## Notice of Disclosure of Personally Identifiable Information

To Whom it may concern:

This serves as notice that the Gooding Joint School District had data that was involved in the recent PowerSchool Cyber Security breach that occurred on December 22<sup>nd</sup>, 2024. Our District data is hosted by PowerSchool on their servers, so this did not affect any of the District's on-premises systems or equipment.

We have notified our staff and community about the breach and what kind of data it included, such as: student and staff demographic information. Names, dates of birth, email addresses, physical addresses, and phone numbers. The Gooding School District does not knowingly store any social security information or birth certificates within PowerSchool for staff or students.

We are continuing to work with PowerSchool as their investigation continues. PowerSchool has stated that they will be providing support for affected individuals, such as credit monitoring, on an as needed basis.

Our IT team will continue working with PowerSchool as best as we can to aggregate any kind of security issues.

PowerSchool has stated that it will send out communications to affected individuals directly as well, however we will be sharing any information that is relevant as it is shared with us.

Thomas Aitken, IT Director  
Gooding Joint School District 231
