive. The Debtors will provide the DOB with privilege logs reflecting documents subject to such third-party privileges and rights that are identified in the course of identifying and compiling the Sequestered Materials. No documents subject to such third-party privileges and rights shall be included in the Public Document Repository, absent appropriate resolution of such third parties' rights and privileges. Further, no waiver of Privilege described herein shall be construed as subject matter waiver. Subject to the foregoing, the Debtors, the Creditors' Committee, the Governmental Consent Parties and the Newly Consenting States shall work together in good faith to ensure that all documents consistent with the Sequestered Material categories shall be available to the DOB for potential inclusion in the Public Document Repository in accordance with this Section 5.12.

(j) **Protection of the Privilege.** For the avoidance of doubt, the Debtors do not waive any Privilege and do not agree to provide as Sequestered Materials for the Public Document Repository any Privileged documents or communications not otherwise identified in Section 5.12(i)(i) and (ii). Such Privileged documents and communications not otherwise identified in Section 5.12(i)(i) and (ii) shall be removed from the Relativity Database and separately preserved, and shall not be eligible for the

Public Document Repository at any time. All Privileged documents removed from the Relativity Database, and not included in the Sequestered Materials described above, will be provided to the Plan Administration Trust, separately from the Sequestered Materials. The Plan Administration Trust will retain these materials for the period described in Section 5.12(z). For clarity, except for the Sequestered Materials identified in Section 5.12(i)(i) and (ii), the Debtors shall not intentionally provide the Master Disbursement Trust or the DOB with access to any documents or content of documents that are Privileged. In the event that the Debtors inadvertently provide the Master Disbursement Trust or the DOB with access to Privileged documents except for those documents identified in Section 5.12(i)(i) and (ii), that inadvertent provision shall not operate as a waiver of the Privilege, and, upon discovery, the DOB and/or the Master Disbursement Trust, as applicable, must promptly take steps to return the documents to the Plan Administration Trust or destroy such documents.

(k) **Sequestration Date.** On January 1, 2025, the Plan Administration Trust shall deliver the Sequestered Materials to the Host Institution (the “*Sequestration Date*”). Those materials shall be made available for assessment by the DOB and disclosure in the Public Document Repository, subject to the other provisions of this Section 5.12. The Host Institution may add Sequestered Materials to the Public Document Repository on the earlier of June 30, 2025 and the date after January 1, 2025 on which the MDT Claims are paid in full under the Plan.

- (l) **Responsibilities of the DOB.** The DOB shall be responsible for:
- (i) accomplishing prompt, broad, permanent, public disclosure of millions of the Debtors’ documents via the Public Document Repository in accordance with this Section 5.12 to allow the public to examine the Debtors’ role in the opioid crisis;
 - (ii) engaging with survivors, advocates, journalists, scholars, policymakers and others to ensure that the disclosure program serves the public;
 - (iii) directing the use of the Disclosure Program Budget;
 - (iv) establishing protections for Protected Information, as described below;
 - (v) establishing procedures for resolution of challenges to the redaction or disclosure of information, as described below;
 - (vi) overseeing the Host Institution’s implementation of the disclosure program;
 - (vii) coordinating, as appropriate, the disclosure of documents from other producing parties or non-parties in opioid cases whose confidential information is included in the Access Materials, including by discussing inclusion of Access Materials containing such third-party confidential information;
 - (viii) ensuring the long-term sustainability and success of the disclosure program; and

- (ix) retaining and overseeing staff, counsel, or such other resources as are necessary and appropriate to accomplish the DOB's responsibilities under this Section 5.12.

(m) **Host Institution.** The host institution(s) shall be selected by the Governmental Consent Parties, the Creditors' Committee and the Newly Consenting States (the "**Host Institution**"). The Host Institution will be responsible for hosting and maintaining the Public Document Repository in perpetuity, including but not limited to: maintaining control and security over documents in the Public Document Repository; providing an accessible user interface; and providing clear and transparent explanations of its procedures to the public. Subject to restrictions and oversight imposed by the DOB, the Host Institution may employ appropriate resources to accomplish its responsibilities, including but not limited to the use of permanent university employees, temporary employees, contractors and vendor services. Commensurate with the large responsibilities assigned to the Host Institution, and subject to the decisions and oversight of the DOB and the requirements of this Plan, much of the Disclosure Program Budget may be directed to the Host Institution to fund the accomplishment of its responsibilities.

(n) **Prompt Disclosure.** In keeping with the importance of the matter, the DOB shall dedicate its best efforts to ensure prompt disclosure and shall seek to ensure that the public receives substantial disclosure at least every calendar quarter. The DOB shall prioritize prompt disclosure of the transcripts and audio and video recordings of depositions taken in the Purdue Legal Matters, together with the exhibits to those depositions. The Debtors will prioritize prompt production of the documents that Debtors have agreed to host pursuant to the DOJ Repository Obligation for immediate inclusion in the Public Document Repository for the sake of efficiency and cost savings.

(o) **Redaction of Protected Information.** The DOB shall implement appropriate procedures to protect the following information ("**Protected Information**") by redacting Protected Information in documents before they are disclosed to the public in the Public Document Repository and by promptly catching and correcting errors if Protected Information is disclosed. Protected Information is (i) any information protected from disclosure by the Health Insurance Portability and Accountability Act or similar state or federal statute; (ii) personal email addresses or personal phone numbers; (iii) information subject to confidentiality rights of third parties; (iv) information subject to current trade secrets protection; (v) information regarding individuals that is of a purely personal nature and does not pertain to the Debtors' opioid business or related practices; and (vi) information otherwise protected by law. For the avoidance of doubt, Protected Information that should be redacted in a written document shall also be redacted in audio or video, such as deposition recordings.

(p) **Limits on Redaction.** There shall be no redaction of: (i) names of the Debtors' directors, officers, employees, agents, attorneys or consultants or of prescribers or of officials or employees of a government agency; (ii) email addresses at the "pharma.com" or "purduepharma.com" domain; or (iii) trade secrets in documents dated more than five (5) years before the disclosure.

(q) **Inadvertent Release of Privileged or Protected Information.** Notwithstanding anything else in the Plan, the Public Document Repository shall not contain or disclose any documents or content of documents that are Privileged, except for those documents identified in Section 5.12(i)(i) and (ii) above that are eligible for the Public Document Repository after January 1, 2025, or any Protected Information. Inadvertent disclosure of Privileged documents in the Public Document Repository does not operate as a waiver of Privilege, and, upon discovery, any Privileged documents shall be promptly removed from the Public Document Repository. The DOB will have sole liability for reviewing, evaluating, processing and redacting all Protected Information before any document is placed in the Public Document Repository, but may permit any individual or entity to review, evaluate, process or redact Protected Information. The DOB will establish a procedure that permits any party or member of the

public to identify or challenge the disclosure of any potentially Protected Information placed in the Public Document Repository. The DOB will cause any document identified through this process to be immediately removed from the Public Document Repository pending review. Any disagreements regarding whether such material is Protected Information shall be resolved by the Special Master. The DOB will bear full legal responsibility arising out of or related to any improper disclosure of Protected Information.

(r) **Special Master.** Shortly after the Confirmation Date, the Debtors shall file an appropriate motion asking the Bankruptcy Court or the United States District Court for the Southern District of New York to select and appoint a disclosure oversight Special Master. The Special Master's qualifications shall include former service as a judicial officer, whether as a state or federal judge, and no current or former director, officer, employee or attorney of the Debtors, the Sackler Family Members, the Creditors' Committee, the Governmental Consent Parties or the Newly Consenting States shall be eligible to be appointed as the Special Master, counsel or staff working under the Special Master, *provided* that prior work for a Governmental Consent Party or a Newly Consenting State that was completed prior to 2015 shall not preclude the appointment of a Special Master. The Special Master will adjudicate all privilege and related disputes. The Special Master's reasonable hourly fees and expenses shall be paid out of the Disclosure Program Budget except as the Special Master orders otherwise upon finding that a party advanced an argument that was frivolous, harassing or in bad faith.

- (i) Selection of Special Master. The selection of the Special Master shall be made by the Bankruptcy Court; *provided* that the Bankruptcy Court may consider a recommendation made jointly by the Debtors, the Sackler Family Members, the Creditors Committee, the Governmental Consent Parties, and the Newly Consenting States. For the purposes of determining if there is to be a joint recommendation, five (5) Business Days after the Confirmation Date, the parties ((x) the Debtors, (y) the Creditors' Committee, the Governmental Consent Parties and the Newly Consenting States and (z) the Sackler Family Members) each shall exchange a list of up to five (5) names as recommendations for the role of Special Master. The Debtors thereafter shall make a motion to the Bankruptcy Court to select a Special Master. If there are names in common on the exchanged lists, the Debtors' motion shall be limited to any name or names that are common to all such parties' lists. If there is no name common to each of the three lists, the Debtors' motion will ask the Bankruptcy Court, in its discretion, to select a Special Master.
- (ii) Disclosure Challenges: To the extent that the DOB seeks to (A) challenge the Debtors' assertion of Privilege with respect to any documents withheld or redacted from production in the Purdue Legal Matters, or excluded by the Debtors from the Access Materials, or (B) disclose any Protected Information in the Public Document Repository, such efforts shall be subject to review by the Special Master, who shall have final say regarding whether (y) the DOB should be provided with such materials, and (z) such materials shall be protected from public disclosure.
- (iii) Timing of Challenges: All challenges to the redaction or withholding of documents from the Public Document Repository, including with regard to the Privilege and to Protected

Information, including challenges brought by either the DOB or members of the public, shall be brought within the later of (A) one (1) year of the Effective Date and (B) one (1) year from when the document or information at issue is first withheld from the Public Document Repository by redaction or logging.

- (iv) Counsel for Challenges: On or shortly after the Effective Date, the Debtors, the Governmental Consent Parties, the Creditors' Committee and the Newly Consenting States shall agree to appoint a law firm to defend the Debtors' Privilege assertions against challenges ("***Privilege Defense Counsel***"); *provided, however*, that if the Debtors, the Governmental Consent Parties, the Creditors' Committee and the Newly Consenting States are unable to reach an agreement regarding the identity of Privilege Defense Counsel, the Bankruptcy Court shall appoint the Privilege Defense Counsel. Third parties shall represent themselves before the Special Master and shall bear their own costs. Consistent with Sections 5.12(1)(ix) and 5.12(o), the DOB shall be responsible for defending against challenges to the disclosure or withholding of Protected Information.
- (v) Procedure for Challenges: Any party seeking to initiate a challenge to the Privilege or Protected Information designation of a document or information in a document or any other challenge to the inclusion or exclusion of documents in the Public Document Repository (the "***Petitioner***") must first, as a condition precedent to any such challenge, meet and confer with the relevant defense counsel by serving a written statement of the specific material being disputed and the reasons for disputing each such material. If the meet and confer does not resolve the dispute, then the Petitioner shall submit a brief to the Special Master arguing why each individual document at issue should not be considered Privileged or Protected Information or should otherwise be included or excluded. Once a challenge has been submitted, the Special Master shall set a briefing schedule, permitting defense counsel no fewer than twenty-one (21) days to respond to the challenge, which may include in camera submissions in response. At the discretion of the Special Master, the briefing schedule may also include supplemental submissions, oral argument or other procedures the Special Master deems necessary to reach a determination. The Special Master shall then evaluate and decide the challenge based upon existing legal precedent of federal law within the U.S. Court of Appeals for the Second Circuit, and shall be empowered to determine whether such materials are subject to a valid claim of Privilege or otherwise constitute Protected Information or should have otherwise been included or excluded, but shall not be empowered to waive any Privilege ever asserted by the Debtors with respect to the Purdue Legal Matters or with respect to the Access Materials or the Sequestered Materials. If the Petitioner does not prevail, then the Special Master shall have the discretion to shift to the

Petitioner some or all of the reasonable legal expense of Privilege Defense Counsel, whose reasonable fees and expenses shall otherwise be paid for by the Disclosure Program Budget. If the Special Master determines that the challenge was frivolous, harassing, needlessly increasing costs or expenses, or otherwise brought for an improper purpose, then the Special Master shall shift to the Petitioner some or all of the reasonable legal expense of Privilege Defense Counsel. For avoidance of doubt, any materials determined by the Special Master to be Privileged or to contain Protected Information shall not be included in the Public Document Repository.

- (vi) Pending resolution of a challenge asserting a document was improperly disclosed, the Host Institution shall remove or redact each identified, challenged document.

(s) **Materials Produced by Shareholder Released Parties.** The Public Document Repository shall include all Sackler Family Members' documents that were produced in the Chapter 11 Cases and that relate to the manufacturing, sale or marketing of opioids in the United States, the Debtors' alleged role or liability in connection with the opioid crisis or the regulatory approval of any opioid product sold in the United States by the Debtors, but subject to appropriate exclusions for documents covered by the attorney-client and work product privileges and certain confidential information (including exclusions for information and documents related to the finances, financing activities, taxes and tax filings, investments and third party business and advisory relationships of the Shareholder Released Parties).

- (i) The Special Master appointed in accordance with Section 5.12(r) shall resolve disputes regarding whether certain documents or information is required to be included in the document repository by the Sackler Family Members.
- (ii) The Sackler Family Members shall have the right to claw back documents that they were entitled to exclude in accordance with this provision but inadvertently produced to the Public Document Repository, and such inadvertent production shall not operate as a waiver of rights. The Special Master shall resolve any disputes between Sackler Family Members, the Governmental Consent Parties, the DOB and the Newly Consenting States concerning the exercise of clawback rights.
- (iii) For the avoidance of doubt, "Sackler Family Members' documents" refer only to documents in the Sackler Family Members' possession, custody or control. Section 5.12(s) does not refer to documents including or involving Sackler Family Members that are in the Debtors' possession, custody or control.

(t) **Release of Confidentiality Rights by Parties Receiving Releases.** With regard to the disclosure of information in the Public Document Repository as authorized by this Section 5.12, the protections provided to Released Parties and Shareholder Released Parties shall be limited to the protections provided by this Plan. To the extent that Released Parties and Shareholder Released Parties possess rights to confidentiality beyond those provided this Plan (for example, a contractual confidentiality provision), those rights are waived to facilitate this disclosure program in exchange for the benefit of the releases provided to the Released Parties and Shareholder Released Parties by the Plan.

(u) **DOJ Settlement Communications.** Communications between the Debtors and DOJ regarding settlement or cooperation between 2015 and the final, non-appealable conclusion of *U.S. v. Purdue Pharma L.P.*, Case 2:20-cr-01028-MCA (D.N.J.) shall be protected from disclosure to the Master Disbursement Trust and the DOB and shall not be included in the Public Document Repository, nor shall any internal Debtor documents reflecting such communications or the strategy for such communications. The Debtors shall implement this exclusion when creating the set of Sequestered Materials.

(v) **Documents Produced By Certain Financial Institutions.** The disclosure program shall not include the documents produced by financial institutions pursuant to the examination authorized by the Bankruptcy Court at D.I. 1143. For the avoidance of doubt, if the same information also appears in a second source that is subject to disclosure (e.g., a deposition exhibit), then the information in that second source is subject to disclosure.

(w) **Active Vendor Contracts.** The Public Document Repository shall not disclose the NewCo's active vendor contracts or expired contracts that would reveal the sum and substance of active contracts. The DOB shall take appropriate steps to implement this exclusion.

(x) **Exculpation and Indemnification of DOB members and Host Institution.** To the maximum extent permitted by applicable law, the DOB members, whenever appointed, and the Host Institution shall not have or incur any liability for actions taken or omitted in his or her capacity as a DOB member, or on behalf of the DOB, except those acts found to be arising out of his or her willful misconduct, bad faith, gross negligence or fraud, and shall be entitled to indemnification, advancement and reimbursement for reasonable fees and expenses in defending any and all of his or her actions or inactions in his or her capacity as a DOB member, except for any actions or inactions found to be arising out of his or her willful misconduct, bad faith, gross negligence or fraud. Any valid indemnification claim of any of the DOB members shall be satisfied from the Disclosure Program Budget.

(y) **Reports.** On each of the first five anniversaries of the Effective Date, the DOB shall publish a public report describing the activities of the disclosure program, the use of any funds expended, and any funds committed for future use.

(z) **Wind Down.** In or after January 2026, the DOB shall wind itself down. If appropriate to facilitate the long-term success of the Public Document Repository, the DOB may arrange for another long-lived institution, such as one or more Attorneys General Offices, to interact with the Host Institution after the DOB is wound down (e.g., by receiving reports). Upon the wind down of the DOB, (i) the Host Institution shall be responsible for the permanent maintenance of the Public Document Repository; *provided* that, for avoidance of doubt, the access to the Access Materials and the Sequestered Materials granted to the DOB herein shall not be transferred to any successor institution other than the Host Institution and (ii) any Access Materials or Sequestered Materials in the possession of the DOB but not included in the Public Document Repository, for any reason, shall be, at NewCo's election, delivered to NewCo or destroyed or, if all or substantially all of the Assets of or Interests in NewCo have been sold, destroyed or delivered to Privilege Defense Counsel. Within ninety (90) days of the announcement of the dissolution of the Plan Administration Trust, the Plan Administration Trust shall use commercially reasonable efforts to return Privileged materials to Privilege Defense Counsel who shall retain the materials in a segregated client file.

(aa) **Master Disbursement Trust.** For the avoidance of doubt, nothing in this Section 5.12 limits the rights of the Master Disbursement Trust, subject to and in accordance with Section 5.11 of the Plan, to access or use Privileged documents, including Excluded Privileged Materials, in connection with any potential or actual Causes of Action, including, among other things, any potential or actual Causes of Action contemplated by or that may result from, the Shareholder Settlement Agreement,

including, without limitation, with respect to a Cause of Action against a Shareholder Release Snapback Party upon the filing of a Notice of Shareholder Release Snapback.

5.13 Effective Date Cash; Surplus Reserved Cash.

(a) **Effective Date Fixed Payments.** On the Effective Date, Effective Date Cash shall be used to fund (i) the Professional Fee Escrow Account in an amount necessary to satisfy Professional Fee Claims in accordance with Section 2.1(b) of the Plan, (ii) the Priority Claims Reserve in an amount necessary to satisfy estimated Allowed Administrative Claims (other than Professional Fee Claims and the DOJ Forfeiture Judgment Claim), Allowed Secured Claims and Allowed Priority Claims, (iii) the Disputed Claims Reserves in accordance with Section 7.1 of the Plan, (iv) the Disputed Cure Claims Reserve in accordance with Section 8.2(d) of the Plan, (v) the Wind-Up Reserve in accordance with Section 5.3(d) of the Plan, (vi) the MDT Operating Reserve in accordance with Section 5.6(f) of the Plan, (vii) the Initial NewCo Cash in accordance with Section 5.4(c) of the Plan, (viii) the applicable PAT Distribution Account in the amounts necessary to make Distributions required in accordance with Article IV of the Plan in respect of Allowed Adlon General Unsecured Claims and Allowed Avrio General Unsecured Claims, each to the extent Allowed as of the Effective Date, (ix) the Truth Initiative Contribution and the attorneys' fees of the Ratepayer Mediation Participants in satisfaction of Ratepayer Claims in accordance with Section 4.8 of the Plan, (x) the Initial Private Creditor Trust Distributions, (xi) the Initial Tribe Trust Distribution, (xii) the Initial Federal Government Distribution, (xiii) amounts required to establish the Public Document Repository in accordance with Section 5.12 of the Plan, (xiv) the upfront insurance premium payments and other amounts in accordance with Sections 5.3(e), 5.4(g) and 5.5(d) of the Plan and (xv) any other amounts required to be paid on the Effective Date pursuant to the Plan. No later than five (5) Business Days prior to the Effective Date, the Debtors shall provide notice to the Creditors' Committee and the Governmental Consent Parties of the then-current estimated amount of Effective Date Cash and all amounts described in this Section 5.13(a), and shall promptly notify the Creditors' Committee and the Governmental Consent Parties of any changes to such estimations prior to the Effective Date. Any objection by the Creditors' Committee or the Governmental Consent Parties with respect to the Debtors' proposed amount of funding of any PAT Reserve shall be resolved by the Bankruptcy Court.

(b) **Initial NOAT Distribution.** On the Effective Date, all Effective Date Cash remaining after the satisfaction of all amounts described in the foregoing paragraph (a) shall be used to make the Initial NOAT Distribution, which is currently estimated to be \$220 million.⁵ An updated estimate of the Initial NOAT Distribution shall be provided in the Plan Supplement.

(c) **Surplus Reserved Cash.** Prior to the dissolution of the Plan Administration Trust, the Plan Administration Trustee shall determine, on each six (6)-month anniversary of the Effective Date, whether the amounts available in any PAT Reserve exceed the amounts necessary to satisfy the purpose for which such reserves were established. If the Plan Administration Trustee determines that a surplus exists in any PAT Reserve as of the date of such determination, such Surplus Reserve Cash shall be (i) *first*, used to satisfy any funding deficiency in any other PAT Reserve and (ii) *second*, with respect to any amounts not used to satisfy any such funding deficiency in another PAT Reserve, transferred to the Master Disbursement Trust in accordance with the MDT Agreement. All Cash and cash equivalents

5.14 Corporate Action.

(a) **Dissolution of Boards of the Debtors.** As of the Effective Date, the respective boards of directors and managers, as applicable, of each of the Debtors shall be terminated and dissolved and the members of each of the boards of directors and managers, as applicable, of the Debtors shall be deemed to have resigned.

(b) **Continued Existence of the Liquidating Debtors.** Each of the Debtors, other than the Transferred Debtors, shall continue to exist as a Liquidating Debtor after the Effective Date in accordance with the laws of the state under which such Debtor was formed and pursuant to its certificate of incorporation, bylaws, articles of formation, operating agreement, and other organizational documents, as applicable, in effect prior to the Effective Date, except to the extent such organizational documents are amended under the Plan, for the limited purposes of liquidating all of the Assets of such Debtor's Estate and making distributions in accordance with the Plan. From and after the Effective Date, except as set forth herein, the Liquidating Debtors (i) for all purposes shall be deemed to have withdrawn their business operations from any state in which the Liquidating Debtors were previously conducting, or are registered or licensed to conduct, their business operations, and shall not be required to file any document, pay any sum, or take any other action in order to effectuate such withdrawal, (ii) shall be deemed to have canceled pursuant to the Plan all PPI Interests and, as of the PPLP Dissolution Date, all PPLP Interests, and (iii) shall not be liable in any manner to any taxing authority for franchise, business, license or similar taxes accruing on or after the Effective Date.

(c) **Appointment of the PPLP Liquidator as the Sole Representative for the Liquidating Debtors.** On the Effective Date, the PPLP Liquidator shall be appointed as the sole director and sole officer of the Liquidating Debtors, and shall succeed to the powers of the Liquidating Debtors' general partners, directors and officers. From and after the Effective Date, the PPLP Liquidator shall be the sole representative of, and shall act for, the Liquidating Debtors and administer the winding up and dissolution of the Liquidating Debtors. The PPLP Liquidator shall act for the Liquidating Debtors in the same fiduciary capacity as applicable to a board of directors and officers, subject to the provisions hereof (and all certificates of formation, partnership agreements, operating agreements, membership agreements and related documents are deemed amended by the Plan to permit and authorize the same). Any fees and expenses incurred by the PPLP Liquidator shall be paid by the Plan Administration Trustee from the Wind-Up Reserve.

(d) **Merger; Dissolution; Consolidation of the Liquidating Debtors.** On or after the date(s) upon which the Plan Administration Trust is established, the Liquidating Debtors or the PPLP Liquidator may, subject to the terms of the Plan, cause any or all of the Liquidating Debtors to be merged into one or more of the Liquidating Debtors, dissolved or otherwise consolidated and engage in any other transaction in furtherance of the Plan. Notwithstanding the foregoing, upon the dissolution of each Liquidating Debtor by the PPLP Liquidator after the completion of the acts required of such Liquidating Debtor pursuant to this Plan, such Liquidating Debtor shall be deemed dissolved for all purposes without the necessity for any other or further actions to be taken by or on behalf of such Liquidating Debtor; *provided, however*, that each Liquidating Debtor or the PPLP Liquidator, as applicable, shall file with the office of the Secretary of State, or other appropriate office for the state of its organization, a certificate of cancellation or dissolution.

(e) **Charter and Bylaws.** To the extent necessary or appropriate, the charters, by-laws and other organizational documents of the Debtors shall be amended, or amended and restated as

necessary, in a manner consistent with section 1123(a)(6) of the Bankruptcy Code, if applicable, and the terms of this Plan.

(f) **No Further Action.** Each of the matters provided for under the Plan involving the corporate structure of the Debtors or the Plan Administration Trust, or corporate action to be taken by or required of the Debtors, shall, as of the Effective Date, be deemed to have occurred (unless contemplated hereunder to occur before or after the Effective Date) and be effective as provided herein, and shall be authorized and approved in all respects without any requirement of further action by any Person, including, but not limited to, the Plan Administration Trustee, the PPLP Liquidator, Holders of Claims against or Interests in the Debtors or directors or officers of the Debtors.

(g) **Effectuating Documents.** Prior to or after the Effective Date, any appropriate officer of the Debtors or the PPLP Liquidator, as applicable, shall be authorized to execute, deliver, file or record such contracts, instruments, releases, indentures and other agreements or documents, and to take such actions as may be necessary or appropriate to effectuate and further evidence the terms and conditions of the Plan.

(h) **Exculpation and Indemnification of the PPLP Liquidator.** To the maximum extent permitted by applicable law, the PPLP Liquidator shall not have or incur any liability for actions taken or omitted in its capacity as the PPLP Liquidator, except those acts found by Final Order to be arising out of its willful misconduct, bad faith, gross negligence, or fraud, and shall be entitled to indemnification, advancement and reimbursement for reasonable fees and expenses in defending any and all of its actions or inactions in its capacity as the PPLP Liquidator, except for any actions or inactions found by Final Order to be arising out of its willful misconduct, bad faith, gross negligence or fraud. Any valid indemnification claim of the PPLP Liquidator shall be satisfied from the Wind-Up Reserve.

5.15 Cancellation of Notes, Interests, Instruments, Certificates and Other Documents.

Except as otherwise provided herein, on and after the Effective Date, all PPLP Interests and PPI Interests and all notes, instruments, certificates, agreements, indentures, mortgages, security documents and other documents evidencing Claims against or Interests in the Debtors or obligations of the Debtors or the Liquidating Debtors, as applicable, thereunder or in any way related to the foregoing shall be deemed canceled, satisfied in full and of no further force or effect without any need for further action or approval of the Bankruptcy Court.

5.16 Closing of Chapter 11 Cases.

After a Debtor's Estate has been fully administered, the Plan Administration Trustee shall seek authority from the Bankruptcy Court to close the applicable Chapter 11 Case in accordance with the Bankruptcy Code and Bankruptcy Rules.

ARTICLE VI DISTRIBUTIONS.

6.1 Distributions Generally.

Except as otherwise provided in the Plan or the PAT Agreement, all Distributions in respect of Allowed Claims, other than Channeled Claims, shall be made by the Disbursing Agent, or such other Persons designated by the Plan, in accordance with the terms of the Plan, including this Article VI. Except with respect to Sections 6.17, 6.20 and 6.21 of the Plan, this Article VI shall not apply to Channeled Claims.

6.2 Distributions on the Effective Date.

On the Effective Date or as soon as reasonably practicable thereafter, the Disbursing Agent shall make Distributions (a) from the Priority Claims Reserve in respect of Allowed Administrative Claims, Allowed Secured Claims and Allowed Priority Claims, each in an amount and to the extent Allowed as of the Effective Date, and (b) from the PAT Distribution Account in respect of Allowed Avrio General Unsecured Claims and Allowed Adlon General Unsecured Claims, each in an amount required in accordance with this Article VI of the Plan and solely to the extent Allowed as of the Effective Date.

6.3 Date of Distributions.

In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date.

6.4 Disbursing Agent.

The Disbursing Agent shall be deemed to hold all property to be distributed under this Plan in trust for the Persons entitled to receive the same. The Disbursing Agent shall not hold an economic or beneficial interest in the property to be distributed under this Plan. The Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties.

6.5 Rights and Powers of Disbursing Agent.

The Disbursing Agent shall be empowered to (a) effect all actions and execute all agreements, instruments and other documents necessary to perform its duties under the Plan, (b) make all Distributions contemplated by the Plan, (c) employ professionals to represent it with respect to its responsibilities and (d) exercise such other powers as may be vested in the Disbursing Agent by order of the Bankruptcy Court, pursuant to the Plan or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions of the Plan.

The Disbursing Agent shall only be required to act and make Distributions in accordance with the terms of the Plan and the PAT Agreement, and shall have no (x) liability for actions taken in accordance with the Plan and the PAT Agreement or in reliance upon information provided to it in accordance with the Plan or (y) obligation or liability in respect of any Channeled Claims or for Distributions under the Plan to any party who does not hold an Allowed Claim administered by the Plan Administration Trust at the time of Distribution or who does not otherwise comply with the terms of the Plan; *provided, however*, that the foregoing shall not affect the liability that otherwise would result from any such act or omission to the extent such act or omission is determined by a Final Order to have constituted willful misconduct, gross negligence, intentional fraud or criminal conduct of any such Person.

6.6 Expenses of Disbursement Agent.

Any reasonable fees and expenses incurred by the Disbursing Agent on or after the Effective Date shall be paid in Cash by the Plan Administration Trustee from the Wind-Up Reserve.

6.7 Delivery of Distributions.

Subject to Bankruptcy Rule 9010, the Disbursing Agent shall make all Distributions to any Holder of an Allowed Claim at the address of such Holder (a) as set forth on the

Schedules filed with the Bankruptcy Court or (b) on the books and records of the Debtors or their agents, unless the Disbursing Agent has been notified in writing of a change of address, including, without limitation, by filing of a Proof of Claim by such Holder that contains an address for such Holder that is different than the address of such Holder as set forth in the Schedules or on such books and records of the Debtors.

6.8 Undeliverable and Unclaimed Distributions.

In the event that any Distribution to any Holder of an Allowed Claim is returned as undeliverable, no Distribution to such Holder shall be made unless and until the Disbursing Agent has been notified of the then-current address of such Holder, at which time or as soon as reasonably practicable thereafter such Distribution shall be made to such Holder without interest; *provided, however*, that all Distributions made by the Disbursing Agent that are unclaimed for a period of six (6) months after the Distribution thereof shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code and shall revert in the Plan Administration Trust, and any entitlement of any Holder of any Claims to such Distributions shall be extinguished and forever barred.

6.9 Distribution Record Date.

As of the close of business on the Distribution Record Date, the Claims register shall be closed. The Disbursing Agent shall have no obligation to recognize any transfer of any such Claims occurring after the close of business on the Distribution Record Date and shall instead be entitled to recognize and deal, for all purposes under the Plan, with only those Holders of record as of the close of business on the Distribution Record Date.

6.10 Manner of Payment under Plan.

At the option of the Disbursing Agent, any Cash payment to be made pursuant to the Plan may be made by a check or wire transfer or as otherwise required or provided in the PAT Agreement.

6.11 Minimum Cash Distributions.

The Disbursing Agent shall not be required to make any Distributions of Cash in an amount less than \$100, or such lower amount as determined by the Disbursing Agent in accordance with the PAT Agreement, to any Holder of an Allowed Claim; *provided, however*, that if any Distribution is not made pursuant to this Section 6.11, such Distribution shall be added to any subsequent Distribution to be made on behalf of such Holder's Allowed Claims. The Disbursing Agent shall not be required to make any final Distribution of Cash in an amount less than \$25 to any Holder of an Allowed Claim. If the amount of any final Distribution to any Holder of Allowed Claims would be \$25 or less, then such Distribution shall be made available for Distribution to all Holders of Allowed Claims in the same Class receiving final Distributions of at least \$25.

6.12 Setoffs and Recoupment.

Subject to Section 2.1 and Sections 10.5 through 10.13 of the Plan, the Disbursing Agent may, but shall not be required to, set off against or recoup from any Claim against the Debtors, and from any payments to be made pursuant to the Plan with respect to such Claim, any Claims of any nature whatsoever (to the extent permitted by applicable law) that the Debtors or the Plan Administration Trust, as applicable, may have against the Holder of such Claim, but neither the failure to do so nor the allowance of any Claim hereunder shall constitute a waiver or release by the Debtors or the Plan Administration Trust of any such Claim it may have against such Holder.

6.13 Claims Paid or Payable by Third Parties.

The Plan Administration Trustee shall reduce in full a Claim against the Debtors, and such Claim shall be Disallowed without a Claims objection having to be filed and without any further notice to or action, order or approval of the Bankruptcy Court, to the extent that the Holder of such Claim receives payment in full on account of such Claim from any Person that is not a Debtor. Subject to the last sentence of this paragraph, to the extent a Holder of a Claim against the Debtors receives a Distribution on account of such Claim and receives payment from a Person that is not a Debtor on account of such Claim, such Holder shall, within fourteen (14) days of receipt thereof, repay or return the Distribution to the Plan Administration Trust to the extent the Holder's total recovery on account of such Claim from the third party and under the Plan exceeds the amount of such Claim as of the date of any such Distribution under the Plan. The failure of such Holder to timely repay or return such Distribution shall result in the Holder owing the Debtors annualized interest at the federal judgment rate on such amount owed for each Business Day after the fourteen (14)-day grace period specified above until the amount is repaid.

6.14 Distributions After Effective Date.

Distributions made after the Effective Date to Holders of Disputed Claims that are not Allowed Claims as of the Effective Date, but which later become Allowed Claims, shall be deemed to have been made on the Effective Date.

6.15 No Postpetition Interest and Penalties on Claims.

Unless otherwise provided for in the Plan or the Confirmation Order or required by the Bankruptcy Code, no Holder of a Claim shall be entitled to interest accruing on or after the Petition Date or to penalties on any Claim. Any such interest or penalty component of any such Claims, if Allowed, shall be paid only in accordance with section 726(b) of the Bankruptcy Code.

6.16 Allocation of Distributions Between Principal and Interest.

To the extent that any Allowed Claim is based upon any obligation or instrument that is treated for U.S. federal income tax purposes as indebtedness of any Debtor or any other Person and is entitled to accrued but unpaid interest thereon, it is intended, subject to applicable law, that such Distribution shall be allocated first to the principal amount of the Allowed Claim (as determined for U.S. federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of the Allowed Claim, to accrued but unpaid interest.

6.17 No Constructive Receipt.

No Holder of Claims shall be treated as receiving a Distribution for U.S. federal income tax purposes except to the extent such Holder is entitled to receive such Distribution directly under the Plan (or such Distribution is made in satisfaction of an obligation of such Holder). All parties (including, without limitation, Holders of Claims against or Interests in the Debtors, the Related Parties of such Holders, the Debtors, the Master Disbursement Trust, the MDT Trustees and the Creditor Trusts) shall report consistently with the foregoing for U.S. federal income tax purposes.

6.18 No Distribution in Excess of Amount of Allowed Claim.

Notwithstanding anything to the contrary in this Plan, no Holder of an Allowed Claim shall receive, on account of such Allowed Claim, Distributions in excess of the Allowed amount of such Claim when combined with amounts received by such Holder from other sources.

6.19 Satisfaction of Claims.

Unless otherwise provided herein, the Distributions and deliveries to be made on account of Allowed Claims under this Plan shall, in the aggregate, be in complete and final satisfaction, settlement and discharge of, and exchange for, such Allowed Claims. The Distributions and deliveries to be made on account of Claims under this Plan shall additionally be in consideration of the release and discharge of any and all Released Claims and Shareholder Released Claims related to or arising from such Claims.

6.20 Withholding and Reporting Requirements.

(a) **Withholding Rights.** In connection with the Plan, and all instruments or Interests issued in connection therewith and in consideration thereof, any party issuing any instrument or Interest or making any Distribution described in the Plan shall comply with all applicable withholding and reporting requirements imposed by any U.S. federal, state or local or foreign taxing authority, and all Distributions pursuant to the Plan and all related agreements shall be subject to any such withholding or reporting requirements. In the case of a non-Cash Distribution that is subject to withholding, the distributing party may withhold a portion of such distributed property equal in value to the tax required to be withheld, and either (i) sell such withheld property to generate Cash necessary to pay over the withholding tax (or reimburse the distributing party for any advance payment of the withholding tax), or (ii) pay the withholding tax using its own funds and retain such withheld property. Any amounts withheld pursuant to this Section 6.20(a) and properly remitted to the applicable Governmental Unit shall be deemed to have been distributed to, and received by, the applicable recipient for all purposes of the Plan. In the event that any Person issues any instrument or Interest or makes any non-Cash Distribution pursuant to the Plan that is subject to withholding tax and such issuing or distributing party has not sold such withheld property to generate Cash to pay the withholding tax, or paid the withholding tax using its own funds and retained such withheld property as described above, such issuing or distributing party has the right, but not the obligation, to not make a Distribution until such Holder has made arrangements reasonably satisfactory to such issuing or disbursing party for payment of any such tax obligations, after which such issuing or disbursing party shall return to such Holder the portion of the property previously withheld.

(b) **Forms.** Any party entitled to receive any Cash or other property under the Plan shall, upon request, deliver to the Disbursing Agent, the Master Disbursement Trust, the applicable Creditor Trust, NewCo, TopCo or such other Person designated by the Plan Administration Trustee (which Person shall subsequently deliver to the Disbursing Agent any applicable IRS Form W-8 or Form W-9 received), as applicable, a properly executed IRS Form W-9 or Form W-8, as applicable, and any other forms or documents reasonably requested by such party, to reduce or eliminate any withholding required by any federal, state, local or foreign taxing authority. Except as otherwise provided in the Creditor Trust Agreements, as applicable, if any such request is made by such party in accordance with the foregoing, and the Holder fails to comply before the date that is three hundred sixty-five (365) calendar days after the request is made, the amount of such Distribution shall irrevocably revert to the Plan Administration Trust, the Master Disbursement Trust, the applicable Creditor Trust, NewCo or TopCo, as applicable, and any Claim with respect to such Distribution shall be discharged and forever barred from assertion against such party or its property.

(c) **Tax Liability.** Notwithstanding Section 6.20(a), each Holder of a Claim or other Person that receives or is to receive a Distribution pursuant to this Plan shall have the sole and exclusive responsibility for the satisfaction and payment (to the extent not withheld from such Distribution pursuant to Section 6.20(a) of the Plan) of any tax obligations imposed on such Holder by any Governmental Unit, including income, withholding and other tax obligations, on account of such Distribution.

6.21 Post-Confirmation Claims.

Except as otherwise provided in the applicable Creditor Trust TDP, in the event a Person seeks payment at any time on account of a Channeled Claim as to which no Proof of Claim was filed before the General Bar Date and/or for which no motion seeking leave or order granting leave to file a late Proof of Claim was filed or entered before the Confirmation Date, or as to which no Proof of Claim was required to be filed, such Person shall not be entitled to any payment or distribution on account of such Channeled Claim unless the Bankruptcy Court, by Final Order, first determines that such Person has a Channeled Claim that is or was channeled to a Creditor Trust under the Master TDP and grants such Person leave to assert such Channeled Claim against such Creditor Trust. If such leave is granted, such Person shall be entitled to seek to recover on such Channeled Claim solely from the Creditor Trust to which such Channeled Claim is or was channeled pursuant to the Master TDP, as determined by the Bankruptcy Court, and any such recovery shall be solely in accordance with and to the extent provided in the Creditor Trust TDP for such Creditor Trust. After the Effective Date, in addition to the Person seeking to assert such Channeled Claim and any Person against which such Channeled Claim is purportedly asserted, only the MDT Trustees, the Creditor Trustees and NewCo shall have standing to participate in any action before the Bankruptcy Court in respect of the foregoing. For the avoidance of doubt, nothing in this paragraph is intended or shall be construed to enlarge, amend or modify the provisions of the Bar Date Order, nor is anything in this paragraph intended to derogate from, modify or amend the terms and conditions of any Creditor Trust TDP or the Master TDP or the rights of any MDT Trustee, Creditor Trustee or claims administrator for any Creditor Trust.

ARTICLE VII PROCEDURES FOR DISPUTED CLAIMS.

7.1 Procedures for Disputed Claims Generally.

Except as otherwise provided in the Plan or the PAT Agreement, all Claims against the Debtors that are Disputed as of the Effective Date (other than Channeled Claims) shall be subject to the claims resolution procedures set forth in the Plan, including this Article VII. This Article VII shall not apply to Channeled Claims.

7.2 Disputed Claims Reserve.

From and after the Effective Date, and until such time as all Disputed Claims have been compromised and settled or determined by a Final Order of the Bankruptcy Court, the Plan Administration Trustee shall, consistent with and subject to section 1123(a)(4) of the Bankruptcy Code, with respect to each applicable Class of Claims against the Debtors, retain in the applicable Disputed Claims Reserve for such Class an aggregate amount equal to the Distributions that would have been made to Holders of Disputed Claims of such Class as if such Disputed Claims were Allowed Claims against the Debtors, in each case in an amount equal to the least of (i) the filed amount of such Disputed Claims, (ii) the amount determined, to the extent permitted by the Bankruptcy Code and Bankruptcy Rules, by the Bankruptcy Court for purposes of fixing the amount to be retained for such Disputed Claims and (iii) such other amounts as may be agreed upon by the Holders of such Disputed Claims and the Plan Administration Trustee.

7.3 Claim Objections.

On or after the Effective Date, except as otherwise provided in the Plan or the PAT Agreement, objections to Claims against the Debtors may be interposed and prosecuted only by the Plan Administration Trustee. Except as otherwise provided in Section 2.1 of the Plan with respect to Administrative Claims, any objections to Claims against the Debtors shall be served on the respective Holders of such Claims and filed with the Bankruptcy Court (a) on or before one hundred eighty (180) days

following the later of (i) the Effective Date and (ii) the date that a Proof of Claim is filed or amended or a Claim is otherwise asserted or amended in writing by or on behalf of a Holder of such Claim or (b) on such later date as may be fixed by the Bankruptcy Court.

7.4 No Distribution Pending Allowance.

Except as otherwise expressly provided in the Plan or the PAT Agreement, if any portion of a Claim is Disputed, no payment or Distribution provided under the Plan shall be made on account of such Claim unless and until such Disputed Claim becomes an Allowed Claim.

7.5 Estimation of Claims.

The Debtors (before the Effective Date) or the Plan Administration Trustee (on or after the Effective Date) may, at any time, request that the Bankruptcy Court estimate, pursuant to section 502(c) of the Bankruptcy Code, any Disputed Claim that the Bankruptcy Court has jurisdiction to estimate in accordance with the Bankruptcy Code or other applicable law, regardless of whether an objection was previously filed with the Bankruptcy Court with respect to such Claim, or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any such Claim, including during the pendency of any appeal relating to any such objection. If the Bankruptcy Court estimates a Disputed Claim, such estimated amount shall constitute either the Allowed amount of such Claim, the amount used to determine the Disputed Claims Reserves or a maximum limitation on such Claim, as determined by the Bankruptcy Court. If such estimated amount constitutes a maximum limitation on such Claim, the Plan Administration Trustee may elect to pursue any supplemental proceeding to object to any ultimate Distribution on account of such Claim.

7.6 Distribution After Allowance.

On the first PAT Distribution Date following the date on which a Disputed Claim becomes an Allowed Claim against a Debtor, the Disbursing Agent shall remit to the respective PAT Distribution Account, for Distribution to the Holder of such Allowed Claim, the Cash or cash equivalents retained in the applicable Disputed Claims Reserve in an amount equal to the amount that would have been distributed to the Holder of such Claim from the Effective Date through and including the PAT Distribution Date if such Claim had been Allowed as of the Effective Date (net of any costs and expenses, including taxes, of the applicable Disputed Claims Reserve).

7.7 Resolution of Claims.

Except as expressly provided in the Plan, the PAT Agreement or any order entered by the Bankruptcy Court before the Effective Date, including the Confirmation Order, the Plan Administration Trustee shall have and retain any and all rights and defenses held by the Debtors with respect to any Claim against the Debtors as of the Petition Date, and shall have the authority to compromise, settle, otherwise resolve or withdraw any objections to such Claims and to compromise, settle or otherwise resolve any Disputed Claims without approval of the Bankruptcy Court. If the Plan Administration Trustee and a Holder of a Disputed Claim are unable to reach a settlement on the Disputed Claim, such Disputed Claim shall be submitted to the Bankruptcy Court for resolution.

7.8 Property Held in Disputed Claims Reserves.

Each Holder of a Disputed Claim that ultimately becomes an Allowed Claim shall have recourse only to the undistributed Cash held in the applicable Disputed Claims Reserve for satisfaction of the Distributions to which such Holder is entitled under the Plan and the PAT Agreement

(net of any costs and expenses, including taxes, of the applicable Disputed Claims Reserve), and not against any Protected Party or any Assets previously distributed on account of any Allowed Claim.

7.9 Claims Resolution Procedures Cumulative.

All of the objection, estimation, settlement and resolution procedures set forth in this Plan with respect to Claims against the Debtors are intended to be cumulative and not exclusive of one another. Claims against the Debtors may be established and subsequently settled, compromised, withdrawn or resolved in accordance with this Plan by any mechanism approved by the Bankruptcy Court.

7.10 No Postpetition Interest or Penalties on Disputed Claims.

Unless otherwise specifically provided for in the Plan or the Confirmation Order or required by applicable bankruptcy law, no Holder of a Claim shall be entitled to interest accruing on or after the Petition Date or to any penalties on any Claim. Interest and penalties shall not accrue or be paid upon any Disputed Claim with respect to the period from the Effective Date to the date a Distribution is made thereon, or on and after such Disputed Claim becomes an Allowed Claim.

ARTICLE VIII EXECUTORY CONTRACTS AND UNEXPIRED LEASES.

8.1 Assumption and Rejection of Executory Contracts and Unexpired Leases.

(a) As of and subject to the occurrence of the Effective Date, all executory contracts and unexpired leases to which any Debtor is a party, subject to the terms of Section 8.4, shall be deemed assumed by the applicable Debtor and, except with respect to any contract or lease held by a Transferred Debtor, assigned to NewCo or its designee, except for any executory contract or unexpired lease that (i) has previously been assumed or rejected pursuant to a Final Order of the Bankruptcy Court, (ii) is specifically identified on the Schedule of Rejected Contracts, (iii) is the subject of a separate assumption or rejection motion filed by the Debtors under section 365 of the Bankruptcy Code pending on the Confirmation Date, (iv) is the subject of a pending Contract Dispute or (v) is being otherwise treated pursuant to the Plan. The Debtors reserve the right to modify the treatment of any particular executory contract or unexpired lease pursuant to this Plan. Furthermore, notwithstanding anything to the contrary in the Plan, the Debtors may alter, amend, modify or supplement the Schedule of Rejected Contracts and assume, assume and assign or reject executory contracts and unexpired leases at any time prior to the Effective Date or, with respect to any executory contract or unexpired lease subject to a Contract Dispute that is resolved after the Effective Date, within thirty (30) days following entry of a Final Order of the Bankruptcy Court resolving such Contract Dispute.

(b) Subject to the occurrence of the Effective Date, the payment of any applicable Cure Amount and the resolution of any Contract Dispute, the entry of the Confirmation Order shall constitute approval of the rejections, assumptions and assignments provided for in this Plan pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Unless otherwise indicated herein or provided in a separate order of the Bankruptcy Court, rejections, assumptions and assignments of executory contracts and unexpired leases pursuant to the Solicitation Procedures Order and this Plan are effective as of the Effective Date. Each executory contract and unexpired lease assumed pursuant to this Plan or by order of the Bankruptcy Court shall vest in and be fully enforceable by the applicable Debtor or NewCo, in each case in accordance with its terms, except as modified by the provisions of this Plan, any order of the Bankruptcy Court authorizing and providing for its assumption, or applicable law.

(c) Unless otherwise provided herein (including Section 8.4 of the Plan) or by separate order of the Bankruptcy Court, each executory contract or unexpired lease that is assumed or

assumed and assigned shall include any and all modifications, amendments, supplements, restatements or other agreements made directly or indirectly by any agreement, instrument or other document that in any manner affects such executory contract or unexpired lease, without regard to whether such agreement, instrument or other document is listed in an Assumption Notice.

(d) Except as otherwise expressly set forth on an Assumption Notice, any contracts, engagement letters, retention agreements, and similar arrangements, in each case between the Debtors and any attorneys, accountants, financial advisors, investment bankers or similar professionals, representatives or advisors, shall not be treated under the Plan as executory contracts subject to assumption, assumption and assignment, or rejection. Counterparties to any such contracts, engagement letters, retention agreements and similar arrangements were required to file Proofs of Claim by the General Bar Date, and any Allowed Claims relating thereto shall be treated as Other General Unsecured Claims or Co-Defendant Claims, as applicable.

8.2 Determination of Contract Disputes and Deemed Consent.

(a) The Debtors shall serve Assumption Notices in accordance with the Solicitation Procedures Order. If a counterparty to an executory contract or unexpired lease receives an Assumption Notice, but such executory contract or unexpired lease is not listed therein, the proposed Cure Amount for such executory contract or unexpired lease shall be deemed to be zero dollars (\$0).

(b) Any counterparty to an executory contract or unexpired lease shall have the time prescribed in the Solicitation Procedures Order to object to (i) the Cure Amount identified on the Assumption Notice, (ii) adequate assurance of future performance by the applicable Debtor, NewCo or its assignee (within the meaning of section 365 of the Bankruptcy Code) and (iii) any other matter pertaining to assumption or assumption and assignment of such executory contract or unexpired lease on the terms set forth in the Plan and such Assumption Notice.

(c) To the extent a Contract Dispute is asserted in an objection filed in accordance with the procedures set forth in the Assumption Notice, such Contract Dispute shall be heard by the Bankruptcy Court at the Confirmation Hearing. Following resolution of a Contract Dispute by Final Order of the Bankruptcy Court, the applicable executory contract or unexpired lease shall be deemed assumed or assumed and assigned effective as of the Effective Date, subject to the Debtors' right to reject such executory contract or unexpired lease at any time prior to the Effective Date or, if any Contract Dispute is resolved after the Effective Date, within thirty (30) days following entry of such Final Order of the Bankruptcy Court resolving the applicable Contract Dispute.

(d) To the extent a Contract Dispute has not been resolved prior to the Effective Date, the Debtors shall establish the Disputed Cure Claims Reserve. Any amounts in the Disputed Cure Claims Reserve remaining after the resolution of all Disputed Cure Claims and the payment of all Cure Amounts with respect to Allowed Cure Claims for contracts and leases to be assumed or assumed and assigned shall be applied in accordance with Section 5.13(c) of the Plan.

(e) To the extent an objection is not timely filed and properly served on the Debtors with respect to a Contract Dispute, then the counterparty to the applicable contract or lease shall be deemed to have assented to (i) the Cure Amount proposed by the Debtors and (ii) the assumption or assumption and assignment of such contract or lease on the terms set forth in the Plan and the Assumption Notice, notwithstanding any provision of the applicable contract or lease that (A) prohibits, restricts or conditions the transfer or assignment of such contract or lease or (B) terminates or permits the termination of such contract or lease as a result of any direct or indirect transfer or assignment of the rights of the Debtors under such contract or lease or a change in the ownership or control as contemplated by the Plan,

and shall forever be barred and enjoined from asserting such objection against the Debtors or terminating or modifying such contract or lease on account of transactions contemplated by the Plan.

(f) With respect to payment of any Cure Amounts or resolution of Contract Disputes, none of the Debtors, the Plan Administration Trustee, NewCo or any Transferred Debtor shall have any obligation to recognize or deal with any party other than the non-Debtor party to the applicable executory contract or unexpired lease, even if such non-Debtor party has sold, assigned or otherwise transferred its Cure Claim.

8.3 Payments Related to Assumption of Contracts and Leases.

(a) Subject to resolution of any Contract Dispute, any Cure Claim shall be satisfied, under section 365(b)(1) of the Bankruptcy Code, by the Plan Administration Trust from the Priority Claims Reserve or the Disputed Cure Claims Reserve, as applicable, or NewCo in the ordinary course of business upon assumption thereof.

(b) Assumption or assumption and assignment of any executory contract or unexpired lease pursuant to the Plan, or otherwise, shall result in the full release and satisfaction of any Claims or defaults, subject to satisfaction of the Cure Amount, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed executory contract or unexpired lease at any time before the effective date of assumption or assumption and assignment. Any Proofs of Claim filed with respect to an executory contract or unexpired lease that has been assumed shall be deemed Disallowed and expunged, without further notice, or action, order or approval of the Bankruptcy Court or any other Person.

8.4 Co-Defendant Contracts.

Except as otherwise provided in the Plan or agreed by any counterparty and the Debtors (with the consent (not to be unreasonably withheld, conditioned or delayed) of the Governmental Consent Parties, and after consultation with the Creditors' Committee), the assumption of any contract or lease under the Plan shall (a) release any Causes of Action on account of any and all terms or provisions of such contract or lease solely to the extent such terms or provisions create an obligation of any party thereto (or any assignee thereof), or give rise to a right in favor of any non-Debtor under any MDT Insurance Policy or any other insurance policy of any Protected Party, for the indemnification or reimbursement of any Person for costs, losses, damages, fees, expenses or any other amounts whatsoever relating to or arising from any actual or potential opioid-related litigation or dispute, whether accrued or unaccrued, asserted or unasserted, existing or hereinafter arising, based on or relating to, or in any manner arising from, in whole or in part, Opioid-Related Activities or other conduct occurring prior to the Effective Date; and (b) constitute a release by each party of each other counterparty (and any assignee thereof or successor thereto) and by each non-Debtor party of all Insurance Companies, in each case, from any and all Causes of Action and other rights of recovery arising under or relating to such indemnification and reimbursement rights to the extent relating to any conduct occurring prior to the Effective Date, and an agreement by each non-Debtor counterparty to release any and all Co-Defendant Claims held by such party and to channel, in accordance with the Channeling Injunction, all Channeled Claims arising under or relating to such contract, including any such Claims that might otherwise be elevated to administrative status through assumption of such contract or lease. On the Effective Date, (x) all Co-Defendant Claims arising under or related to any such assumed or assumed and assigned contract or lease shall be released and discharged with no consideration on account thereof, and all Proofs of Claim in respect thereof shall be deemed expunged, without further notice, or action, order or approval of the Bankruptcy Court or any other Person and (y) all Channeled Claims arising under or related to any such assumed or assumed and assigned contract or lease shall be channeled in accordance with the Channeling Injunction. For the avoidance of doubt, unless otherwise agreed by the counterparty to any assumed or assumed and assigned contract or lease, the

foregoing shall not release or otherwise modify any term or provision of such contract or lease to the extent of any indemnification or reimbursement rights (i) accruing after the Effective Date for conduct occurring after the Effective Date, (ii) for any amounts, if any, due to a Co-Defendant as a result of the New York Opioid Stewardship Act (2018 N.Y. Sess. Laws, ch. 57, pt. NN 7 (codified at N.Y. Pub. Health Law § 3323 and N.Y. State Fin. Law § 97-aaaaa)) or (iii) for any Co-Defendant Surviving Pre-Effective Date Claim. Notwithstanding the release, satisfaction, expungement and extinguishment of Co-Defendant Claims, a Co-Defendant retains its Co-Defendant Defensive Rights, which includes the ability to recover from Persons that are not Protected Parties or from any insurance policies that are not Purdue Insurance Policies or other insurance policies of Protected Parties. The counterparty to such contract or lease and all other applicable Persons shall be bound by the terms set forth in this Section 8.4.

8.5 Rejection Claims.

In the event that the rejection of an executory contract or unexpired lease by any of the Debtors herein results in damages to the other party or parties to such contract or lease, any Claim for such damages shall be forever barred and shall not be enforceable against the Debtors or their Estates, properties or interests in property, unless a Proof of Claim is filed with the Bankruptcy Court and served upon the Debtors no later than thirty (30) days after the entry of the order of the Bankruptcy Court (including the Confirmation Order) authorizing the rejection of such executory contract or unexpired lease. Any such Claim shall be classified in accordance with the classification of Claims set forth in Article III of the Plan, including that any such Claims that constitute Co-Defendant Claims shall be classified as such. The Confirmation Order shall constitute the Bankruptcy Court's authorization of the rejection of all the leases and contracts identified in the Schedule of Rejected Contracts.

8.6 Compensation and Benefit Plans.

Except with respect to any Benefit Plans for which the Debtors have received approval of the Bankruptcy Court to reject or terminate on or before the Effective Date or that are subject to a pending motion to reject or terminate as of the Confirmation Hearing, all Benefit Plans shall be deemed to be, and shall be treated as, executory contracts under this Plan pursuant to sections 365 and 1123 of the Bankruptcy Code and shall be assumed by applicable Debtors and, unless held by a Transferred Debtor, assigned to NewCo (or one of its Subsidiaries).

8.7 Purdue Pension Plan.

The Purdue Pension Plan has approximately 3,200 participants. PPLP is the contributing sponsor of the Purdue Pension Plan. The Debtors that are members of the contributing sponsor's controlled-group within the meaning of 29 U.S.C. §§ 1301(a)(13), (14) are jointly and severally liable with respect to the Purdue Pension Plan. Further, any non-debtor members of the contributing sponsor's controlled-group are also jointly and severally liable with respect to the Purdue Pension Plan.

Upon the Effective Date, NewCo (or one of its Subsidiaries) shall be deemed to have assumed the Purdue Pension Plan and all liabilities and Assets thereunder and shall comply with all applicable statutory provisions of ERISA and the IRC, including, but not limited to, satisfying the minimum funding standards pursuant to 26 U.S.C. §§ 412, 430, and 29 U.S.C. §§ 1082, 1083, paying the PBGC premiums in accordance with 29 U.S.C. §§ 1306 and 1307 and administering the Purdue Pension Plan in accordance with its terms and the provisions of ERISA and the IRC (and NewCo reserves all rights thereunder).

Notwithstanding any provision in the Plan to the contrary, no provision contained in the Plan, the Confirmation Order, the Bankruptcy Code (including section 1141 thereof), or any other document filed in the Debtors' bankruptcy cases shall be construed as discharging, releasing, exculpating or

relieving any Person (other than the Liquidating Debtors) from any fiduciary duties or liabilities under Title I of ERISA with respect to the Purdue Pension Plan. PBGC and the Purdue Pension Plan shall not be enjoined or precluded from enforcing such fiduciary duties or liabilities under Title I of ERISA as a result of any of the provisions of the Plan, the Confirmation Order, the Bankruptcy Code or any other document filed in the Debtors' bankruptcy cases. The PBGC and the Debtors agree that all Proofs of Claim filed by the PBGC shall be deemed to be withdrawn, with prejudice, as of the Effective Date.

8.8 Insurance Policies.

Notwithstanding anything to the contrary in the Plan, the Plan Documents, the Disclosure Statement or the Confirmation Order:

(a) nothing in the Plan, the Plan Documents, the Disclosure Statement or the Confirmation Order shall terminate or otherwise reduce the coverage under any D&O Insurance Policy with respect to conduct occurring on or prior to the Effective Date, and, after the Effective Date, all directors, officers, managers, authorized agents and employees of the Debtors who served in such capacity at any time prior to the Effective Date shall be entitled to the full benefits of any applicable D&O Insurance Policy for the full term of such policy, including but not limited to any extension of coverage after the end of such policy period if an extended reporting period has been purchased, in accordance with the terms thereof, subject to (i) any release or assignment of rights by certain Shareholder Released Parties pursuant to the Shareholder Settlement or by the Settling Executives in the Settling Executive Stipulation and (ii) with respect to D&O Insurance Policies that are MDT Insurance Policies, the provisions of paragraph (b) of this Section 8.8;

(b) after the Effective Date, in consideration of the Releases and Shareholder Releases in favor of each Released Party and Shareholder Released Party that is an individual insured under any MDT Insurance Policy:

- (i) each such Released Party or Shareholder Released Party (A) will fully cooperate with the Master Disbursement Trust in connection with the settlement of claims or rights under such MDT Insurance Policy, including but not limited to as set forth in this Section 8.8(b)(i), and (B) shall be deemed to consent to the release of any claims or rights held by such Released Party or Shareholder Released Party against and under such MDT Insurance Policy in the event that the Master Disbursement Trust has otherwise obtained settlement terms that it deems acceptable in its sole discretion with the same effect as if such Released Party or Shareholder Released Party had executed such settlement agreement, and without further consideration to such Released Party or Shareholder Released Party from the insurance settlement proceeds or otherwise in respect of such settlement;
- (ii) no such Released Party or Shareholder Released Party (other than a Sackler Family Member) that was a director, officer, manager, authorized agent or employee of the Debtors who served in such capacity at any time prior to the Petition Date shall be entitled to submit a claim under any MDT Insurance Policy for anything other than reimbursement of attorneys' fees and related expenses incurred in connection with such individual's cooperation with, or in connection with the defense of such individual with respect to, any investigation, prosecution and/or litigation involving conduct

relating to the Debtors or the Debtors' business or property or any defense of the Releases or the Channeling Injunction; and

- (iii) no such Shareholder Released Party (other than a current or former director, officer, manager, authorized agent or employee that is not a Sackler Family Member, each of whom is subject to the foregoing paragraph (ii) of this Section 8.8(b)) shall be entitled to submit a claim under any MDT Insurance Policy other than in accordance with the Shareholder Settlement;

(c) on and after the Effective Date, all Purdue Insurance Policies (other than the MDT Insurance Policies) shall be deemed to be, and shall be treated as, executory contracts under the Plan, and shall be assumed pursuant to sections 105 and 365 of the Bankruptcy Code by the applicable Debtor, and such Purdue Insurance Policies shall vest, and/or the Purdue Insurance Rights (other than the MDT Insurance Rights) associated therewith shall vest, as applicable, in NewCo, the applicable Transferred Debtor or the Plan Administration Trust, as applicable, in accordance with the NewCo Transfer Agreement and the PAT Agreement and continue in full force and effect in accordance with their respective terms such that the applicable recipients of the Purdue Insurance Policies (other than the MDT Insurance Policies) and the Purdue Insurance Rights (other than the MDT Insurance Rights) shall become and remain liable in full for and shall satisfy, to the extent required under applicable law, any prospective premiums, deductibles, self-insured retentions and any other amounts or obligations arising in any way out of the receipt of payment from an Insurance Company in respect of the Purdue Insurance Policies (other than the MDT Insurance Policies); and

(d) solely with respect to Purdue Insurance Policies that are not MDT Insurance Policies, the automatic stay of section 362(a) of the Bankruptcy Code and the injunctions set forth in the Plan, if and to the extent applicable, shall be deemed lifted without further order of this Bankruptcy Court, solely to permit (i) claimants with valid workers' compensation claims or direct action claims against Insurance Companies under applicable non-bankruptcy law to proceed with their claims; and (ii) Insurance Companies to administer, handle, defend, settle and/or pay, in the ordinary course of business and without further order of this Bankruptcy Court, (A) workers' compensation claims, (B) claims where a claimant asserts a direct claim against an Insurance Company under applicable non-bankruptcy law, or an order has been entered by this Bankruptcy Court granting a claimant relief from the automatic stay or the injunctions set forth in the Plan to proceed with its claim, and (C) all costs in relation to each of the foregoing.

8.9 Reservation of Rights.

(a) Neither the exclusion nor the inclusion by the Debtors of any contract or lease on any exhibit, schedule or other annex to this Plan or in the Plan Supplement, nor anything contained in this Plan, shall constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors have any liability thereunder.

(b) Except as explicitly provided in this Plan, nothing herein shall waive, excuse, limit, diminish or otherwise alter any of the Estate Causes of Action under any executory or non-executory contract or unexpired lease.

(c) Nothing in this Plan shall increase, augment or add to any of the duties, obligations, responsibilities or liabilities of the Debtors under any executory or non-executory contract or unexpired or expired lease, including the Purdue Insurance Policies.

(d) If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of its assumption under this Plan, the Debtors shall have thirty (30) days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease.

(c) Releases by Shareholder Released Parties.

As of the Effective Date, for good and valuable consideration, the adequacy of which is hereby confirmed, and except as otherwise explicitly provided in the Plan or in the Confirmation Order, the Reciprocal Releasees shall be conclusively, absolutely, unconditionally, irrevocably, fully, finally, forever and permanently released, subject to clause (z) of the last paragraph of this Section 10.7(c), by the Shareholder Released Parties from any and all Causes of Action, including any derivative claims asserted or assertible by or on behalf of the Debtors or their Estates and including any claims that any Shareholder Released Party, or that any other Person or party claiming under or through any Shareholder Released Party, would have presently or in the future been legally entitled to assert in its own right (whether individually or collectively) or on behalf of any Shareholder Released Party or any other Person, notwithstanding section 1542 of the California Civil Code or any law of any jurisdiction that is similar, comparable or equivalent thereto (which shall conclusively be deemed waived), whether existing or hereinafter arising, in each case, based on or relating to, or in any manner arising from, in whole or in part, (i) the Debtors, as such Entities existed prior to or after the Petition Date (including the Debtors' Opioid-Related Activities, manufacture, marketing and sale of Products, interaction with regulators concerning Opioid-Related Activities or Products, and involvement in the subject matter of the Pending Opioid Actions, and the past, present or future use or misuse of any opioid by a Releasing Party), (ii) the Estates or (iii) the Chapter 11 Cases.

Notwithstanding anything herein to the contrary, (x) nothing in the Plan shall release any Excluded Claim; (y) nothing in this Section 10.7(c) shall be construed to impair in any way the Effective Date or post-Effective Date rights and obligations of any Person under the Plan, the Plan Documents, the Confirmation Order or the Restructuring Transactions, including the Shareholder Settlement Agreement and the Separation Agreements, and including the rights of any Shareholder Released Party that is a current or former director, officer or employee of the Debtors but is not a Sackler Family Member relating to plan treatment of any Claims held by such party; and (z) upon the filing of a Notice of Shareholder Release Snapback and the commencement or continuation of any action or proceeding against a member of a Breaching Shareholder Family Group or a Designated Shareholder Released Party by any Reciprocal Releasee, (A) the releases set forth in this Section 10.7(c) of any Reciprocal Releasee that has commenced or continued any such action shall be entirely null and void, revoked and invalidated, as of the Effective Date, with respect to the members of the Breaching Shareholder Family Group and the Designated Shareholder Released Parties and (B) the *status quo ante* shall be restored in all respects for the members of the Breaching Shareholder Family Group and the Designated Shareholder Released Parties with respect to any Reciprocal Releasee that has commenced or continued any such litigation; *provided* that, for the avoidance of doubt, notwithstanding the nullification, voiding, revocation and invalidation pursuant to the foregoing clause (A), the releases set forth in this Section 10.7(c) shall continue in effect for, and shall be fully enforceable by and for the benefit of, all other Reciprocal Releasees, and shall be binding on, and enforceable against, all other Shareholder Released Parties, including any

members of the Breaching Shareholder Family Group with respect to any Reciprocal Releasee that has not commenced any such litigation.

10.8 Channeling Injunction.

In order to supplement the injunctive effect of the Plan Injunction, the Releases and the Shareholder Releases set forth in Sections 10.5, 10.6 and 10.7 of the Plan, the Confirmation Order shall provide for the following permanent injunction to take effect as of the Effective Date:

(a) Terms. In order to preserve and promote the settlements contemplated by and provided for in the Plan and to supplement, where necessary, the injunctive effect of the Plan Injunction, the Releases and the Shareholder Releases described in Sections 10.5, 10.6 and 10.7 of the Plan, and pursuant to the exercise of the equitable jurisdiction and power of the Bankruptcy Court under section 105(a) of the Bankruptcy Code, all Persons that have held or asserted, that hold or assert or that may in the future hold or assert any Channeled Claim shall be permanently and forever stayed, restrained and enjoined from taking any action for the purpose of directly or indirectly collecting, recovering or receiving payments, satisfaction, recovery or judgment of any form from or against any Protected Party with respect to any Channeled Claim, including:

- (i) commencing, conducting or continuing, in any manner, whether directly or indirectly, any suit, action or other proceeding, in each case, of any kind, character or nature, in any forum in any jurisdiction with respect to any Channeled Claims, against or affecting any Protected Party, or any property or interests in property of any Protected Party with respect to any Channeled Claims;**

- (iii) creating, perfecting or enforcing, by any means or in any manner, whether directly or indirectly, any Lien of any kind against any Protected Party or the property of any Protected Party with respect to any Channeled Claims;**
- (iv) asserting or accomplishing any setoff, right of subrogation, indemnity, contribution or recoupment of any kind, whether directly or indirectly, in respect of any obligation due to any Protected Party or against the property of any Protected Party with respect to any Channeled Claims; and**
- (v) taking any act, by any means or in any manner, in any place whatsoever, that does not conform to, or comply with, the provisions of the Plan Documents, with respect to any Channeled Claims.**

(b) **Reservations.** Notwithstanding anything to the contrary in this Section 10.8 or the Confirmation Order, this Channeling Injunction shall not stay, restrain, bar or enjoin:

- (i) the rights of Holders of Channeled Claims to the treatment afforded them under the Plan and the Plan Documents, including the rights of Holders of Channeled Claims to assert such Channeled Claims solely in accordance with Section 6.21 of the Plan, the Master TDP and the Creditor Trust TDPs, in each case whether or not there are funds to make Distributions in respect of such Channeled Claims and whether or not such rights entitle such Holders to Abatement Distributions or any other form of Distributions;
- (ii) the rights of Persons to assert any claim, debt, litigation or liability for payment of Creditor Trust Operating Expenses solely against the applicable Creditor Trust;
- (iii) the rights of Persons to assert any claim, debt or litigation against any Excluded Party;
- (iv) the rights of the Master Disbursement Trust to pursue and enforce the MDT Shareholder Rights, the MDT Insurance Rights and the MDT Causes of Action;
- (v) the rights of the parties to the LRP Agreement to enforce the terms thereof in accordance with the Plan;
- (vi) the Creditor Trusts from enforcing their respective rights against the Master Disbursement Trust under the Plan and the MDT Documents;
- (vii) the Master Disbursement Trust from enforcing its rights, on behalf of itself and the Private Creditor Trusts, against NewCo and TopCo under the Plan and the NewCo Credit Support Agreement; or
- (viii) NOAT or the Tribe Trust from enforcing their respective rights against TopCo under the TopCo Operating Agreement.

(c) **Notice of Shareholder Release Snapback.** Upon the filing of a Notice of Shareholder Release Snapback, the Channeling Injunction shall terminate, be rescinded and have no application, without further order of the Bankruptcy Court, to any suit, action or other proceeding, in each case, of any kind, character or nature, brought against any member of the Breaching Shareholder Family Group or any Designated Shareholder Released Party; *provided, however*, that the extension of time provided by Section 10.9(a) of the Plan shall continue in effect in accordance with its terms; and *provided further* that, for the avoidance of doubt, notwithstanding the termination and rescission pursuant to this Section 10.8(c), the Channeling Injunction shall continue in effect for, and shall be fully enforceable by and for the benefit of, all other Protected Parties, including all other Shareholder Released Parties, other than the Breaching Shareholder Family Group and the Designated Shareholder Released Parties.

(d) **Modifications.** Except as expressly set forth in paragraph (c) of this Section 10.8, there can be no modification, dissolution or termination of the Channeling Injunction, which shall be a permanent injunction.

(e) **Non-Limitation of Channeling Injunction.** Except as expressly set forth in paragraphs (b) and (c) of this Section 10.8, nothing in the Plan, the MDT Documents or the Creditor Trust Documents shall be construed in any way to limit the scope, enforceability or effectiveness of the Channeling Injunction issued in connection with the Plan.

(f) **Bankruptcy Rule 3016 Compliance.** The Debtors' compliance with the requirements of Bankruptcy Rule 3016 shall not constitute an admission that the Plan provides for an injunction against conduct not otherwise enjoined under the Bankruptcy Code.

10.9 Tolling of Shareholder Released Claims; Violations of Shareholder Releases and Channeling Injunction.

(a) **Tolling of Shareholder Released Claims.** If applicable law, an order in any proceeding or an agreement fixes a period for commencing or continuing an action or proceeding based on a Shareholder Released Claim and such Shareholder Released Claim is released pursuant to the Shareholder Releases or such action or proceeding is enjoined by the Channeling Injunction, then such period does not expire with respect to such Shareholder Released Claim with respect to the Master Disbursement Trust (or the MDT Trustees) or the Releasing Parties until the latest of (i) the end of such period; (ii) with respect to the applicable Shareholder Family Group and any Designated Shareholder Released Party, two hundred twenty-five (225) days after the filing of a Notice of Shareholder Release Snapback with respect to such Shareholder Family Group; (iii) with respect to the applicable Shareholder Family Group and any Designated Shareholder Released Party, when such Shareholder Family Group fulfills its payment obligations under the Shareholder Settlement Agreement; and (iv) with respect to the applicable Shareholder Released Party that is a Subsidiary (as defined in the Shareholder Settlement Agreement) of a Shareholder Payment Party, two hundred twenty-five (225) days after the reinstatement of any Estate Cause of Action against such Shareholder Released Party pursuant to Section 10.20 of the Plan.

(b) **Violations of Shareholder Releases and Channeling Injunction.** In the event that any Person takes any action that a Shareholder Released Party believes violates the Shareholder Releases or Channeling Injunction as it applies to any Shareholder Released Party, such Shareholder Released Party shall be entitled to make an emergency application to the Bankruptcy Court for relief, and may proceed by contested matter rather than by adversary proceeding. The Bankruptcy Court shall have jurisdiction and authority to enter final orders in connection with any dispute over whether an action violates the Shareholder Releases or Channeling Injunction. Upon determining that a violation of the Shareholder Releases or Channeling Injunction has occurred, the Bankruptcy Court, in its discretion, may award any appropriate relief against such violating Person, including, but not limited to, (i) disgorgement from the violating Person of any funds, assets or other value received, directly or indirectly, pursuant to the Plan or Plan Documents (including fees and expenses paid pursuant to the Plan or Plan Documents on account of legal or other advisory services rendered to or for the benefit of the violating Person); (ii) the termination of any rights of the violating Person to receive any funds, assets or other value pursuant to the Plan or Plan Documents; (iii) the reduction of any payments owed by any Shareholder Released Parties under the Shareholder Settlement Agreement to the violating Person in an amount equal to the amount of disgorgement ordered from, or the reduction of future payments ordered to be made to, or on account of, the violating Person (subject to the right of the violating Person to request that any amounts actually disgorged from such violating Person offset any reduction of future payments ordered to be made to, or on account of, such violating Person); (iv) an admonition, reprimand or censure of, or citation of contempt by, the violating Person and its counsel; (v) a fine or penalty paid into the Bankruptcy Court; (vi) a bond or other

security in an amount equal to any financial obligation ordered by the Bankruptcy Court in respect of the violation; (vii) an appropriate sanction on any attorney or law firm responsible for the violation; (viii) injunctive relief to prevent future violations by the Person or its counsel; and (ix) attorney and other professional fees incurred by any Shareholder Released Party arising from the violation. The provision of any one form of relief shall not preclude the provision of any other form of relief.

10.10 MDT Insurer Injunction.

(a) **Terms.** In accordance with section 105(a) of the Bankruptcy Code, upon the occurrence of the Effective Date, all Persons that have held or asserted, that hold or assert or that may in the future hold or assert any Claim based on, arising under or attributable to an MDT Insurance Policy shall be, and hereby are, permanently stayed, restrained and enjoined from taking any action for the purpose of directly or indirectly collecting, recovering or receiving payment or recovery on account of any such Claim based on, arising under or attributable to an MDT Insurance Policy from or against any MDT Insurer, including:

- (i) commencing, conducting or continuing, in any manner any action or other proceeding of any kind (including an arbitration or other form of alternate dispute resolution) against any MDT Insurer, or against the property of any MDT Insurer, on account of any Claim based on, arising under or attributable to an MDT Insurance Policy;
- (ii) enforcing, attaching, levying, collecting or otherwise recovering, by any manner or means, any judgment, award, decree or other order against any MDT Insurer, or against the property of any MDT Insurer, on account of any Claim based on, arising under or attributable to an MDT Insurance Policy;
- (iii) creating, perfecting or enforcing in any manner any Lien of any kind against any MDT Insurer, or against the property of any MDT Insurer, on account of any Claim based on, arising under or attributable to an MDT Insurance Policy;
- (iv) asserting or accomplishing any setoff, right of subrogation, indemnity, contribution or recoupment of any kind, whether directly or indirectly, against any obligation due to any MDT Insurer, or against the property of any MDT Insurer, on account of any Claim based on, arising under or attributable to an MDT Insurance Policy; and
- (v) taking any act, in any manner, in any place whatsoever, that does not conform to, or comply with, the provisions of the Plan applicable to any Claim based on, arising under or attributable to an MDT Insurance Policy.

(b) **Reservations.** The provisions of this MDT Insurer Injunction shall not preclude the Master Disbursement Trust from pursuing any Claim based on, arising under or attributable to an MDT Insurance Policy, or any other claim that may exist under any MDT Insurance Policy against any MDT Insurer, or enjoin the rights of the Master Disbursement Trust to prosecute any action based on or arising from the MDT Insurance Policies or the rights of the Master Disbursement Trust to assert any claim,

debt, obligation, cause of action or liability for payment against an MDT Insurer based on or arising from the MDT Insurance Policies. The provisions of this MDT Insurer Injunction are not issued for the benefit of any MDT Insurer, and no such insurer is a third-party beneficiary of this MDT Insurer Injunction. This MDT Insurer Injunction shall not enjoin, impair or affect (i) any claims between or among MDT Insurers that are not Settling MDT Insurers; (ii) the rights of current and former directors, officers, employees and authorized agents of the Debtors that are not Sackler Family Members that are preserved under the Plan; or (iii) the terms of the Shareholder Settlement Agreement with respect to the MDT Shareholder Insurance Rights. For the avoidance of doubt, with respect to a Person that purports to be insured under any MDT Insurance Policy, the MDT Insurer Injunction shall enjoin only derivative claims and rights. Nothing in this Plan shall determine whether any Claim or right under any MDT Insurance Policy is either derivative or direct, or otherwise would be disallowed or subordinated under the Bankruptcy Code, which determination shall be made, as necessary, to the extent such Claim or right is not otherwise released under this Plan, in accordance with applicable law.

(c) **Modifications.** To the extent the MDT Trustees make a good faith determination that some or all of the MDT Insurance Proceeds are substantially unrecoverable by the Master Disbursement Trust, the Master Disbursement Trust shall have the sole and exclusive authority at any time, upon written notice to any affected MDT Insurer, to terminate, reduce or limit the scope of this MDT Insurer Injunction with respect to any MDT Insurer, *provided* that (i) any termination, reduction, or limitation of the MDT Insurer Injunction (A) shall apply in the same manner to all beneficiaries of the Creditor Trusts that are MDT Beneficiaries and (B) shall comply with any procedures set forth in the MDT Agreement and (ii) the termination, reduction or limitation of the MDT Insurer Injunction as it relates to the MDT Bermuda-Form Insurance Policies shall be subject to the consent (not to be unreasonably withheld, conditioned or delayed) of the Creditor Trustee for the PI Trust.

(d) **Non-Limitation of MDT Insurer Injunction.** Except as set forth in paragraphs (b) and (c) of this Section 10.10, nothing in the Plan, the MDT Documents or the Creditor Trust Documents shall be construed in any way to limit the scope, enforceability or effectiveness of the MDT Insurer Injunction issued in connection with the Plan.

10.11 Settling MDT Insurer Injunction.

(a) **Terms.** In accordance with section 105(a) of the Bankruptcy Code, upon the occurrence of the Effective Date, all Persons that have held or asserted, that hold or assert or that may in the future hold or assert any Claim based on, arising under or attributable to an MDT Insurance Policy shall be, and hereby are, permanently stayed, restrained and enjoined from taking any action for the purpose of directly or indirectly collecting, recovering or receiving payment or recovery on account of any such Claim based on, arising under or attributable to an MDT Insurance Policy from or against any Settling MDT Insurer, solely to the extent that such Settling MDT Insurer has been released from such Claim under such MDT Insurance Policy pursuant to an MDT Insurance Settlement, including:

- (i) commencing, conducting or continuing, in any manner any action or other proceeding of any kind (including an arbitration or other form of alternate dispute resolution) against any such Settling MDT Insurer, or against the property of such Settling MDT Insurer, on account of such Claim based on, arising under or attributable to such MDT Insurance Policy;
- (ii) enforcing, attaching, levying, collecting or otherwise recovering, by any manner or means, any judgment, award,

decree or other order against any such Settling MDT Insurer, or against the property of such Settling MDT Insurer, on account of such Claim based on, arising under or attributable to such MDT Insurance Policy;

- (iii) creating, perfecting or enforcing in any manner any Lien of any kind against any such Settling MDT Insurer, or against the property of such Settling MDT Insurer, on account of such Claim based on, arising under or attributable to such MDT Insurance Policy;
- (iv) asserting or accomplishing any setoff, right of subrogation, indemnity, contribution or recoupment of any kind, whether directly or indirectly, against any obligation due to any such Settling MDT Insurer, or against the property of such Settling MDT Insurer, on account of such Claim based on, arising under or attributable to such MDT Insurance Policy; and
- (v) taking any act, in any manner, in any place whatsoever, that does not conform to, or comply with, the provisions of the Plan applicable to such Claim based on, arising under or attributable to such MDT Insurance Policy.

(b) **Reduction of Insurance Judgments.** Any right, Claim or cause of action that an Insurance Company may have been entitled to assert against any Settling MDT Insurer but for the Settling MDT Insurer Injunction, if any such right, Claim or cause of action exists under applicable non-bankruptcy law, shall become a right, Claim or cause of action solely as a setoff claim against the Master Disbursement Trust and not against or in the name of the Settling MDT Insurer in question. Any such right, Claim or cause of action to which an Insurance Company may be entitled shall be solely in the form of a setoff against any recovery of the Master Disbursement Trust from that Insurance Company, and under no circumstances shall that Insurance Company receive an affirmative recovery of funds from the Master Disbursement Trust or any Settling MDT Insurer for such right, Claim or cause of action. In determining the amount of any setoff, the Master Disbursement Trust may assert any legal or equitable rights the Settling MDT Insurer would have had with respect to any right, Claim or cause of action.

(c) **Modifications.** There can be no modification, dissolution or termination of the Settling MDT Insurer Injunction, which shall be a permanent injunction.

(d) **Non-Limitation of Settling MDT Insurer Injunction.** Except as set forth in paragraphs (b) and (c) of this Section 10.11, nothing in the Plan, the MDT Documents or the Creditor Trust Documents shall be construed in any way to limit the scope, enforceability or effectiveness of the Settling MDT Insurer Injunction issued in connection with the Plan.

10.12 Exculpation.

To the maximum extent permitted by applicable law, no Exculpated Party shall have or incur, and each Exculpated Party is hereby released and exculpated from: any Cause of Action for any Claim in connection with, or arising out of, the administration of the Chapter 11 Cases; the negotiation and pursuit of the Disclosure Statement (including any information provided, or statements made, in the Disclosure Statement or omitted therefrom), the Restructuring Transactions, the Plan, the Master Disbursement Trust (including the Master TDP and the MDT Agreement), the Creditor Trusts (including the Creditor Trust TDPs and the other Creditor Trust Documents) and the solicitation of votes for, and

confirmation of, the Plan; the funding of the Plan; the occurrence of the Effective Date; the administration of the Plan and the property to be distributed under the Plan; and the wind-up and dissolution of the Liquidating Debtors and the transactions in furtherance of any of the foregoing, in each case other than Causes of Action arising out of, or related to, any act or omission of an Exculpated Party that is a criminal act or constitutes fraud, gross negligence or willful misconduct. This exculpation shall be in addition to, and not in limitation of, all other Releases, indemnities, exculpations and any other applicable law or rules protecting such Exculpated Parties from liability. For the avoidance of doubt, this Section 10.12 shall not exculpate or release any Exculpated Party with respect to any act or omission of such Exculpated Party prior to the Effective Date that is later found to be a criminal act or to constitute fraud, gross negligence or willful misconduct, including findings after the Effective Date. Notwithstanding anything herein to the contrary, nothing in the Plan shall release any Causes of Action that may be asserted against any Excluded Party.

10.13 Injunction Related to Releases and Exculpation.

To the maximum extent permitted under applicable law, the Confirmation Order shall permanently enjoin the commencement or prosecution by any Person, whether directly, derivatively or otherwise, of any Causes of Action released pursuant to this Plan, including, without limitation, the Causes of Action released or exculpated in this Plan and the Claims, Interests, Liens, other encumbrances or liabilities described in Section 5.3(b), 5.4(c) or 5.6(b) of the Plan (but, for the avoidance of doubt, excluding any Excluded Claims).

10.14 Subordinated Claims.

The allowance, classification and treatment of all Claims and Interests and the respective Distributions and treatments in respect thereof under this Plan take into account and conform to the relative priority and rights of the Claims and Interests in each Class in connection with contractual, legal and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, section 509(c), 510(a), 510(b) or 510(c) of the Bankruptcy Code or otherwise. Pursuant to sections 509(c) and 510 of the Bankruptcy Code or otherwise, the Debtors reserve the right to reclassify any Allowed Claim or Allowed Interest in accordance with any contractual, legal or equitable subordination relating thereto.

10.15 Preservation of Causes of Action and Reservation of Rights.

As of the Effective Date, (a) the Master Disbursement Trust shall have the right to prosecute any and all MDT Causes of Action, (b) the Plan Administration Trust shall have the right to prosecute any and all Retained Causes of Action relating to and necessary for the administration of Claims against the Debtors (other than Channeled Claims) or the other responsibilities of the Plan Administration Trustee in accordance with the PAT Agreement, (c) each Creditor Trust shall have the right to prosecute any and all Retained Causes of Action relating to and necessary for the administration of the applicable Channeled Claims in accordance with the applicable Creditor Trust TDP and (d) NewCo shall have the right to prosecute any and all Retained Causes of Action constituting NewCo Transferred Assets; *provided* that (i) any settlement or release by NewCo of such Retained Causes of Action shall be subject to the consent of TopCo and (ii) in the event NewCo fails to prosecute any such Retained Causes of Action, TopCo may direct such prosecution by NewCo, in accordance with the NewCo Operating Agreement. Pursuant to section 1123(b) of the Bankruptcy Code, except as expressly provided in Sections 10.5 through 10.13 of the Plan, nothing contained in this Plan or the Confirmation Order shall be deemed to be a waiver or relinquishment of any Causes of Action that the Debtors had immediately before the Effective Date on behalf of the Estates or of themselves in accordance with any provision of the Bankruptcy Code or any applicable nonbankruptcy law, including but not limited to any actions specifically enumerated in the Schedule of Retained Causes of Action. Subject to Sections 10.5 through 10.13 of the Plan, all such Causes

of Action shall be transferred to the Master Disbursement Trust, the Plan Administration Trust, the applicable Creditor Trust or NewCo, as applicable, which shall have, retain, reserve and be entitled to assert all such Causes of Action in accordance with the Plan as fully as if the Chapter 11 Cases had not been commenced, and all of the Debtors' legal and equitable rights with respect to any Claim or Interest may be asserted after the Effective Date to the same extent as if the Chapter 11 Cases had not been commenced.

10.16 Ipso Facto and Similar Provisions Ineffective.

Any term of any policy, contract or other obligation applicable to a Debtor shall be void and of no further force or effect with respect to any Debtor to the extent such policy, contract, or other obligation is conditioned on, creates an obligation of any Debtor as a result of, or gives rise to a right of any Person based on any of the following: (a) the insolvency or financial condition of a Debtor; (b) the commencement of the Chapter 11 Cases; (c) the confirmation or consummation of this Plan, including any change of control that shall occur as a result of such consummation; or (d) the Restructuring Transactions.

10.17 No Successor Liability.

Except as otherwise expressly provided in this Plan and the Confirmation Order, each of NewCo, TopCo, the Master Disbursement Trust, the Plan Administration Trust and the Creditor Trusts (a) is not, and shall not be deemed to assume, agree to perform, pay or otherwise have any responsibilities for any liabilities or obligations of the Debtors or any other Person relating to or arising out of the operations or the Assets of the Debtors on or prior to the Effective Date, (b) is not, and shall not be, a successor to the Debtors by reason of any theory of law or equity or responsible for the knowledge or conduct of any Debtor prior to the Effective Date and (c) shall not have any successor or transferee liability of any kind or character.

10.18 Co-Defendant Defensive Rights.

Except as provided in the MDT Insurer Injunction, the Settling MDT Insurer Injunction or clause (ii) of the penultimate sentence of this Section 10.18, notwithstanding anything to the contrary in this Article X or in the Plan as it currently exists or as it might be further amended, the Confirmation Order or any order entered in connection with the Plan (or the Plan as amended) (or any such order, as amended, modified or supplemented), or any supplement to the Plan (or the Plan as amended), nothing contained in the Plan or any of the foregoing documents or orders (including, without limitation, the classification, treatment, allowance, disallowance, release, bar, injunction, Channeling Injunction or any other provision of the Plan or the Plan as amended with respect to, impacting, affecting, modifying, limiting, subordinating, impairing, in any respect, a Co-Defendant Claim), will release, bar, enjoin, impair, alter, modify, amend, limit, prohibit, restrict, reduce, improve or enhance any Co-Defendant Defensive Rights of any Holder of a Co-Defendant Claim or Excluded Party as such rights exist or might in the future exist under applicable non-bankruptcy law. Nothing in the Plan, any of the Plan Documents or in the Confirmation Order shall preclude, operate to or have the effect of, impairing any Holder of a Co-Defendant Claim or Excluded Party from asserting in any proceeding any and all Co-Defendant Defensive Rights that it has or may have under applicable law. Nothing in the Plan, any of the Plan Documents or the Confirmation Order shall be deemed to waive any Co-Defendant Defensive Rights, and nothing in the Chapter 11 Cases, the Plan, any of the Plan Documents or the Confirmation Order may be used as evidence of any determination regarding any Co-Defendant Defensive Rights, and under no circumstances shall any Person be permitted to assert issue preclusion or claim preclusion, waiver, estoppel or consent in response to the assertion of an Co-Defendant Defensive Rights. This Section 10.18 shall be included in the Confirmation Order. Co-Defendant Defensive Rights (i) may be used to offset, set-off, recoup, allocate or apportion fault, liability, or damages, or seek judgment reduction or otherwise defend against any Cause of Action brought by any Person against the Holder of any Co-Defendant Claim or the Excluded Party based in whole or in part on Opioid-Related Activities and (ii) shall in no case be used to

seek or obtain any affirmative monetary recovery from any Protected Party or any Asset of any Protected Party (including from any Purdue Insurance Policy or any other insurance policy of a Protected Party) on account of any Released Claim or Shareholder Released Claim. The foregoing does not constitute a release of any Co-Defendant's Class 14 Claim or any other Excluded Party's Class 11(c) Claim.

10.19 Channeling of Future PI Channeled Claims and Injunction in Support of PI Futures Trust.

As of the Effective Date, in accordance with the Plan and the Master TDP, any and all liability of the Debtors and the other Protected Parties for any and all Future PI Channeled Claims shall automatically, and without further act, deed or court order, be channeled exclusively to and assumed by the PI Futures Trust. Each Future PI Channeled Claim shall be asserted exclusively against the PI Futures Trust and resolved solely in accordance with the terms, provisions and procedures of the PI Futures TDP. The sole recourse of any Person on account of any Future PI Channeled Claim, whether or not the Holder thereof participated in the Chapter 11 Cases and whether or not such Holder filed a Proof of Claim in the Chapter 11 Cases, shall be to the PI Futures Trust as and to the extent provided in the PI Futures TDP. **Holders of Future PI Channeled Claims are enjoined from asserting against any Debtor or other Protected Party any Channeled Claim, and may not proceed in any manner against any Debtor or other Protected Party on account of any Channeled Claim in any forum whatsoever, including any state, federal or non-U.S. court or administrative or arbitral forum, and are required to pursue Future PI Channeled Claims exclusively against the PI Futures Trust, solely as and to the extent provided in the PI Futures TDP.**

10.20 Reinstatement of Certain Shareholder Released Claims.

As set forth in the Shareholder Settlement Agreement, if any Shareholder Released Party that is a Subsidiary (as defined in the Shareholder Settlement Agreement) of a Shareholder Payment Party voluntarily or involuntarily becomes subject to an insolvency, bankruptcy, reorganization, winding-up, administration, dissolution, composition or similar proceeding, upon election by notice from the Sackler Party Representative (as defined in the Shareholder Settlement Agreement), with the consent of the Master Disbursement Trust, any Estate Causes of Action against such Shareholder Released Party that were previously held by the Debtors and that were released pursuant to Section 10.7(a) of the Plan shall be reinstated in full (and the Shareholder Release provided under Section 10.7(a) of the Plan shall be deemed null and void with respect thereto, and the Channeling Injunction shall terminate, be rescinded and have no application with respect thereto) and the Master Disbursement Trust, in its sole discretion and upon receipt of an advance for fees and expenses provided by the Shareholder Released Parties in an amount determined by the Master Disbursement Trust in its sole discretion (which advance shall be repaid to the extent not used), shall utilize commercially reasonable efforts to maximize the value of any such Estate Causes of Action in such insolvency or liquidation proceeding, and any recovery shall be treated in accordance with the terms as set forth in the Shareholder Settlement Agreement.

10.21 Special Provisions for United States.

(a) As to the United States, notwithstanding anything contained in the Plan or Confirmation Order to the contrary (except Section 5.2(h) of the Plan and in respect of the United States-PI Claimant Medical Expense Claim Settlement), including but not limited to this Article X, nothing in the Plan or Confirmation Order (except Section 5.2(h) of the Plan and in respect of the United States-PI Claimant Medical Expense Claim Settlement) shall:

- (i) limit or expand the scope of discharge, release or injunction permitted to debtors under the Bankruptcy Code. The discharge, release, and injunction provisions contained in the Plan and

Confirmation Order are not intended and shall not be construed to bar the United States from, subsequent to the Confirmation Order, pursuing any police or regulatory action, or any criminal action;

- (ii) discharge, release, exculpate, impair or otherwise preclude: (A) any liability to the United States that is not a “claim” within the meaning of section 101(5) of the Bankruptcy Code; (B) any Claim of the United States arising on or after the Effective Date; (C) any liability of the Debtors under police or regulatory statutes or regulations to the United States as the owner, lessor, lessee or operator of property that such Entity owns, operates or leases after the Effective Date; or (D) any liability to the United States, including but not limited to any liabilities arising under the IRC, the environmental laws, the criminal laws, the civil laws or common law, of any Person, including any Released Parties, Shareholder Released Parties or any Exculpated Parties, in each case, other than the Debtors; *provided, however*, that the foregoing shall not (x) limit the scope of discharge granted to the Debtors under sections 524 and 1141 of the Bankruptcy Code, (y) diminish the scope of any exculpation to which any Person is entitled under section 1125(e) of the Bankruptcy Code or (z) change the treatment of the DOJ Forfeiture Judgment Claim pursuant to Section 2.3 of the Plan or the treatment of the Federal Government Unsecured Claims pursuant to Section 4.3 of the Plan;
- (iii) enjoin or otherwise bar the United States from asserting or enforcing, outside the Bankruptcy Court, any liability described in the preceding clause (ii); *provided, however*, that the non-bankruptcy rights and defenses of all Persons with respect to (A)–(D) in clause (ii) are likewise fully preserved;
- (iv) affect any valid right of setoff or recoupment of the United States against any of the Debtors; *provided, however*, that the rights and defenses of the Debtors with respect thereto are fully preserved (other than any rights or defenses based on language in the Plan or the Confirmation Order that may extinguish setoff or recoupment rights);
- (v) divest any court, commission or tribunal of jurisdiction to determine whether any liabilities asserted by the United States are discharged or otherwise barred by this Confirmation Order, the Plan or the Bankruptcy Code; *provided, however*, that the Bankruptcy Court shall retain jurisdiction as set forth in and pursuant to the terms of the Plan to the extent permitted by law; or
- (vi) be deemed to (A) determine the tax liability of any Person, including but not limited to the Debtors, (B) have determined the federal tax treatment of any item, distribution or Entity, including the federal tax consequences of the Plan or Confirmation Order, or (C) expressly expand or diminish the jurisdiction of the

Bankruptcy Court to make determinations as to federal tax liability and federal tax treatment under the Bankruptcy Code and 28 U.S.C. §§ 157, 1334.

For the avoidance of doubt, the Channeling Injunction set forth in Section 10.8 of the Plan does not apply to the rights and causes of action protected by this Section 10.21.

(b) Notwithstanding anything to the contrary herein, nothing in the Plan, the Confirmation Order, the Shareholder Settlement Agreement or any other document filed in connection with the Plan shall release claims held by the United States of America against the Shareholder Released Parties; *provided* that, for the avoidance of doubt, nothing in the Plan, Confirmation Order, the Shareholder Settlement Agreement or any other document filed in connection with the Plan shall limit the releases contained in the Settlement Agreement between the United States of America and Purdue Pharma L.P., executed on October 21, 2020, or the Settlement Agreement between the United States of America and Dr. Richard Sackler, David Sackler, Mortimer D.A. Sackler, Kathe Sackler, and the Estate of Jonathan Sackler, executed on October 21, 2020.

(c) Several of the Debtors are parties to the various following agreements with the Secretary of the Department of Health and Human Services under which the Debtors owe rebates to third parties:

- (i) The Medicare Coverage Gap Discount Program Agreement is established under 42 U.S.C. §§ 1395w-114A, 1395w-153 and is required should manufacturers wish to have coverage for their products under Medicare Part D. Under the Medicare Coverage Gap Discount Program Agreement, manufacturers agree to reimburse Medicare Part D plan sponsors for certain Coverage Gap discounts the plans provide to Medicare beneficiaries in the Part D coverage gap. The Centers for Medicare & Medicaid Services requires that a new entity that seeks to assume a Medicare Coverage Gap Discount Program Agreement enter into a novation agreement with the Centers for Medicare & Medicaid Services with respect to the transfer of such agreement. The Debtors that have entered into Medicare Coverage Gap Discount Program Agreements with the Secretary are: Purdue Pharma L.P. (P1180) and Rhodes Pharmaceuticals L.P. (P1281);
- (ii) The Medicaid Drug Rebate Program, established under section 1927 of the Social Security Act, requires manufacturers to enter into National Drug Rebate Agreements with the Secretary for the coverage and payment of a manufacturer's covered outpatient drugs. Under the Medicaid Drug Rebate Program, if a manufacturer has entered into and has in effect a National Drug Rebate Agreement, Medicaid covers and pays for all of the drugs of that manufacturer dispensed and paid for under the state plan, and in return manufacturers pay applicable rebates to the states. The Debtors that have National Drug Rebate Agreements and the labeler codes associated with the National Drug Rebate Agreements are as follows: Rhodes Pharmaceuticals L.P. (42858), Purdue Pharma L.P. (59011), Avrio Health L.P. (67618) and Adlon Therapeutics L.P. (72912);

- (iii) Manufacturers with National Drug Rebate Agreements must also comply with the Drug Pricing Program under section 340B of the Public Health Service Act, 42 U.S.C. § 256b, and have Pharmaceutical Pricing Agreements with the Secretary of the Department of Health and Human Services. Under the Pharmaceutical Pricing Agreements, manufacturers agree to charge a price for covered outpatient drugs that will not exceed the average manufacturer price decreased by a rebate percentage. The Debtors that have Pharmaceutical Pricing Agreements and the labeler codes associated with such agreements are as follows: Rhodes Pharmaceuticals L.P. (42858), Purdue Pharma L.P. (59011), Avrio Health L.P. (67618) and Adlon Therapeutics L.P. (72912); and
- (iv) The Medicare Coverage Gap Discount Program Agreements, the Medicaid National Drug Rebate Agreements and the Pharmaceutical Pricing Agreements identified above provide that, in the event of a transfer of ownership, such agreements are automatically assigned to the new owner and all terms and conditions of such agreements remain in effect as to the new owner. Accordingly, notwithstanding anything contained in the Plan or the Confirmation Order which may be to the contrary, the Debtors shall assume such agreements pursuant to section 365 of the Bankruptcy Code, and upon the Effective Date, the Medicare Coverage Gap Discount Program Agreements, the Medicaid National Drug Rebate Agreements and the Pharmaceutical Pricing Agreements identified above shall be assigned to NewCo. NewCo, as the new owner, will assume the obligations of the Debtors who are parties under such agreements from and after the Effective Date, and to fully perform all the duties and responsibilities that exist under such agreements in accordance with their terms, including the payment of discounts owed to Part D Plan sponsors or payment of rebates owed to states and wholesalers for quarters prior to the Effective Date. For the avoidance of doubt, NewCo shall be liable for any outstanding rebates or discounts owed to third parties (and any applicable interest thereon) arising prior to the Effective Date, as well as any penalties associated with noncompliance by the Debtors with the Medicare Coverage Gap Discount Program Agreements, the Medicaid National Drug Rebate Agreements and the Pharmaceutical Pricing Agreements identified above prior to the Effective Date.

(d) Notwithstanding anything to the contrary herein, nothing in the Plan, the Confirmation Order, the Shareholder Settlement Agreement or any other document filed in connection with the Plan shall bind the United States in any application of statutory, or associated regulatory, authority grounded in Title 19 of the Social Security Act, 42 U.S.C. § 1396-1 et seq. (the “**Medicaid Program**”) or in section 1115 of Title 11 of the Social Security Act. The United States is neither enjoined nor in any way prejudiced in seeking recovery of any funds owed to the United States under the Medicaid Program.

ARTICLE XI RETENTION OF JURISDICTION.

11.1 Retention of Jurisdiction.

(a) The Bankruptcy Court shall retain exclusive jurisdiction of all matters arising under, arising out of or related to the Chapter 11 Cases and the Plan pursuant to, and for the purposes of, sections 105(a) and 1142 of the Bankruptcy Code and for, among other things, the following purposes:

- (i) to hear and determine applications for the assumption or rejection of executory contracts and unexpired leases and any Disputed Cure Claims or Disputed Claims in respect of rejection damages resulting therefrom;
- (ii) to hear and determine any motions, adversary proceedings, applications, contested matters and other litigated matters pending on, or commenced after, entry of the Confirmation Order;
- (iii) to hear and resolve any disputes arising from or related to (A) any orders of the Bankruptcy Court still in effect granting relief under Bankruptcy Rule 2004 or (B) any protective orders entered by the Bankruptcy Court in connection with the foregoing (including the Protective Order);
- (iv) to ensure that Distributions to Holders of Allowed Claims are accomplished as provided in this Plan and the Confirmation Order;
- (v) to consider Claims or the allowance, classification, priority, compromise, estimation or payment of any Claim, including any Administrative Claim or, solely to the extent provided in the Master TDP and/or the applicable Creditor Trust TDP, any Channeled Claim;
- (vi) to enter, implement or enforce such orders as may be appropriate in the event that the Confirmation Order is, for any reason, stayed, reversed, revoked, modified or vacated;
- (vii) to issue and enforce injunctions, enter and implement other orders and take such other actions as may be necessary or appropriate to restrain interference by any Person with the consummation, implementation or enforcement of this Plan, the Confirmation Order or any other order of the Bankruptcy Court;
- (viii) to hear and determine any application to modify this Plan in accordance with section 1127 of the Bankruptcy Code to remedy any defect or omission or reconcile any inconsistency in this Plan, the Disclosure Statement or any order of the Bankruptcy Court, including the Confirmation Order, in such a manner as may be necessary to carry out the purposes and effects thereof;
- (ix) to hear and determine all Professional Fee Claims;

- (x) to resolve disputes concerning any reserves with respect to Disputed Claims or the administration thereof;
- (xi) to hear and determine disputes arising in connection with the interpretation, implementation or enforcement of this Plan, the Confirmation Order, any transactions or payments in furtherance of the Plan or the Confirmation Order or any agreement, instrument or other document governing, or related to, any of the foregoing, including the Plan Documents;
- (xii) to take any action and issue such orders, including any such action or orders as may be necessary after entry of the Confirmation Order or the occurrence of the Effective Date, as may be necessary to construe, enforce, implement, execute and consummate this Plan, including any release (including, but not limited to, the United States-PI Claimant Medical Expense Claim Releases), exculpation or injunction provisions set forth in this Plan, or to maintain the integrity of this Plan following the occurrence of the Effective Date;
- (xiii) to hear and determine any other matters related to the Chapter 11 Cases and not inconsistent with the Bankruptcy Code or title 28 of the United States Code;
- (xiv) to resolve any disputes concerning whether a Person had sufficient notice of the Chapter 11 Cases, the Disclosure Statement, any solicitation conducted in connection with the Chapter 11 Cases, any Bar Date established in the Chapter 11 Cases or any deadline for responding or objecting to a Cure Amount, in each case, for the purpose of determining whether a Claim or Interest is discharged hereunder or for any other purpose;
- (xv) to hear and determine disputes arising in connection with the interpretation, implementation or enforcement of the Shareholder Settlement Agreement;
- (xvi) to hear and determine disputes arising in connection with (A) the MDT Claims and the interpretation, implementation or enforcement of the NewCo Credit Support Agreement or (B) operations of the Master Disbursement Trust or the actions of the MDT Fiduciaries;
- (xvii) to hear and determine disputes arising in connection with the interpretation, implementation or enforcement of the Abatement Trust Documents, and to hear and determine disputes concerning violations of the Confirmation Order or the use of funds from the Abatement Trusts in a manner inconsistent with the applicable Abatement Trust Documents; *provided* that, with respect to NOAT and the Tribe Trust, such jurisdiction shall be concurrent and not exclusive to the extent set forth in the NOAT Documents

and the Tribe Trust Documents, respectively, as in effect on the Effective Date;

- (xviii) to determine such other matters, and for such other purposes, as may be provided in the Confirmation Order;
- (xix) to hear and determine all matters relating to the Plan Settlements, to the extent permitted under applicable law; and
- (xx) to enter a final decree closing each of the Chapter 11 Cases.

(b) The Bankruptcy Court shall retain concurrent, rather than exclusive, jurisdiction of all matters arising under, arising out of or related to the Chapter 11 Cases and the Plan to, among other things, hear and determine matters concerning state, local and federal taxes in accordance with sections 346, 505 and 1146 of the Bankruptcy Code (including the expedited determination of taxes under section 505(b) of the Bankruptcy Code), and to hear and resolve or recommend resolution of disputes related to the MDT Insurance Rights.

(c) Notwithstanding anything in this Article XI to the contrary, the resolution of Channeled Claims against the Debtors and the forum in which such resolution shall be determined shall be governed by, and in accordance with, Section 6.21 of the Plan, the Master TDP and the Creditor Trust TDPs, if applicable.

(d) By consenting to the treatment provided by this Plan or otherwise supporting the Plan, no State or Tribe shall be construed to have waived any claim of Sovereign Immunity that it may have in any other action or proceeding, including any action or proceeding occurring after the Effective Date.

(e) No Person shall be permitted to initiate, continue, or otherwise prosecute a Cause of Action against a Shareholder Released Party based on an allegation, argument or position that such Cause of Action is or would be a Non-Opioid Excluded Claim if such Cause of Action is colorably a Non-Opioid Excluded Claim, unless such Person first obtains leave of the Bankruptcy Court. Without limiting the generality of the foregoing clauses of this Section 11.1, the Bankruptcy Court shall have and retain exclusive jurisdiction of, and authority to hear and determine, any request for such leave, and may grant such a request only upon a showing by the requesting Person, based on an appropriate evidentiary record, that such Cause of Action is within the definition of Non-Opioid Excluded Claim. The only Persons with standing to be heard on such a request for leave shall be: (i) the Person seeking to bring such Cause of Action; (ii) any Shareholder Released Party against which such Cause of Action would be brought; (iii) any Shareholder Payment Party; and (iv) the MDT or NewCo.

ARTICLE XII MISCELLANEOUS PROVISIONS.

12.1 Exemption from Certain Transfer Taxes.

To the maximum extent permitted pursuant to section 1146(a) of the Bankruptcy Code, any transfers of property under the Plan pursuant to (a) the issuance, distribution, transfer or exchange of any debt, equity security or other interest in the Debtors, (b) the Restructuring Transactions, (c) the creation, modification, consolidation, termination, refinancing and/or recording of any mortgage, deed of trust or other security interest, or the securing of additional indebtedness by such or other means, or (d) the making, assignment, recording or surrender of any lease or sublease, or the making, delivery or recording of any deed or other instrument of transfer under, in furtherance of or in connection with the Plan, including any deeds, bills of sale or other assignments or instruments of transfer, or assignments executed in

connection with any disposition of Assets contemplated by the Plan (including transfers of Assets to and by the Debtors, the Plan Administration Trust, NewCo, TopCo, the Master Disbursement Trust and the Creditor Trusts) shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles tax, transfer tax (including real estate transfer tax), mortgage tax or mortgage recording tax, sales or use tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee or other similar tax or governmental assessment, and the appropriate federal, state, provincial or local government officials or agents shall forego collection of any such tax or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax or governmental assessment.

12.2 Dates of Actions to Implement Plan.

In the event that any payment or act under this Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on or as soon as reasonably practicable after the next succeeding Business Day but shall be deemed to have been completed as of the required date.

12.3 Amendments.

(a) **Plan Modifications.** This Plan may be amended, modified or supplemented by the Debtors in the manner provided for by section 1127 of the Bankruptcy Code or as otherwise permitted by law, without additional disclosure pursuant to section 1125 of the Bankruptcy Code, except as otherwise ordered by the Bankruptcy Court; *provided* that (i) any such amendment, modification or supplement shall be reasonably acceptable to the Governmental Consent Parties; *provided further* that any such amendment, modification or supplement that expands the scope of the Releases or modifies any provision relating to the MDT Insurance Policies (including the scope thereof) or the transfer of the MDT Insurance Rights shall be acceptable to the Governmental Consent Parties, and (ii) any such amendment, modification or supplement shall be reasonably acceptable to the Creditors' Committee to the extent that it (A) relates to the MDT Insurance Rights, (B) modifies Section 5.8 of the Plan as it relates to payment of the attorneys' fees and costs of Holders of Hospital Claims, Third-Party Payor Claims, PI Claims or NAS Monitoring Claims, the Ad Hoc Group of Individual Victims or the NAS Committee, (C) modifies the Creditors' Committee's consent rights under the Plan, (D) expands the scope of the Releases or (E) materially and adversely affects the treatment of Holders of Hospital Claims, Third-Party Payor Claims, PI Claims, NAS Monitoring Claims or Other General Unsecured Claims (it being understood that (x) any reduction in the amount of any Initial Private Creditor Trust Distribution or any Private Creditor Trust's MDT Claim, (y) any elimination of any consent rights in favor of such Holders or (z) any modification to Section 5.2, 5.6 or 5.7 of the Plan to the extent such modification relates to the Master Disbursement Trust or a Private Creditor Trust shall constitute such a material and adverse effect). In addition, after the Confirmation Date, as long as such action does not materially and adversely affect the treatment of Holders of Allowed Claims pursuant to this Plan, the Debtors may remedy any defect or omission or reconcile any inconsistencies in this Plan or the Confirmation Order with respect to such matters as may be necessary to carry out the purposes or effects of this Plan, and any Holder of a Claim or Interest that has accepted this Plan shall be deemed to have accepted this Plan as amended, modified or supplemented.

(b) **Certain Technical Amendments.** Prior to the Effective Date, the Debtors, may make appropriate technical adjustments and modifications to this Plan without further order or approval of the Bankruptcy Court; *provided, however*, that such technical adjustments and modifications do not adversely affect in a material way the treatment of Holders of Claims and Interests under this Plan.

(c) **Modifications Relating to Foundations.** In the event that the appointment of the Continuing Foundation Members as the sole members of the Foundations has not occurred or shall not occur on or before the date selected by the Debtors as the Effective Date, the Debtors

shall, in their sole and absolute discretion, be entitled to renounce the Confirmation Hearing on not fewer than twenty (20) days' notice with respect to the Plan, as amended to remove Section 5.7(l) of the Plan or in another modified form, in the Debtors' sole and absolute discretion, containing some or all of the agreements and concessions made by the Debtors reflected in the Mediator's Report filed with the Bankruptcy Court on July 7, 2021 [D.I. 3119] (and, with respect to the Shareholder Payment Parties, any agreements or concessions reflected therein shall be included in any such modified Plan only with their express written consent), and (i) each Newly Consenting State (and no other Person) shall be entitled, in its sole discretion, to submit a new ballot and to object to confirmation of any such Plan and (ii) the Creditors' Committee shall be entitled to object solely to any modifications to Section 5.12 of the Plan.

12.4 Revocation or Withdrawal of Plan.

The Debtors reserve the right to revoke or withdraw this Plan prior to the Effective Date as to any or all of the Debtors; *provided* that each Debtor shall be entitled to revoke this Plan only in full and not in part. If, with respect to a Debtor, this Plan has been revoked or withdrawn prior to the Effective Date, or if confirmation or the occurrence of the Effective Date as to such Debtor does not occur on the Effective Date, then, with respect to such Debtor: (a) this Plan and the Plan Documents shall be null and void in all respects; (b) any settlement or compromise embodied in this Plan (including the fixing or limiting to an amount any Claim or Interest or Class of Claims or Interests), assumption or rejection of executory contracts and unexpired leases effected by this Plan and any document or agreement executed pursuant to this Plan (including the Plan Documents) shall be deemed null and void; and (c) nothing contained in this Plan shall (i) constitute a waiver or release of any Claim by or against, or any Interest in, such Debtor or any other Person, (ii) prejudice in any manner the rights of such Debtor or any other Person, or (iii) constitute an admission of any sort by any Debtor or any other Person; *provided* that any provisions under the Shareholder Settlement Agreement that are expressly contemplated to survive revocation or reversal of the Plan shall survive.

12.5 Payment of Statutory Fees.

All fees payable under section 1930 of chapter 123 of title 28 of the United States Code shall be paid on or before the Effective Date by the Debtors. After the Effective Date, the Plan Administration Trust shall assume liability for and shall pay, or cause to be paid, any and all quarterly fees owed to the U.S. Trustee when due in accordance with applicable law, and shall continue to file, or cause to be filed, with the Bankruptcy Court quarterly reports to show the calculation of such fees for the Debtors' Estates. Each of the Debtors shall remain obligated to pay quarterly fees to the U.S. Trustee until such Debtor's Chapter 11 Case is closed, dismissed or converted to a case under chapter 7 of the Bankruptcy Code.

12.6 Severability.

(a) Notwithstanding anything else contained in the Plan, (i) each of the provisions of the Shareholder Settlement, including, without limitation, the Shareholder Releases and the Channeling Injunction, is integrated with and integral to all other provisions of the Shareholder Settlement and the remainder of the Plan and the Plan Documents, and shall not be severable from the remainder of the Shareholder Settlement, the Plan or the Plan Documents; (ii) the Confirmation Order shall constitute a judicial determination that each term and provision of the Shareholder Settlement is (A) valid and enforceable pursuant to its terms, (B) integral to both the entirety of the Shareholder Settlement and the Plan and may not be excised or modified other than in accordance with the Shareholder Settlement Agreement, and (C) nonseverable from and mutually dependent on each other term in the Shareholder Settlement and the Plan; and (iii) in the event that any one or more provisions of the Shareholder Settlement are deemed null, void, illegal or unenforceable, the Shareholder Settlement, the Plan, the Confirmation Order and the Plan Documents shall be null and void.

(b) If, prior to entry of the Confirmation Order, any term or provision of this Plan that is not related to the Shareholder Settlement is held by the Bankruptcy Court to be invalid, void or unenforceable, the Bankruptcy Court, at the request of the Debtors, shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration or interpretation by the Bankruptcy Court, the remainder of the terms and provisions of this Plan shall remain in full force and effect and shall in no way be affected, impaired or invalidated by such holding, alteration or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of this Plan, as it may have been altered or interpreted in accordance with this Section 12.6, is valid and enforceable pursuant to its terms.

12.7 Governing Law.

Except to the extent that the Bankruptcy Code or other federal law is applicable, or to the extent that a Plan Document provides otherwise, the rights, duties and obligations arising under this Plan and the Plan Documents shall be governed by, and construed and enforced in accordance with, the internal laws of the State of New York, without giving effect to the principles of conflicts of laws thereof (other than section 5-1401 and section 5-1402 of the New York General Obligations Law).

12.8 Immediate Binding Effect.

Subject only to Bankruptcy Rules 3020(e), 6004(h) and 7062, as applicable, upon the occurrence of the Effective Date, the terms of this Plan and the Plan Documents shall be immediately effective and enforceable and deemed binding upon and inure to the benefit of the Debtors, the other Protected Parties, all Holders of Claims against or Interests in the Debtors, all Holders of Channeled Claims, all Releasing Parties and each of their respective successors and assigns.

12.9 Successors and Assigns.

The rights, benefits and obligations of any Person named or referred to in this Plan shall be binding on, and shall inure to the benefit of, any heir, executor, administrator, successor or permitted assign, if any, of each such Person.

12.10 Entire Agreement.

On the Effective Date, this Plan, the Plan Supplement and the Confirmation Order shall supersede all previous and contemporaneous negotiations, promises, covenants, agreements, understandings and representations concerning such documents, all of which have become merged and integrated into this Plan.

12.11 Computing Time.

In computing any period of time prescribed or permitted by this Plan, unless otherwise set forth in this Plan or determined by the Bankruptcy Court, the provisions of Bankruptcy Rule 9006 shall apply.

12.12 Exhibits to Plan.

All exhibits, schedules, supplements and appendices to this Plan (including the Plan Supplement) are incorporated into and are part of this Plan as if set forth in full herein.

12.13 Notices.

All notices, requests and demands to or upon the Debtors shall be in writing (including by facsimile transmission) and, unless otherwise provided herein, shall be deemed to have been duly given or made only when actually delivered or, in the case of notice by facsimile transmission, when received and telephonically confirmed, addressed as follows:

and Debtors in Possession*

After the occurrence of the Effective Date, the Plan Administration Trustee shall have authority to send a notice to Entities providing that, to continue to receive documents pursuant to Bankruptcy Rule 2002, such Entities must file a renewed request to receive documents pursuant to Bankruptcy Rule 2002; *provided, however*, that the U.S. Trustee need not file such a renewed request and shall continue to receive documents without any further action being necessary. After the occurrence of the Effective Date, the Debtors and the Plan Administration Trustee are authorized to limit the list of Entities receiving documents pursuant to Bankruptcy Rule 2002 to the U.S. Trustee and those Entities that have filed such renewed requests.

12.14 Dissolution of the Creditors' Committee.

On the Effective Date, the Creditors' Committee will dissolve; *provided, however*, that following the Effective Date, the Creditors' Committee shall continue in existence and have standing and a right to be heard for the following limited purposes: (a) applications, and any relief related thereto, for compensation by Professional Persons and requests for allowance of fees and/or expenses under section 503(b) of the Bankruptcy Code, (b) any appeals of, or related to, the Confirmation Order or (c) any other appeal to which the Creditors' Committee is a party. Upon the dissolution of the Creditors' Committee, the Creditors' Committee, each of its members (including each officer, director, employee or agent thereof) and its respective Professional Persons will cease to have any duty, obligation or responsibility arising from, or related to, the Chapter 11 Cases and shall be released and discharged from all rights and duties from, or related to, the Chapter 11 Cases.

12.15 Reservation of Rights.

Except as otherwise provided herein, this Plan shall be of no force or effect unless the Bankruptcy Court enters the Confirmation Order. None of the filing of this Plan, any statement or provisions of this Plan or the taking of any action by the Debtors with respect to this Plan shall be, or deemed to be, an admission or waiver of any rights of the Debtors with respect to any Claim or Interest prior to the Effective Date.

MSGE Fee Allocation Agreement

**Rule 408 Settlement Communication – Privileged and Confidential –
Cannot be used for any purpose except settlement discussion**

PEC/MSGE Fee Allocation Agreement – October 9, 2020

1. This agreement applies to [REDACTED]
[REDACTED] the allocation of attorneys' fees for outside counsel in connection with the Purdue bankruptcy.
2. [REDACTED] one singular "all attorneys' fees" fund [REDACTED]
[REDACTED] shall be deposited (as the funds are received) into an interest-bearing account to cover all attorneys' fees for any lawyer involved in opioid litigation on behalf of governmental entities/political subdivisions that agree to the terms of this agreement, whether a member of the PEC in the national opioids MDL or not. The fund does NOT cover fees for lawyers related to representing state Attorneys General, hospitals, third party payers, NAS babies, and/or personal injury/wrongful death claimants, or any other entity except governmental entities/political subdivisions, as payment of fees for those engagements will be subject to a different procedure and/or the claims are not covered by this agreement
3. Any fees awarded for such outside counsel in the Purdue bankruptcy will likewise be deposited into a separate single interest-bearing account described in paragraph 2 above. The Purdue fees will be used to cover (and will likewise exclude fees set forth in paragraph 2 above) the same group of attorneys as described in paragraph 2 above.
4. This is a voluntary procedure for those attorneys or firms who are eligible to apply to the fund. If any law firm/attorney (the "applicant") chooses to apply, doing so will require him or her to certify on behalf of himself, herself and his or her law firm that the application to the fund is in lieu of enforcing any contingency fee retention agreement they may have with any government entity/political subdivision opioid litigation client(s), excluding those clients excluded in paragraph 2 above. Participation in this fund, however, does not preclude applicants from participating in any fee funds or "backstops" established in state specific MOU's or agreements, so long as such participation, or anticipation of such participation, is fully disclosed to the arbiters as further described herein. Moreover, applicants knowingly and expressly waive any appellate rights except those described herein and waive the ability to assert the lack of enforceability of the allocation reached through the arbitration procedures outlined herein.
5. The fund is intended to be used to pay fees to applicants (and their respective law firms) who have (a) contributed "common benefit" work to the litigation and settlement at issue; or, (b) valid and enforceable contingency agreements with litigating clients who had pending cases against the settling defendants in either state or federal court (or both) as of the date of August 21; or, (c) who fall into both categories (a) and (b). Awards from the fund will be made via binding arbitration by a three-arbitrator Panel comprised of: David R. Cohen, Randi S. Ellis, and Hon. David R. Herndon (ret.). The payment of fees shall be handled in accordance with the terms of the final settlement documents (i.e., they may be paid over time as funds are paid into the fee account). The fee fund shall be administered by an administrator who shall pay fee awards as directed by the Panel or Judge Polster with regard to the 12.5% as referenced in Paragraph 9 below.

**Rule 408 Settlement Communication – Privileged and Confidential –
Cannot be used for any purpose except settlement discussion**

6. The arbiters shall ultimately establish the rules for the arbitration process and the submission of fee applications, including the submission of documentary and/or other evidence; interviews with applicants and/or other counsel that they deem appropriate, and other means of creating a record upon which fee awards will be based and for any appeal taken in accordance with the intentions of this document. [REDACTED]

[REDACTED] Fee awards made by the Panel with respect to the Purdue bankruptcy portion of the fee fund shall be appealable solely to Judge Drain of the United States Bankruptcy Court for the Southern District of New York (under an abuse of discretion standard) who has final authority over the Purdue portion of any fee awards.

7. [REDACTED]

8. Notwithstanding Judge Polster's oversight and appellate authority, and his jurisdiction to enforce the fee allocations derived through this process, participation in the fund process shall not create broader general federal jurisdiction, equitable or otherwise, over applicants to the fund who are not otherwise subject to federal jurisdiction, nor shall the fund require participation by any applicant or its client(s) in an involuntary class action or the signing of a participation agreement as part of the criteria for participating in the fund. The Panel or Judge Polster, as the case may be, however, may request the execution of a document or a certification with respect to representations or statements made to the Panel or on appeal from the Panel's decision in order to participate in this fee process.

9. [REDACTED]

10. Any appeal to Judge Drain of the Purdue bankruptcy portion of the fee fund will also be subject to an abuse of discretion standard, however there will be no "hold back" of funds out of the Purdue bankruptcy portion of the fee fund, and it is anticipated that the arbiters will allocate the entirety of the Purdue bankruptcy portion of the fee fund. Judge Drain's determination of any appeal is final and binding. With regard to the Purdue fees, any appeal to Judge Drain shall be made within twenty-eight (28) days of the Panel decision as to any

applicant, and no payments shall be made until the appeal to Judge Drain has been concluded.

11. With respect to the entirety of the fee funds [REDACTED] and the Purdue bankruptcy portion, the arbiters will be asked to give consideration to the *Johnson* factors, as well as the following factors in reaching their determination (which factors may be applied and given relative weight in the arbiters' collective discretion): (a) the applicant's contemporaneously recorded time and labor dedicated to opioid litigation along with the applicant's financial commitment to the case. Claimed "time" will not be automatically accepted by the arbiters but will be critically reviewed and given substantially more weight and consideration if such time was subject to the audit process described in any Pretrial Order(s) governing the collection of common benefit time; (b) the novelty and complexity of the lawsuit and causes of action asserted by the applicants' client(s); (c) the skill requisite to perform legal services properly and the undesirability of the case;; (d) the preclusion of other employment by the attorney/firm due to time dedication to opioid litigation; (e) the "common benefit," if any, alleged to have been conferred by the attorney/firm and whether such common benefit work product by that attorney/firm was used by others in parallel litigations whether within or outside of the MDL; (f) any contingent fee agreements with clients, the nature and extent of any work for those clients, whether those clients actively litigated and, if so, the nature and procedural history of such case(s); (g) the experience, reputation, and ability of the attorney/firm; (h) whether the attorney/firms' clients brought claims against the settling Defendants; (i) the status of discovery in the cases primarily handled by applicant; (j) the nature of any work by the applicant on "bellwether" cases or cases that were similarly active in litigation; (k) any pressure points successfully exerted by applicants in cases against settling defendants and any risk for settling defendants created by applicants in cases against them; (l) any risk for defendants created by applicants in cases against the settling defendants; (m) successful motion practice in cases worked on by the applicant; (n) the date of filing of any cases filed by the applicant; (o) obtaining consolidation of the litigation in the applicant's jurisdiction; (p) the number and population of entities represented by the applicant and the fees that would have been awarded under the extinguished contingent fee agreements; (q) whether any of the applicants' client entities were bellwether or lead plaintiffs; (r) whether the applicants' clients brought claims against the settling defendants; (s) the status of discovery in the cases primarily handled by the applicant; (t) whether the applicant has had a leadership role in the litigation, whether in state or federal court; (u) whether the applicant has had a leadership role in any negotiations aimed at resolving the litigation; (v) whether the applicant's cases have survived motions to dismiss; (w) and any other factors that the Panel finds to be appropriate to consider after input from fund applicants.
12. To the extent an applicant has already been paid or expects to be paid a fee in connection with a settlement of opioid litigation, the details of such payment must be disclosed to the arbiters prior to the issuance of award.
13. Any applicant claiming that he or she substantially benefited cases other than those in which he or she entered an appearance as counsel must substantiate those claims by proffering factual support, such as proper supporting affidavits and other documents. (See Rubenstein, William B., "Report and Recommendation Addressing Motion for Common Benefit Fund,"

4 & 4 n.5, In re: Nat'l Prescription Opiate Litig., Case: 1:17-md-02804, Doc #: 3319 (June 3, 2020).)

14. It is intention of all parties participating in this fee allocation protocol that there will be total transparency to the arbiters and to fund participants. Any and all monies in attorney's fees, including referral fees, or expenses paid, or promised for payment, to any applicant in any opioid litigation shall be disclosed to the arbitration Panel as a condition of participating in the fund and prior to an award from the Panel. Any payment, expectation of payment or perceived entitlement to participate in a state specific "backstop" agreement plan, or any other agreement reached with a state Attorney General's office or any political subdivision or any other source regarding the payment of fees, must be disclosed to the arbiters. Similarly, any right to payment from any *other* fund, for example a fund for payment to lawyers representing Attorneys General or Tribes, or political subdivisions shall be disclosed to the arbiters. Because it is anticipated that there will be multiple firms listed on contingent fee agreements with political subdivisions, the Panel shall establish procedures for who should petition for fees from such groups and to whom the fees shall be paid and thereafter distributed to all co-counsel in accordance with applicable agreements.
15. Other than as set forth above, fees allocated and awarded under the procedure outlined herein shall not be subject to any additional common benefit order or other effort to tax recoveries awarded by the arbitration Panel, except that it is understood that all applicants shall identify for the arbiters, for purposes of this fund only, whether they utilized state litigation work product, or MDL work product, including but not limited ARCOS data, document repositories and deposition transcripts, and whether they signed the MDL participation agreement.
16. The costs associated with the arbitration process are to be funded by the Defendants. If the arbitration process is not funded by the Defendants, the payments will come from the fee funds or the interest thereon.
